Action At SDU

SAINT Dunstan's Varsity football and hockey teams play their first home action of the year today and this evening and if the coaches' enthusiasm is any criterion of what action will take place fans will be taking in some thrilling moments.

This afternoon Jack Kane's pucksters play host to UNB Red Devils who are handled by well , known ex - National Hockey Leaguer Pete Kelly. This will be the third start for the Saints and they possess a 1-1 won-loss record. Both games, played before Christmas, were on the road. Against St. Mary's of Halifax they emerged with a 7-5 victory and in Antigonish against St. F.. they lost a thriller by an 8-6 score.

Jack Kane anticipates a tough battle against the Devils who were Maritime intercollegiate champs last season and who have developed into one of the best college teams seen in years.

But the SDU coach is likely in his praise for his players and mentioned the other night that his squad had improved tremendously since the start of the season.

WHILE talking about his team between periods of a hockey game at the Sports Arena Thursday night, Jack commented on the hard shot possessed by one of his players, Dick Manz, a Toronto lad.

Jack said 'he has one of the hardest wrist shots I've ever seen and it's very deceptive.' SDU goalie Frank 'Butch' Callaghan agreed with him wholeheartedly as he rubbed a thumb still numb from a shot by Manz during practice that afternoon.

The SDU pilot was telling genial Royals' manager Sandy Frizzell of the game the Saints played against St. Mary's and said 'Manz hit one of the Halifax players in the chest with one of his shots and the puckster nearly went out. His legs turned to rubber.' He added jokingly 'if there was ice from college to here I think he could land a puck in town.'

But Manz is not the only player on the Saints' team who owns a hard shot. Dick Tingley of Campbellton, N.B., a third year veteran and the tallest player on the team has a terrific slap shot. We've watched him against college teams and with the Island Senior Hockey League and he can hold his own in both leagues.

On the first line Jack will have Billy Mulligan at centre with Dick Tingley and Bob Marshall on the wings. The second line consists of Jimmy Cullen, centre, and Dick Manz and George Monaghan on the left and right lanes. The third line comprises Bob Rovale, Bert Brophy and Mike O'Brien.

Butch Callaghan handles the netminding chores with Colin MacMillan, Vince Mulligan, Jim Peddle and Wes MacAleer policing the blueline.

Cagers Host Tommies

This evening Ed Hilton and his red-and-white cagers are at home to St. Thomas Tommies in an exhibition basketball game. Action gets underway at 8 o'clock sharp.

This is the first venture into basketball for the Tommies of Chatham, New Brunswick who have gained the reputation over the years of producing good hockey teams.

PIERRE Sallenave, former professor of French and Spanish at Saint Dunstan's is coach of the New Brunswickers. Coach Hilton told us yesterday that the Tommies are venturing into intercollegiate basketball on an exhibition basis only at the moment to see if they have a strong enough squad to compete in the league.

Their top player is Ken Gould, top scorer with the Mount Allison varsity team last season and Hilton also mentioned that they have a couple of other players on the team who stand over six feet.

Optimistic Of Chances

ED says his players are optimistic about their chances of making the playoffs this year and told us that for the first time the Maritime champions will vie for national honors.

The Saints aren't as strong as they were last year what with the loss of their top scorers Len Sirois and John Heine. Sirois is still at the college but is ineligible for intercollegiate play this season.

The Saints' coach has five players from last year's team, captain Joe Sassi, Frank Garrity, one of the best defensive players in the intercollegiate conference. Robert Francour. Larry Farrell and Don Desroches. Sassi, Francour, Farrell and Desroches are all from Rumford, Maine and Garrity hails from Westfield, Mass.

Walter Buotte, who saw limited action with the varsity team last year and Fred Ripley, a first year man, are also from Rumford.

Other first year men on the team are Gene McLaughlin of Bronx, N.Y., Dan Eaton, Kennebunk, Me., Martin Corcoran, Sydney, N.S., the biggest man on the squad at 6 ft. 3 ins. and weighing 190 pounds.

There are also three Charlottetown players making it for the first time, Phil Mullally, Pete Grant and Harry Callaghan. All three have been with junior varsity for at least two years.

