NO MUSIC.—Owing to the Citizens Band being engaged for the Promenade Concert on the Southport this evening, they will be unable to play in the Gardens.
ANOTHER BODY FOUND.—It is reported that the body of another of the crew of the missing schooner Richard Thompson was found at Argyle Shore Tuesday.

MRS SCOTT-SIDDONS.—This celebrated artist has dates announced for Charlottetown Thursday the 28th of August, and Summerside August the 29th.

CANCELLED.—On account of inability of making a suitable date the Halifax Concert Co. have decided to postpone their entertainment in this city for the present.

DON'T FORGET the committee meeting of City Mission, at 4 o'clock to-morrow (Friday) afternoon, at the Mission Room, Chestnut Street. All the committee are requested to be punctual in attendance.

A PLEASANT EVENING.—The band this evening, instead of playing on the Square, will be on the steamer Southport. As the price of the excursion is only 15 cents, everyone should go and enjoy a delightful evening.

PROPERTY SOLD.—The dwelling house and lot on Grafton Street East, owned by Mr. W. B. Robertson, was sold at auction to-day by E. H. Norton & Co., and purchased by Mr. S. S. Peterson. The price paid was \$550.

CHANGE IN DATE.—On account of the banquet at St. Dunstan's College on the evening of the 28th inst., it is suggested to change the date of Mrs. Scott-Siddons' dramatic recitals to Wednesday, 27th. We trust the suggestion will be acted upon.

LECTURE AT NEW GLASGOW.—The Rev. Mr. Warfield, of Brookton, Mass., will deliver a temperance lecture in the New Glasgow Hall under the auspices of the Council, R. T. O. T. on Monday, 25th inst. Lecture begins at 8 o'clock. By order of Council.

FROM HALIFAX.—The steamer Princess Beatrice, Captain Kelly, arrived from Halifax at half past seven last night, with a cargo of general merchandise and several passengers. She will sail on return this evening after loading with lobsters, mackerel, etc.,

FURNITURE SALE.—Special attention is directed to the advertisement of the sale of furniture at "The Chestnuts," Kent Street, the late residence of Mrs. Henry Palmer, deceased, which takes place on Thursday, 28th inst. The furniture is all in first-class condition, and as it must be sold, great bargains may be expected.

ARRIVED SALEM.—The sloop yacht owned by Mr. Milne Walsh, of this city, late of Summerside, which left that port in charge of Mr. Frank Collins, on Tuesday morning last, and for the safety of which fears were entertained arrived here this morning. She had to put into Craupud on Tuesday night, owing to the gale, and remained there till early this morning, when she left for this port. She is a handsomely modelled boat, sloop rigged, and judging by her appearance in the harbor this morning, will likely be warm company for some of the Charlottetown flyers in a race.

TWO BODIES FOUND.—The Summerside Farmer has the following particulars of the finding of the bodies of two of the crew of the ill-fated schooner Richard Thompson, already referred to by THE EXAMINER: One of the bodies—that of Belmont Richard—was picked up at Argyle Shore on Monday evening. The other was observed by the crew of the Ripley Ropes on Tuesday morning between 8 and 9 o'clock as they were proceeding up the straits for Summerside. The body was floating very light in the water and about 150 yards from the schooner when first seen. A boat was immediately got ready and the body—that of Belmont Richard—lifted into it. A piece of canvas was thrown over the corpse, and the boat towed till the schooner reached here. The face was much eaten as well as part of the hands, but there were sufficient marks to identify the body. Dr. Jarvis, the coroner, was sent for, but he considered it unnecessary to hold an inquest.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup has been used by mothers for children teething for over fifty years with perfect success. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. apl18'90/rood&kyly

Dying in Harness.

BY JOHN BOYLE O'REILLY.

Only a fallen horse, stretched out there on the road, Stretched in the broken shafts, and crushed by the heavy load; Only a fallen horse, and a circle of wondering eyes Watching the frightened teamster goading the beast to rise. Hold! for his toil is over, no more labor for him; See the poor neck outstretched and the patient eyes grow dim; See on the friendly stones how peacefully rests his head, Thinking, if dumb beasts think, how good it is to be dead; After the burdened journey, how restful it is to lie With the broken shafts and the cruel load, waiting only to die!

Watchers, he died in harness, died in the shafts and straps; Fell, and the great load killed him—oqe of the days mishaps, One of the passing wonders marking the city road, A toiler dying in harness, heedless of call or goad. Passers, crowding the pathway, staying your steps awhile, What is the symbol? Only death; why should we cease to smile At death for a beast of burden? On through the busy street That is ever and ever echoing the tread of the hurrying feet! What was the sign? A symbol to touch the tireless will, Does He who taught in parables speak in parables still? The seed on the rock is wasted on heedless hearts of men That gather and sow, and grasp and lose, labor and sleep, and then: Then for the price! A crowd in the street of ever-echoing tread; The toiler, crushed by the heavy load, is there in his harness, dead!
