Local and Other Items.

BAD STATE OF AFFAIRS.—Mrs. Rose Walsh, in Brooklyn last Friday, gave carbolic acid to her two-year-old son and then drank some herself. The woman's husband asserts that his wife was addicted to the use of intoxicants, and that this was the cause of her committing the murder and suicide.

ANOTHER MESSIAH.—Having read in the Bible that passage which says, "Out of the stem of Jesse there shall come a branch," John B. Branch, of Waterville, Maine, now asserts that he is the Messiah, and is to effect the evangelization of the world in ten years. He already has twenty-five followers, who were baptized secretly because of threats of riding him on a rail.

SONS OF REST.—"The Sons of Rest" is the name of a club of youths in Bristol, England. One of the members was lately arrested for the theft of an umbrella, and during the trial the secretary admitted the Sons of Rest had solemnly bound themselves together not to work until they were eighteen years of age. That club must have many affiliated youthful members in this country.

CHANGES IN THE STAFF.—The University of St. Joseph's College, Memramcook, re-opened its door a few days ago, with 140 names on the register. During the vacation a few changes have been made in the college staff. Rev. William McNamee, C.S.C., replaces Rev. A. O'Neill as prefect of English studies. Father O'Neill still remains on the board of professors and will now devote most of his time to literary pursuits. Rev. S. J. Arsenault replaces Rev. Father Mariel as prefect of discipline.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

KELLY'S CROSS NOTES

The farmers of this section are well advanced with their harvest, and the prospects are good for an abundant yield.

Miss M. A. Kelly, of Charlottetown, spent Sunday with her friends in this vicinity.

Miss Mary E. McDonald intends leaving Thursday for Uncle Sam's domain. Miss McDonald was a general favourite amongst all who had the pleasure of her acquaintance and her numerous friends unite in wishing her bon voyage.

CLARKE'S KOLA COMPOUND CURES

A Child That Suffered From Asthma Almost Since his Birth.

Mr. James Paterson, 52 Princess ave., Victoria, B. C., writes: "Our boy, who is just nine years of age, has been troubled with asthma almost since his birth, which has been continually growing worse in spite of all the medical aid we could procure. Our doctor bills have been very large each year; neither myself nor my wife have had a full night's sleep during the last year of his trouble, having had to poultice and give him medicine to keep him from choking. We heard of a neighbor who had been cured by Clarke's Kola Compound and resolved to try it, with the result that to-day our child is completely cured, not having had an attack since taking the second bottle, almost a year ago. He has grown very fast since and is now quite strong and healthy. We felt very grateful to Dr. Clarke for the discovery of this wonderful remedy, as it has saved our child's life." Certificate correct by Messrs. Hall & Co., druggists, Victoria, B. C., from whom the medicine was purchased. Three bottles of Clarke's Kola Compound are absolutely guaranteed to cure any case of asthma or hay fever, or money will be refunded. Free sample bottle to any address mentioning this paper. Address the Griffiths & Macpherson Co., 121 Church street, Toronto, sole agents for Canada. Sold by all druggists.

Clarke's Kola Compound has permanently cured more cases of asthma than all other remedies combined.