West All-Stars Slight Favorites

LOS ANGELES (AP) — The Western Division all-stars were made slight favorites Friday for the National Football League Pro Bowl Sunday but West coach Vince Lombardi must wonder if the law of averages will be working against him.

The head man of the champion Green Bay Packers has coached in 2 games this season including exhibitions, and 21 times has come away a winner. Now for No. 23 he has assumed command of a Western all-star team that has an 8-4 edge over the Eastern Division squad in the annual game at the huge Coliseum and has won the last three.

Eight of the 33-member Western squad are Packers, the nucleus of the same outfit Lombardi battled to keep "up" week after week going all the way back to early August when Green Bay preparations began for the game with the College All-Stars.

"Mental attitude is 75 per cent of this game," Lombardi said, echoing a sentiment of his opposing coach, Allie Sherman of the New York Giants.

"Pride of division figures into this game, so you know mental attitude is going to be especially important. And you also know that the Eastern Division's pride is just as important to them as it is to us."

Lombardi is fully aware that the slight, scholarly Sherman — also a former Giant assistant and one - time Winnipeg Blue Bomber coach—would like nothing better than to break his losing streak against the Packer boss. Vince has whipped Allie in the last two NFL title games and last year coached the West to its 31-30 victory over Sherman's' East squad.

John Unitas of Baltimore, who threw the pass to Jon Arnett that won last year's game in the last two seconds, is back to head a Western attack that also will feature quarterback Bart Starr of the Packers, Dick Bass of Los Angeles, Tommy Mason of Minnesota, San Francisco's J. D. Smith and the league's player of the year, fullback Jim Taylor of the Packers.

For receivers, Unitas and Starr will have the Colts' Lenny Moore, Gail Cogdill of Detroit, Ron Kramer of Green Bay, Jim Phillips of the Rams, and Mike Ditka of Chicago.

Sherman is expected to go with a starting backfield of his own, Y.A. Tittle at quarterback, Cleveland's Jim Brown and St. Louis' John David Crow as running backs, and Washington's elusive Bobby Mitchell as flanker. Don Perkins of Dallas will start if Crow's injured right ankle doesn't improve.

Besides Mitchell, Tittle's main receivers are Sonny Randle of the Cards, Preston Carpenter of Pittsburgh and Yat's New York teammate, Del Shofner, who is delaying his honeymoon in order to play in the game.

Kidd, Milers Are Feature Of Boston K Of C Games

BOSTON (AP)—Bruce Kidd, and a pair of sub-four minute milers feature the 37th Boston Knights of Columbus Games tonight which inaugurates the major indoor track circuit amid bitterness and bewilderment.

A streamlined program has been forced upon meet director Ding Dussault by the expected withdrawal of all 18 college relay teams.

The AAU-NCAA fight for control of amateur athletics is behind the mass exodus.

Some coaches and their charges caught in the middle, don't know exactly where they stand except they are disappointed.

Dussault says the meet is on as if the colleges and schoolboys never had entered, putting sharper focus on the trophy events.

"This will be the big test to determine whether the track fan really prefers quantity or quality," Dussault said. "We've got the quality."

KIDD BRIGHTEST STAR

Kidd is the 19-year-old Toronto sensation who may be the biggest single drawing card. He returns to the two-mile in the meet where he set a record two years ago. Kidd, hampered by a foot injury, finished a stumbling third last January.

Irish-born Pete McArdle, who chased Kidd to the K. of C. record run, will be on hand for a return engagement along with Dave Ellis of Toronto and Glynn Wood of the Quantico Marines.

Bill Dotson of Kansas (3:59) and Finland's Olavi Salonen (3:59.4) are two of history's 36 athletes clocked in less than four minutes for a mile.

The event will be the Finn's indoor debut.

Others pushing them will include former IC4A champion Steve Paraynа of the Marines, Brampton, Ontario's Jim Irons, a British Empire games finalist, and Dave Mallady from Chicago.

