An Open Letter From Premier Jim Lee

To The Students of 2nd Queens and 4th Prince

Dear Students

The progress of any province rests with its youth, and it is the primary concern of this government to ensure that they have ever-increasing employment opportunities.

The labour force has increased on P.E.I. during the 1982-85 period from 52,000 to 62,000, and we now have the highest employment rate in Atlantic Canada.

Of particular interest to you is the building of the Veterinary College which will provide a needed service in the development of agriculture and other natural resources. It will also attract new funds, talent, prestige, and business to U.P.E.I., and jobs for Prince Edward Island.

The PC government can build upon its initiative with the support of students from 2nd Queens and 4th Prince in the provincial by-elections, December 2, 1985. With Leonard Cusack and Phyllis Green on the PC Team in the Legislature, we can progress further.

The U.P.E.I. PC Youth Federation has arranged for transportation of supporters to their respective ridings on Election Day. If you require assistance, please call their office at 892-4717.

Thank you.

Sincerely yours,

Jim Lee
Premier

On Dec 2 Vote PC

Authorized by Nelson Hagerman, Official Agent for the Progressive Conservative Party, Charlottetown, P.E.I.

This is a paid political announcement
