### SENATE READ. ROOM WAR IN THE PHILIPPINES.

Insurgents Control All Luzon Except Manila and Cavite.

WANT TO GET AHEAD OF THE PEACE COMMISSION.

LONDON, Sept. 13.—The Manila correspondent of the Times, telegraphing Sept. 9, says:  
"The insurgents hold over 9,000 Spanish prisoners and have recently captured several thousand rifles, some cannon, a large quantity of ammunition, and several small steamers. The Spaniards held out valiantly, but were fighting against the inevitable."  
"It is undeniable that the action of the insurgents in pursuing the campaign after an armistice was declared has caused much useless suffering and destruction of property, and has annihilated their every claim to be considered in any respect as the allies of the Americans."

"Their motive has been twofold—first, an implacable hatred of the Spanish, with an innate thirst for revenge, and, secondly, their ambition to place themselves on record before the world as a successful revolutionary government, and as complete masters of the Luzon provinces and as many adjacent islands as they may have time to occupy before the Philippine question has been settled by the Paris commission."

"The policy of permitting the insurgents to occupy the Spanish positions has been fruitful of many difficult cases, not the least of which is the stimulus given to the conceit of the natives, who consider themselves conquerors of Manila, although they captured not a single position when the town was taken. Aguinaldo has persistently demanded, in terms not too polite, various impossible concessions. For example, an occupation of the governor's palace and other palaces, a written assurance that the insurgents will be permitted to occupy permanently their military positions around Manila, and the protection of the insurgent vessels by the American fleet."

### THE CORNWALL DISASTER.

OTTAWA, Sept. 13.—Mr. Schreiber has decided to send a diamond drill to Cornwall and have the piers on the Canadian side of the new St. Lawrence bridge drilled to the very foundation in order to ascertain the quality of the work put in.

### AGUINALDO CAUSING TROUBLE.

Liberates the Spanish Prisoners.

SEIZED THE PUBLIC OFFICES AND DESTROYED ARCHIVES

And is Collecting the Overdue Spanish Taxes.

[SPECIAL TO THE EXAMINER.]

HONG KONG, Sept. 14.—A despatch from Manila says:  
Aguinaldo has liberated all the Spanish prisoners of the Americans.  
In violation of the terms of capitulation he has seized public offices and destroyed the archives, has disregarded the municipal laws and is collecting overdue Spanish taxes.

### ARMS FOR INSURGENTS:

A Cargo of Rifles Landed at Santangas

[SPECIAL TO THE EXAMINER.]

MANILA, Sept. 14.—The American bark Abbey, with a cargo of arms and ammunition from the United States, which left Canton ostensibly for Singapore, under heavy bonds, ten days ago, has now, it is said, landed 5,000 Krag-Jorgensen rifles and cartridges in Santangas province, for the insurgents. The report seems impossible, however, though it comes from a good source.

### A GREAT STEEL TRUST

Incorporated in New Jersey With a Capital of \$200,000,000.

NEW YORK, Sept. 12.—The certificate of incorporation of the great steel trust to be known as the Federal Company, has been filed in the Secretary of State's office at Trenton, N. J. It is the largest company ever admitted under the laws of New Jersey, its paid up capital being \$200,000,000. An incorporation tax of \$40,000 was paid to the Secretary of State. The location of the principal office of the company is stated to be at 60 Grand Street, Jersey City.

### COLONEL RHODES.

Restored to His Former Rank in the British Army.

CAIRO, Sept. 13.—Queen Victoria has restored to his rank in the British army, Col. Frak Rhodes, brother of Cecil Rhodes, who has been dismissed from the services for his participation in the armed raid into the Transvaal, led by Dr. Jamieson in December, 1895.

Col. Rhodes was wounded at the battle of Omdurman, while acting war correspondent of the London Times.

### A PROTEST.

United States Called Upon to Interfere.

