CAVENDISH UNITED CHURCH

Historic Cavendish Church To Honor Former Minister

Historic Cavendish Church will unfold the scrolls of the past and bring its records up to date when on Friday night at 8:00 p.m. it will do honour to one of the former ministers of the Church.

Rev. E. Melville Aitken, B. A., B. D., D. D. will be the guest of honour at a public meeting at which members of the Prince Edward Island Presbytery, his friends and the general public will be present.

Rev. Dr. Aitken was ordained in Cavendish Church in 1923 and it was there that he began a most successful ministry which saw him assume greater responsibility year after year until today he occupies the pulpit of one of the largest and most important churches in the United Church, First United at Hamilton, Ontario.

Dr. Aitken attended Prince of Wales College, Dalhousie University and Pine Hill Divinity Hall. After serving at Cavendish he was called to the Cornwall charge in Prince Edward Island. He next went to St. Andrews Church, Sydney and after a very successful ministry in Calgary he came to Hamilton.

He is a valued member of the national committee of the Missionary and Maintenance Department of the United Church and at the last General Council of the Church in 1954 was one of the nominees for Moderator. This year the Prince Edward Island Presbytery and the Hamilton Conference have again nominated him for Moderator.

RENOWNED PERSONALITIES Cavendish can look with pride not only on the guest whom they will honour on Friday night. They recall that Rev. John Geddie who was the first Presbyterian Missionary to leave Canada was at one time pastor of the church.

Some of the other members of the congregation will remember when Canada's beloved authoress Lucy Maude Montgomery attended as a girl and played the church organ. Her last remains rest in the little country church yard nearby. Her husband Rev. Ewan MacDonald a former minister at Cavendish, rests beside her.

The host minister will be Rev. E. A. C. Haley, present incumbent in the Cavendish charge. Greetings will be brought from Rev. J. S. Bonnell, D. D., minister of Fifth Avenue Presbyterian Church, New York City and a former minister at Cavendish. Rev. S. H. Haslam, Chairman of the P. E. I. Presbytery will preside.

Rev. J. W. Witzel, M. A. will bring greetings from the Hamilton Conference and Rev. H. E. D. Ashford, D. D. General Secretary of the M. and M. Fund will convey his greetings on behalf of the Missionary and Maintenance Department.

Many of Dr. Aitken's former classmates at Prince of Wales and Dalhousie will be present among whom will be Mr. Lorne Lea, headmaster and musical director of Concord school for boys in Concord New Hampshire. Mrs. Lea who is a noted singer in the United States will be guest soloist for the occasion.

A public address system will carry the proceedings to those who are unable to find seating in the church.

Potato Blight In Discarded Tubers

"For many years we have reported that the initial infections of potato late blight have been found in piles of discarded tubers," states the weekly potato bulletin issued by the Science Service Laboratory. "This year we are compelled to offer the growers the same advice, for the disease has been found in cull piles in both Prince Edward Island and Nova Scotia. This early occurrence of disease is quite unnecessary, for, had these old potatoes been destroyed, the danger of field infection would not have been present."

"The weather, being characterized by frequent showers and high humidity, has been very favourable for late blight disease, and the growers are strongly advised to spray or dust their plantings at the earliest opportunity."

Denies Russia Ready To Build Egyptian Dam

CAIRO (CP)—The Russian embassy press attache Tuesday night denied an earlier report quoting Soviet Ambassador Eugene Kisslev saying that Russia was ready to finance the Aswan dam project if Egypt asked for such aid.

The report was made by state-controlled Cairo radio Tuesday night. A newspaper report quoting the statement to one of its reporters. "Ambassador Kisslev did not make any statement regarding the high (Aswan) dam today," the press attache said Tuesday night.

Kisslev Monday denied an Egyptian newspaper report quoting him as saying Russia will finance the Nile dam project. He reiterated a recent statement by Soviet Foreign Minister Dmitri Shepilov who said Russia was willing to aid Egypt's industrial development but that he felt there were more pressing needs than the dam.

Egyptian President Gamal Abdel Nasser Tuesday night conferred with Kisslev and two Soviet economic and industrial planning experts now visiting Egypt.

In speech earlier Tuesday Nasser was bitterly critical of the United States, saying "we will not submit to the dollar or to force." He said Egypt's economy is strong and growing stronger.
