Officer Bob Contest

Yes, you too can have your quote put in Officer Bob's Bubble. Each week we will be taking submissions for Officer Bob to be rude, naughty, sexy or just pissed off.

To have your quote put in next weeks issue, just submit it to the Gem office in the dark, clinically clean basement of Main, and stuff them into our wonderful envelope. Or you can just send your submissions by VAX Mail to account GEM. Just tell us that your submission is for the Officer Bob Quote Contest and we will be glad to add it to the overwhelming pile that we have on file for the upcoming contest.

Faculty Lounge in Main

By Jason Corsi

The finishing touches are being made to the Main Faculty Lounge. Until now there has not been a common meeting place for the professors of UPEI. The lounge - to - be has been painted, carpeted, and furnished with the fine chairs and end tables. More pieces are needed in the style of the Victorian period, including a large dining table which may be used for receptions, as well as a grand piano.

The foremost reason for the Faculty Lounge is the professors' lack of a place for common association. One professor mentioned there is no longer a place where lecturers may share food

and ideas, as the Steel cafeteria is only open at certain times during the day. Says Prof. Bartmann, an organizer of the project, "The Faculty Lounge will be ideally situated for receptions, as a reading library, and for the most part as a faculty club for faculty associates."
