**Mammoth Ice Carnival Held At Montague Rink Last Night**

A very successful mammoth carnival was held at the Montague rink last night when a large number turned out for an event dressed in all sorts of outlandish costumes. All the costumes were good, and many required a great deal of preparation before the event which showed considerable interest on the part of those getting ready for the occasion.

In the children's section the prize for best girl went to Marlene Kilsen, North River, dressed as Purina; best boy, Cecil Fraser, Montague as an Indian; best couple, Elaine and Ken Docherty, Montague, as Shamrocks; most original Glenda Kilsen, North River as Bo Peep; and most humorous, Rena Yeo, Kingston, as Grandma.

In the adult section the prize for the best adult went to Raymond Vickerson, North River, dressed as King Cole; best couple to Eileen Annear and Bunny Hewitt, Lower Montague, as Bride and Groom; and most humorous to the two hilarious clowns, Errol Green, Clyde River, and Orman Yeo, Kingston.

**Death Of Mrs. James Larkin**

The death occurred early yesterday morning of Mrs. James Larkin of Montague at the City Hospital in Charlottetown following a lengthy illness. The deceased was in her 50th year.

Besides her sorrowing husband, she leaves to mourn five children, William James, John and Gladys at home and Franklyn at Halifax. Also surviving are her mother, Mrs. Ada Peters of Antigonish, two brothers, Glen of Moncton and Archie of Antigonish, and three sisters, Gladys and Violet of Antigonish, and Margaret, Mrs. William Hennigar of Montague.

The funeral will be held at 9.30 Saturday morning from St. Mary's Church, Montague. Interment will be in the church cemetery.

**SUPPORT PRICES**  
The brief repeated the request of a year ago for a statement of policy on price supports which would indicate which commodities would automatically benefit and under what terms and conditions. A floor price on poultry meats was asked for as was the renewal of the 36 cents floor on Grade A medium eggs.

**FRUIT AND VEGETABLES**  
Protection was asked for Canadian fruit and vegetable growers who find their markets swamped by American production, production which is subsidized in some cases by the provision of power for irrigation at very low rates.

**HEALTH INSURANCE**  
The brief again recorded the