The 1,000 yard test pits American record holder Ernie Cunliffe against his Toronto counterpart, Bill Crothers. Both have won K of C. crowns here. Marine Jim Paar and Toronto's Ergas Lops also are entered.

Penguins, Eagles Tangle Sunday

Old Spain Junior Penguins, fresh from a victory over league-leading Sandy's Royals invade RCAF Summerside rink Sunday afternoon with one solo thought in mind, to avenge a setback suffered at the hands of these same Eagles a week ago Thursday at the Sports Arena.

The score of that game was 4-2 in favor of the airmen.

The Eagles on the other hand have been going strong in the past couple of weeks with a couple of victories along with a 4-4 tie against Prince County Combines Friday night at the Stadium.

In all probability they have set their sights higher than the third spot where they now stand and will again try to make the Juniors their victims.

Dart League Resumes Play

The City Dart League got underway Thursday night on two fronts following a holiday season layoff. Four teams saw action.

The Railway Club played host to the Legion team with the Legion sweeping the five-game set. The Airforce Ass'n. home to a team from the Garrison Sergeants' Mess, won two games while the visitors emerged with three victories.

The fifth team in the league, Main Brace, drew a bye Thursday. Games are played every Thursday night with one team idle every playing night.

League play will continue till March, at which time playoffs will commence.

Eagles, Combines Battle To 4-4 Draw At Stadium

SUMMERSIDE — The RCAF Eagles and Prince County Combines fought to a 4-all draw at Civic Stadium last night in what was one of the best games of the 1962-63 season. The Eagles scored the first three goals, and the first period ended 3-1 in their favor. Each team fired a counter in the middle frame, making the score 4-2.

Two quick goals by the Combines, 10 seconds apart, knotted the count and set the stage for as fast and hard-fought a 12 minutes of play as has been seen at Civic Stadium for a long time. Each team had narrow squeaks, but goalers Irv Walsh and Thane Mann held off the invaders with some top-grade net guarding, and the game ended 4-all.

Doug Tucker scored two goals for the Eagles, the first two of the game. He was at the left corner of the crease to bang MacDonald's rebound past Mann at 5.34, and six minutes later he corralled his own rebound off the backboards to sink a fairly long, but blistering shot into the mesh.

With Vance Harris doing a 2-minute stretch, Leith Ellis made it 3-0 with a close-in shot. Two minutes later the Combines got out of the goose-egg bracket, Greg Deighan taking a pass from back of the net to fire one past Walsh.

The Combines ran into five consecutive penalties in the first half of the second period, culminating in a game misconduct to Ulric Gallant for sounding off too loud and clear to referee Don Whelan.

While Garth Harris was serving the last of the minors, Ken MacDonald tipped in Tucker's long shot to make the score 4-1. Greg Deighan was sidelined with a knee injury shortly afterwards, and the Combines cause began to look hopeless, but Deighan recovered to play in the third period. Alger Cutcliffe scored at 12:16 of the second period to make the score read 4-2.

The Combines struck for two quick ones, after seven and a half minutes of play in the final frame, both the result of nice three-way passing plays. Ev White banged in a short rebound at 7:36 and ten seconds later Garth Harris slapped the puck behind Walsh as it was crossing the goalmouth. This ended the scoring.

Referees Whelan and Joe Coyle handed out eight minor penalties, Combines getting six of them besides the misconduct penalties given to Gallant.

Top Team Will Enter Mar. Series

SUMMERSIDE — A meeting of the executive of the ISHL was held in the Canadian Legion Home in Summerside last night with the president Dr. Hilliard Clark, in the chair. It was decided to allow the team which is at the top of the league after the completion of the nearest round robin to the beginning of the Maritime playdowns to enter the playdowns, and to return later to complete the Island League and declare a champion in it. This might take place on Feb. 15 or March 5.

It was decided that unless there was a sufficient number of teams in the Senior "B" bracket, on the mainland, the ISHL would register Senior "A".

Another meeting will be held in two weeks' time to make other decisions regarding playoffs. The Penguins were not represented at the meeting, and the decision to let the top team enter the Maritime play-offs was decided by a 2-1 vote, Royals and RCAF against the Combines.

