Magic Healer Salve.

WEST CAPE, August 4, 1890. Mrs. Ross—I wish to inform you that your "Magic Healer" Salve has proved a sure cure for Salt Rheum. A young lady residing in my house tested the Salve, and found it the best article she ever tried, after using other Salves without doing any good. I recommended her to try the "Magic Healer," and before using half a box, the Salt Rheum disappeared. I cheerfully furnish the above facts. And remain yours. ALFRED McWILLIAMS.

BENS DORP'S ROYAL DUTCH COCOA.

BENS DORP'S Royal Dutch Cocoa has a most enviable reputation the world over. It is manufactured at Bensdorp & Co.'s extensive works in Amsterdam, Holland. The excellence of the beverage is not to be wondered at, considering the care exercised in its production. The beans from which it is manufactured are the product of one of the famous South American plantations, exclusively. The crop is shipped to the factory, where it is carefully picked, roasted and ground; the grease is then extracted by hydraulic pressure resulting in a powder entirely free from oil and moisture, which completes the manufacture. The product is then put up in parchment papers and in turn enclosed in hermetically sealed tins, which preserve it from deterioration in any climate. It is so highly appreciated at court that it is manufactured under Royal Letters Patent of the King of the Netherlands, by whose special command it is known as the "Royal Dutch Cocoa." The Royal family of Great Britain are constant consumers and prefer it to any other. Bensdorp's Royal Dutch Cocoa is for sale in Charlottetown by Geo. Carter & Co. Dec 15, 1890.
