

**DANCE** Cardross School, Friday, August 13. McKay's Orchestra.

**ST. MARY'S PARISH**, Montague, chicken supper, Wednesday August 18, Beaver Club Hall.

**TROWN FROM HORSE** — Friends of Miss Roma Young are pleased to know she is able to return to the home of Mrs. Fred Robertson, Kingsboro. Miss Young was thrown off her horse last week and friends thought she was severely hurt, but after examination in the P. E. I. Hospital it was found that no bones were broken and a cast was put on one leg. She came from Toronto this summer to visit at the home of Mrs. Robertson.

**FUNERAL AT MURRAY RIVER** — The funeral of the late Mrs. David Murdoch was held yesterday afternoon from the MacLean Funeral Home, Charlottetown, to the Church of Scotland, Murray River, where service was conducted by Rev. J. H. Bishop. Interment was in Murray River Cemetery. The pall bearers were Messrs. Albert MacKay, Watson White, Walter Frasers, William Hume, Menton Ferguson, John MacInnis.

### Kensington Herd

spring. That calf, Fraserdale Fore Herolone, yesterday took the junior female championship and the reserve grand. The reserve junior female champion was Queenie's Nimble Lady, a heifer bred in the Younker stables. The pair placed first and second in their class as junior yearlings. A year ago they placed first and second as junior calves.

The Fraserdale heifer was reserve junior champion in 1953. Valleyview Della's Crown won the senior and grand male championships. He is owned by the Dominion Department of Agriculture and was entered by the Live Stock Production Services. Brook-nil B. R. Musicmaker, another Dominion Department of Agriculture sire, was third prize aged bull.

### GOOD PLACINGS

Ernest F. Coles and Son, Reg. had a flock of good placings with some very fine cattle. Their sire Brackley Jeanie's Forward, a two-time winner of All Canadian honorable mention, was reserve senior male champion. They had two firsts, a half-dozen seconds, as many fourths, five fifths and two thirds.

Daniel MacLean of Milton, a latecomer to the show building because of a painful accident, was unable to show his own cattle yesterday. Fellow showmen were kind enough, however, to show them for him and he took one red ribbon, three seconds, four thirds, three fourths and four other ribbons.

Eric Hurry took one red ribbon, five thirds and four other placings. He did not show all his animals. He did not compete at all in the classes for progeny, get or herds.

A number of other breeders showed only a very few animals. Redvers Stewart and Son — they cleaned up in Poll Angus cattle the day before — showed a few animals and took a second and a fourth. Alton Bell of Kensington took six ribbons, including a second and two thirds.

J. H. Carr and Son of Oyster Bed Bridge took home a couple of seconds and a pair of fourth place ribbons. Judge A. B. "Tony" Banks of Truro said he saw a marked improvement in the quality of cattle

## Serious Ravages By Army Worms Reported In Eastern Kings County

Reports from eastern Kings County indicate the appearance of the army worm which has already proved costly to some farmers unless drastic measures are taken to head off the growth and spread, the loss will be great, according to farmers in the affected area.

Reports from parts of New Brunswick state that the situation there is "serious but not grave." In areas where potatoes are grown they are in a better position to combat the plague as potato growers are well equipped with spraying equipment. A spirit of co-operation is being shown. It was said, with some farmers unable to pay for custom spraying operations agreeing to make returns in work at a later date.

Heaviest hit are the fields in which the worms first appeared and where damage was widespread before any steps were taken to stop them. Mr. F. M. Cannon of the Federal Entomological Laboratory, stated that his department had been notified of the appearance of the army worm on Friday morning and began their investigation that afternoon. Representatives have

been in the area every day since and have been inspecting and advising farmers what action to take.

### ADVISES MINUTE CHECKUP

"I strongly advise all farmers to make a minute inspection of their fields, not a casual glance from a distance," Mr. Cannon said. "These pests advance in a straight line across a field and leave it void of everything but a few coarse stalks. The young ones do not advance rapidly, but as they grow from a quarter of an inch to two inches long in a short time, they devour everything in their line of march. In a couple of days a field is gone."

Questioned as to the proper treatment, Mr. Cannon said where infestation was light and scattered, poison bran bait consisting of 25 lbs. of bran, one pound of Paris green and three gallons of water, scattered lightly over the field was satisfactory. Where a heavier infestation was observed, more drastic measures were necessary, calling for a Parathion spraying mixture which should only be undertaken by highly experienced man

## Court Cases At Georgetown

At magistrates' court at Georgetown yesterday before Magistrate Gilbert A. Gaudet, a party from Mitchell River was fined \$20.00 and costs for being intoxicated in a public place. A party from Freetown on a charge of false pretenses had his sentence suspended for two years under bond to keep the peace.

A party from Newport and one from Sturgeon, were each fined \$20.00 and costs for being intoxicated in a public place. A resident of Charlottetown was fined \$20.00 and costs for possession of liquor other than

in his residence. A party from Murray Harbour was fined \$10.00 and costs for speeding. A party from Murray River was fined \$5.00 and costs for passing a car on a hill going the same way and a party from Peter's Road was fined \$5.00 and costs for failing to stop at a stop sign at an intersection. A resident of Brudenell was fined \$5.00 and costs for not having a rear view mirror.

For obstructing a police officer, a resident of Souris was fined \$75.00 and costs or 60 days. Another resident of Souris was sentenced to serve 60 days for assaulting a police officer, and another resident of Souris on the same charge of assaulting a police officer had his case adjourned for one week.

or done under the supervision of departmental officials. The appearance of an infested area at Murray Harbour prompts us to urge everyone to see what damage has been done before they lose their whole crop." Mr. Cannon said.

**SOCIAL MEDAL**  
LONDON (AP)—The Daily Express has announced it will have a special medal struck for Jim Peters, the English runner who collapsed 220 yards short of winning the Empire Games marathon at Vancouver last week. After falling on the track Peters climbed to his feet more than half-a-dozen times in a vain attempt to struggle on to the winning post. He was finally carried off on a stretcher. The Express said: "Such heroism as he showed should not go unrecognized or unrewarded."
