to redeliver the Register to Thompson. Much was said during the hearing by the Counsel for Thompson as to his agreement for the purchase of the vessel, and his equitable rights under that agreement, but in my opinion, neither the convicting Magistrate nor this court, have any power to entertain the question of any equities in his favour. If any really exist, and I must say I am at a loss to discover them—even from his own evidence a Court of Chancery the only Tribunal competent to deal with themunder the existing law relating to Merchant Shipping. The several Sections of it referred to, are so plain and peremptory, that I have had no difficulty in arriving at the conclusion, that there is not *the least shadow of a pretext* for inflicting the fine upon this officer, who appears to me to have properly performed his duty, and that strictly within the limits of his authority, and therefore, I am bound to order theconviction against him to be quashed, and with Costs."

[Mr. Brenner was not aware of any transaction subsisting between Mr. Yeo and Capt. Thompson, respecting the purchase of the vessel, when he demanded the Certificate of Registry from him for the purposes required by the owner, Mr. Inge.—EDITOR.]

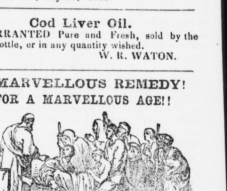
A MARVELLOUS REMEDY!
FOR A MARVELLOUS AGE!!



HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these, this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflamation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows, that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISIULAS.

These and other similar distressing complaints can be effectually cured, if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Cancers	Sore-throats
Bad Breasts	Contracted and Stiff Joints	Skindiseases
