

DIRECTIONS TO VOTERS.

The following is the form of ballot to be used in the election for Queen's County marked as it should be by all voters for Campbell and Ferguson:

Election for the Electoral District of Queen's County District, P. E. Island, February 22, 1887.

CAMPBELL, I. William Campbell, of Milleville, Park Corner, Queen's County, Farmer and Mill Owner. X

DAVIES, II. Louis Henry Davies, of Charlottetown, Queen's County, Barrister-at-Law.

FERGUSON, III. Donald Ferguson, of Tulloch, Queen's County, Farmer and Stock-raiser. X

WELSH, IV. William Welsh, of Keppoch, Queen's County, Farmer and Ship-owner.

The following is the form of ballot to be used in the election for King's County, marked as it should be by all voters for McDonald and Muttart:

Election for the Electoral District of King's County District, P. E. Island, February 22, 1887.

MACDONALD, I. Augustine Colin McDonald, of Montague, King's County, Merchant. X

MACINTYRE, II. Peter Adolphus MacIntyre, of Souris, King's County, Physician.

MUTTART, III. Ephraim Bell Muttart, of Souris, King's County, Physician. X

ROBERTSON, IV. James Edwin Robertson, of Montague, King's County, Physician.

HOW TO MARK THE BALLOTS.

Be sure to mark your ballot for the Liberal Conservative Candidates.

The elector, on receiving the ballot-paper, shall forthwith proceed into one of the compartments of the polling station, and there mark his ballot paper, making a cross with a pencil on any part of the ballot-paper within the division containing the name of the candidate for whom he intends to vote, and shall then fold up such ballot-paper, so that the initials on the back can be seen without opening it, and hand it to the Deputy Returning Officer, who shall, without unfolding it, ascertain, by examining the initials, and the number upon the counterfoil, that it is the same he furnished to the elector, and shall first detach and destroy the counterfoil, and shall then immediately, and in the presence of the elector, place the ballot-paper in the ballot-box.

No voter should make any mark on the ballot-paper save one cross on any part of the ballot-paper within the division containing the candidate's name for whom he intends to vote. If the voter writes his name or initials, or any marks, except the X he makes his ballot worthless.

A simple cross upon the ballot for your candidates will assist in electing them. Any other mark or writing will contribute to their defeat.

- 1. Poll opens at 9 o'clock a. m., and closes at five o'clock p. m.
2. Vote early.
3. See that your Liberal-Conservative neighbor votes early also.
4. If you have a sleigh, place it at the service of your Committee to bring tardy voters to the polls. Give the information to the Secretary of Committee.
5. Do not "pair" on polling day with your Grit neighbor. Poll your own vote and let him look out for his.
6. Poll every possible vote; the loss or gain of a single vote in each polling division may make all the difference between victory and defeat.
7. Each Liberal-Conservative should vote as though the result of the election depended upon his individual exertions.
8. Remember that any bribery, corrupt treating, hiring of vehicles, paying of voters' expenses, or any undue influence, will not only void the election, but is punishable by law.
9. Electors can only vote at the polling division where their names are registered.
10. Any elector's vote may be challenged who has received anything on account of his vote, or has been promised anything directly or indirectly, either to induce him to vote at the election or for loss of time, travelling expenses, hire of teams, or any other service connected therewith; or even if the said elector has directly or indirectly paid or promised anything to any person, either to induce him to vote or to refrain from voting at the election.

Burned to Death.

A serious fire occurred at Smith's Cove, Halifax County, N. S., on the night of the 14th January, when the dwelling house of William Smith, with all its contents were consumed, and one of Mr. Smith's sons, a lad of thirteen years, perished. The fire originated about the chimney, and broke out about 2 o'clock, a. m. The old people were asleep in the lower part of the house and were first aroused, barely escaping with their lives, with nothing on but their night clothes. Two boys slept up stairs, the oldest of whom, when aroused, found his brother in a dazed and almost helpless condition. While endeavoring to get his helpless brother out of the building the floor gave way and he and the boy were precipitated into the flames and perished, while the other with much difficulty, reached a window and jumped out, being very severely burned, and also cut and bruised. Mr. Smith was in comfortable circumstances, but he has lost everything, not even a pair of shoes or clothing for his family.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's August Flower will make them free from disease, as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies as biliousness, sick headache, costiveness, nervous prostration, indigestion, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottle, 10 cts. Try it.

It astonished the public to hear of the resignation of Dr. Pierce as a Congressman to devote himself solely to his labors as a physician. It was because his true constituents were the sick and afflicted everywhere. They will find Dr. Pierce's Golden Medical Discovery a beneficent use of his scientific knowledge in their behalf. Consumption, bronchitis, cough, heart disease, fever and ague, intermittent fever, dropsy, neuralgia, goitre or thick neck, and all diseases of the blood, are cured by this world-renowned medicine. Its properties are wonderful, its action magical. Druggists.

ADVICE TO MOTHERS. - Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little shrub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gum, allays all pain, regulates the bowels, and is the best known remedy for their use, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. Feb 4 eod
