FIREMEN'S PRESENTATION TO BAND

On New Year's night the Firemen waited on the members of the G. W. V. A. Band while they were playing at the Arena Rink and presented each member with a box of cigars and a quantity of tobacco. Chief Ronsghan and Fireman Angus McEachern of the Chemical Engine Company made the presentation, the latter in a neat speech thanking the members of the Band for the services they rendered the Firemen at their parades, etc. during the year, and wishing them continued success. Bandmaster J. McFarlane, on behalf of the Band, thanked the donors for their presentation, which came as a very pleasant and wholly unexpected surprise.

IN MEMORIAM

MRS. FRANCES LOWTHER

Mrs. Frances Lowther, widow of the late William Lowther was born at Cornwall, P. E. I., and passed away on Thursday, November 4th, at the home of her son in Charlottetown. She was married in early womanhood and is survived by a daughter, Mrs. Dean McEwen and a son, Franklin. The early years of her married life were spent in North Carolina after which she returned to Cornwall where she lived until the death of her husband after which she sold her home, and with her married son moved into the city.

Born of Christian parents, an breathing the atmosphere of prayer from her infancy, she joined the Methodist Church in her early childhood, and throughout her life was a consistent member. Enjoying good health for many years, she took a prominent part in the activities of the church and was especially interested in the work of the Women's Missionary Society.

Of a cheerful disposition she made many friends. She loved the Church of her choice and was a regular attendant at the service of the Sanctuary. She was a true Christian and gave her time and strength to every good cause. Her long and painful illness of more than a year was borne with patient submission to the Divine will, and she died as she had lived, trusting in Christ as a personal Saviour.

After a brief service conducted by her pastor, the Rev. G. W. Glendinning the remains were taken to Cornwall where in the presence of a large number of her friends the body was laid away and awaits the resurrection of the day.

MRS. BENJAMIN C. DOUBLA

Passed peacefully to her eternal rest on Thursday, Nov. 25th 1920, Benjamin C. Douglas of Cherry Hill. Deceased was of a kind and cheerful disposition, good hearted to the highest degree and was a friend to rich and poor alike. The funeral took place Sunday, November 28th at West St. Peter's Cemetery. RELATES EXPERIENCE WITH TANLAC FOR THE BENEFIT OF OTHERS

"I want to give a little history of my case just to let the public know what a fine thing Tanlac has been for me," said Arthur Cox, of 165 Oxford St., Halifax, formerly proprietor of the firm known as Arthur Cox & Co. bootmaker and Shipworkers.

"This fall I was threatened with typhoid fever, and while I managed to ward off the actual disease I got in a badly run-down condition. For three weeks I wasn't able to eat a bit of solid food, and just had to live on milk. I had no appetite at all, was weak and worn-out, and simply felt miserable.

"My wife suggested that I try Tanlac, and the very first bottle gave my appetite a start, and I was soon eating just anything I wanted without it causing me a bit of distress. I'm on my fourth bottle of the medicine now, have already gained ten pounds in weight, and even feel better than I did before I was ever threatened with fever.

"For years I have been subject to spells with my liver, would have to eat dry bread until they left me. However I haven't felt a sign of them since I started on Tanlac, and it looks as if they are gone for good. Yes, Tanlac is certainly a great medicine, and I don't hesitate to give it my highest endorsement."

Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Mahon, J. P. White Murray and R. H. Chisholm, North Tryon by R. H. Coobon, Murray Harbor by Lord's Company, Borden; Lord's Company, Cape Traverse and Lord's Company, Charlottetown; J. W. McEwen, Bristol; A. J. McNeill, Bonshaw.

22c UNBLEACHED COTTON for 12 1/2 cents. Thursday morning at nine o'clock we will place on sale a line of 34 inch fine, unbleached cotton, regular 22c at only 12 1/2c. The quantity is limited—the value is enormous—get yours early. Moore & McLeod, Limited.

TAKE AN INTEREST IN WORLD AFFAIRS

HAMILTON, Ont., Jan. 5.—Sir Robert Falconer, President of the University of Toronto, addressed the Hamilton Medical Association at its annual meeting here last night.

System in which she was held was plainly shown by the large gathering of friends and relatives from far and near, assembled to pay their last tribute of respect, and allowed the remains to their last resting place. The services were conducted by her pastor, Rev. J. C. Martin, Mt. Stewart. She leaves to mourn the loss of a kind and loving mother four daughters, Mrs. Henry Coffin, Mrs. Calvin Cameron, Mrs. Everett Anderson, Mrs. Frank Argueason, also a stepson, Ernest Douglas of Denver, Colo. She also leaves to mourn two sisters and three brothers.

Our hearts are sad and lonely. Since mother passed away, our days on earth were numbered. With us she could not stay. Her toil of life is ended. She rests from pain and care. At home with blessed Jesus. We hope to meet her there.