Brown Charges Breach Of Pact

CLEVELAND (AP) — Paul E. Brown, shunted from coach and general manager of Cleveland Browns to a vice presidency, said Friday president - owner Arthur Modell has breached his contract.

"The entire matter is now in the hands of my legal counsel."

Brown said he did not have any idea what action his attorneys might take, but that future decisions were up to them.

"So far as I'm concerned, I'm still under contract." Brown said.

"Under the terms of that contract I can't seek another job, and no National League team would be allowed to dicker with me."

Modell said Friday he had offered Brown a terminal contract settlement, involving a cash sum and other payments over a period of years, but Brown said no satisfactory offer had been made.

Bonus Offer Made Tougher

PALM SPRINGS, Calif. (AP) —Golfers in the Palm Springs Classic will be offered a $50,000 bonus for a hole-in-one again this year, but there won't be any payoff unless the ice is scored on one of four designated holes.

The holes were named Thursday by Lloyds of London, which annually sells tournament sponsors an insurance policy guaranteeing the payoff in event of a hole-in-one.

In previous years a golfer could win the bonus by scoring an ace on any hole in any one of the four courses used in the 90-hole tournament. Joe Campbell turned the trick in 1960, Don Januzy in 1961 and Dick Mayer in 1962. But the insurance premium paid by the sponsors kept going up every year. This time they decided to make it tougher.

The four $50,000 holes will be the 230-yard No. 4 at Bermuda Dunes Country Club, the 217-yard No. 12 at Eldorado, the 220-yard No. 6 at Indian Wells and the 240-yard No. 14 at Tamarisk.

Terry Sawchuck's Injury May Be Costly To Wings

By THE CANADIAN PRESS

What it cost Detroit Red Wings to beat Montreal Canadiens 3-2 Thursday night may be known tonight when they play second place Toronto Maple Leafs.

Detroit goalie Terry Sawchuk injured his right ankle in the pre-game warmup when it was accidentally hit by teammate Bill Gadsby's skate.

But Sawchuk, a 33-year-old veteran, stayed on the ice until the 16-minute mark of the second period when the injury was aggravated and Detroit's sub goalie Dennis Riggin replaced him. Riggin played a brilliant game, stopping 11 Canadien shots.

Coach Sid Abel said Friday that x-rays revealed Sawchuk's ankle was just bruised. Sawchuk would be in the net when Wings meet the Maple Leafs in Toronto, he added.

LIMPED BADLY

Whether Sawchuk will be up to his usual form won't be known until then, but after Thursday's Wings - Canadiens tussle he was limping badly.

Fourth-place Detroit's win snapped the Canadiens' 10-game unbeaten streak and boosted them to within two points of third-place Montreal.

Earlier in the season, Canadiens ended a Detroit series of 10 unbeaten games with a 4-1 victory.

Boston Bruins, who toppled the league-leading Chicago Black Hawks 5-4 Thursday, will meet Canadiens in Montreal tonight.

Bruins, who hold down last place in the NHL, defeated Chicago in a wild, fist-slinging contest. The game marked the first time in eight meetings that the Bruins had beaten the Black Hawks.

Jean-Guy Gendron was top scorer for the Bruins, picking up three points. He scored one of them in the first period and assisted on another scored by Tom Williams.

In the other NHL game tonight fifth-place New York plays top-ranked Hawks at Chicago.

On Sunday, Toronto plays at Boston, Montreal at Chicago and New York at Detroit.

Hoop League Opens Tonight

The P.E.I. Senior 'C' Basketball League gets its season underway tonight at the YMCA with a doubleheader on tap.

The first game, which is slated for 7 o'clock sees HCP play Pirates followed by a contest between Phalanx and PWC Welshmen.

Ft. Augustus Takes Game

Fort Augustus defeated Hope River 12-4 in an exhibition hockey game at Saint Dunstan's rink last night. Willie Dunn and G. Murnaghan paced the winners with 3 goals each. J. MacDougall and D. MacKinnon fired two each with J.M. MacDougall and D. MacDonald counting singletons.

For Hope River it was J. Pineau 2, Gallant and Kennedy.