MADRID, Sept. 13.—The French Ambassador at Washington, H. Cambon, who has been acting for Spain in the peace negotiations, has cabled the government here the American reply to Spanish note protesting against hostilities upon the part of the insurgents in the Philippine Islands, in spite of the peace protocol. The United States promises to send envoys to induce the Togolais to respect the suspension of hostilities and to prevent vessels leaving Manila with insurgents having intention of propagating the insurrection in other islands.

### Troubles in Antigua.

KINGSTON, Jamaica, Sept. 13.—Advice received here from Antigua, the British West Indian Island of the Leeward Group, indicate that there is an acute industrial crisis there, owing to the shutting down of the sugar plantations, constraining the Government to begin relief work in order to avert a threatened outbreak of riot and pillage among the idle and starving population. The sum of \$10,000 has been appropriated for immediate relief.

### AN ULTIMATUM FOR THE TURK.

Delivered by the British Admiral.

TURKISH GOVERNOR TO SURRENDER THE FORTS.

Deliver the Leaders of the Riot and Disarm the Mussulman Troops.

[SPECIAL TO THE EXAMINER.]

CANDIA, Sept. 14.—Rear Admiral Gerard Noel, the commander of the British naval forces in Cretan waters, yesterday issued an ultimatum to Edhem Pasha, the Turkish Military Governor of Crete, demanding that within 48 hours he should deliver up the ring leaders of the recent outbreak, surrender the fort and ramparts commanding town, and disarm Mussulman troops.

### CANADIAN PUBLIC ACCOUNTS

Show a Deficit of \$3,970,412.

[SPECIAL TO THE EXAMINER.]

OTTAWA, Ont., Sept. 14.—The public debt of the country for the last fiscal year shows an increase of \$3,794,589.

The consolidated fund was \$40,275,704 and the expenditure \$38,799,323, giving a surplus of \$1,575,881.

But during the Conservative regime the Liberal newspapers used to add the capital expenditure to that on consolidated account. The capital expenditure last year was \$5,546,293 so that the deficit amounts to \$3,970,412.

### A Failure.

ST. JOHN, Sept. 13.—The demonstration to Hon. Mr. Blair yesterday was disappointing as to the attendance; two steamers with a capacity of four hundred passengers each were engaged to take the excursionists from St. John and the party bought tickets for all who would accept them, but the number who went from St. John and all points east was only 65, so that one ship would have been enough.

### Snowfall in Kansas.

KANSAS CITY, Sept. 12.—Despatches received here report an unusual fall of snow in Eastern Colorado, North-Western Kansas, and South-Western Nebraska. The heaviest snowfall is reported from Atwood, Rawlins county, Kansas, the correspondent reporting a fall of five inches at that point, with a heavy frost this morning.

### In Memory of Gordon.

OMDURMAN, Sept. 12.—General Sir Herbert Kitchener, the commander of the Anglo-Egyptian expedition, suggests the establishment of an unsectarian college and a medical mission in Khartoum, in memory of Gen. Gordon, the establishments to be conducted by British tutors, and to be devoted mainly to educating the sons of the Sheikhs.  
They should issue certificates qualifying the holders of all Government positions. Gen. Kitchener hopes that the British public will subscribe £60,000 at least, with which sum the college and mission could easily be established.

### THE PACIFIC CABLE SCHEME.

Mr. Chamberlain Expected to Consult Ministers at Ottawa.

LONDON, Sept. 13.—It is expected here that Mr. Chamberlain, before returning home, will pay at least a flying visit to Ottawa, in order, among other things, to talk over the Pacific cable scheme. There is good reason to believe that the Colonial Minister has persuaded the Chancellor of the Exchequer to agree to provide money for a subsidy for the all-British cable route in the Pacific, and that an important announcement on the subject will be made early in the next session of the Commons.  
All the colonies have now agreed to share in supplying the subsidy, or to guarantee 3 per cent. on the capital of the company, or companies, which may lay the cables.

Sheppard, has been arrested and has confessed that he started the New Westminster fire which destroyed property valued at two and a half millions last Sunday. He did it to get even with the city. He was just released from serving a sentence of one year in the penitentiary for house breaking.

### Reward for Kitchener.
