IN MEMORIAM

MATHESON—In loving memory of my grandfather Angus Matheson who departed this life February 18, 1956. We lost our dear old Grandpa, One year ago today. He was so very kind to us. That we will always pray. Always remembered by Benny and Jean.

MACDONALD—In loving memory of D.A. MacDonald who died February 18, 1951. Only a memory of by-gone days. Add a sigh for a face unseen. But a constant feeling that God alone.

Knows best what should have been. Lovingly remembered by his wife and family.

IN MEMORIAM

ROY BOULTER
It is with feelings of deepest regret is recorded the death of Roy Boulter, beloved husband of Blanche Boulter. He was a son of the late Mr. and Mrs. James Boulter, Albany. His death occurred at his home in Augustine Cove, Dec. 13th, 1956 at the age of 86 years. He had treatment in March and again in May in the P.E.I. Hospital, Charlottetown. From then on he was at home. He bore his long illness with calm and patient endurance. Despite tender nursing and medical attention, he continued to grow weaker, and passed peacefully away.
The Heavenly Father saw otherwise and claimed him for his own. He was a man of kindly disposition. He was well and favorably known throughout the surrounding communities. It can truly be said of him, he was always ready and willing to help in sickness or trouble.
He is especially missed in the home, where fond memories will linger to enrich the lives of those who are left. Besides a sorrowing wife, he leaves to mourn two daughters: Frances, Mrs. John Grigg, Augustine Cove, and Vertis, Mrs. D.K. MacInnis, Toronto, Ontario. One son Austin, predeceased him 13 years ago in England and one brother Austin in California.
The funeral was held from his home Saturday at 2 p.m. with service at the home. The service was conducted by Rev. Mr. L. Archer who spoke words of comfort. The hymns sung were, "The Lord's My Shepherd," and "Safe In the Arms of Jesus."
The pall bearers who were brothers-in-law all but one who was a nephew, Basil Taylor, Fred Drummond, Peter J. Peters, Russell Reeves, Fred Leard, Donald Duncan. Floral tributes were as follows:
PILLOW
The Family
WREATH
Augustine Cove school teachers.
Pupils.
SPRAYS
Fred Eva and girls.
Emily, Reta, Russell and family.
Vera Basil and Family.
Winnie, Fred and Family.
Peter, Luella, Ralph, Don, Betty and Family.
Aunt Edith, Bryce, Ken and Alan, Florence and Bobby.
Vessie and Emily.
Augustine Cove W.I.
The large number which assembled to pay the last tribute to respect to the memory of the departed, showed the esteem in which he was held, after which procession wended its way to the People's Cemetery, Tryon, where he was tenderly laid to rest.
Rev. Mr. Archer also officiated at the grave side. The funeral was under the management of Mr. Heath Christolm, Tryon, where the beautiful floral offerings bore silent tribute to a loved one gone.
"For those who march forward with God, He heal the broken hearts, he bindeth up their wounds."

Weekly Review Of The Market

NEW YORK (AP)—The stock market cracked in a major test of its strength but it repaired the damage to the extent of winding up the week a bit ahead of where it was a week ago.
When the market failed to hold above its 1956 lows on Monday it surrendered a strong point which had withstood four previous attacks in the last year or so.
This was a major test and the market failed it.
The five most active stocks on the New York Stock Exchange last week were:
Bethlehem Steel, up 1/4 at 43 1/2 on 32,600 shares; General Motors unchanged at 40 1/4; U. S. Steel, up 1/4 at 61 1/4; U. S. Hoffman Machinery, off 1/4 at 12 1/2 and General Dynamics, up 3/4 at 61 1/4.
The five most active stocks on the American Stock Exchange were:
Pancoast Petroleum, up 1/4 at 10 1/2 on 211,700 shares; U. S. Air Conditioning, up 1/4 at 2 1/4; Canso Oil Producers, up 1/2 at 2 1/4; Barium Steel, up 1/4 at 11 1/2 and Sterling Precision, off 1/4 at 3.
Among Canadian issues, Aluminium Ltd. was the only gainer on the New York Exchange, up to 120 1/2 from 117 1/2 a week ago. Canadian Pacific dropped to 30 1/4 from 31 1/4 while Dome Mines rose a fraction to 8 1/2 from 8 1/4. Canadian Marconi was steady at 8 1/4, and Molybdenite was 1 1/4 compared with 1 3/16 a week ago.

CHINESE RED DIES
LONDON (AP)—Yuan Chung Hsien, Communist Chinese vice-minister of foreign affairs, died of lung cancer Saturday Peiping Radio reported.

Optimism Felt In Steel Trade
CLEVELAND (AP)—Steel Magazine remains optimistic about chances for a record year in the steel industry.
The metalworking trade weekly says the industry probably won't maintain its present production of 97 per cent of capacity, but will average 90 per cent for the year. That would be 120,000,000 tons, 3,000,000 more than the record set in 1955.
Last week, the output was 2,842,705 tons, 50,000 more than a year ago. The automobile industry has assembled an average of 10,000 more units each week for the past four weeks than it did a year ago.
The magazine says recent increases have increased the price less than four per cent.
But the magazine's composite price remained at \$137.98 a net ton, where it has been since Jan. 1.
Scrap prices continued to decline, falling \$2 to \$53.17 a gross ton in the week ended Feb. 13, from 31 1/2 while Dome Mines rose a fraction to 8 1/2 from 8 1/4. Canadian Marconi was steady at 8 1/4, and Molybdenite was 1 1/4 compared with 1 3/16 a week ago.

CLEVELAND (AP)—Steel Magazine remains optimistic about chances for a record year in the steel industry.
The metalworking trade weekly says the industry probably won't maintain its present production of 97 per cent of capacity, but will average 90 per cent for the year. That would be 120,000,000 tons, 3,000,000 more than the record set in 1955.
Last week, the output was 2,842,705 tons, 50,000 more than a year ago. The automobile industry has assembled an average of 10,000 more units each week for the past four weeks than it did a year ago.
The magazine says recent increases have increased the price less than four per cent.
But the magazine's composite price remained at \$137.98 a net ton, where it has been since Jan. 1.
Scrap prices continued to decline, falling \$2 to \$53.17 a gross ton in the week ended Feb. 13, from 31 1/2 while Dome Mines rose a fraction to 8 1/2 from 8 1/4. Canadian Marconi was steady at 8 1/4, and Molybdenite was 1 1/4 compared with 1 3/16 a week ago.
