U.S. dollar bid 96 3-16; asked 96 7-32.

TORONTO

TORONTO (CP) — The stock market romped ahead Tuesday behind base metals in the heaviest trading since July 22.

Base metals closed at a 1958 high. Final volume of 3,992,000 shares compared with Friday's 3,622,000.

Base metals rallied on news of an increased custom smelter price in the United States Monday and an announced production increase by one of that country's leading producers.

Hudson Bay, adding 2 at 51 and International Nickel 1 at 80, led the section. Noranda was an exception, off 1¼ at 45¾.

Senior golds were strong with McIntyre up 2 at 85 and Hollinger 1½ at 24¼ leading.

Gains of ¼ to Pembine, Royallite and Calgary and Edmonton resulted in western oils closing ahead.

Index gains: Golds .90 to 83.81; base metals 2.27 to 167.58; western oils .14 to 139.57.

MONTREAL

MONTREAL (CP)—Gains outnumbered losses on the Montreal and Canadian stock exchanges Tuesday. Changes ranged to around a point.

The oil and pipeline group, however, was weak. Trans Mountain dropped a point to 57, Interprovincial Pipeline was off ¾ at 50 and McColl went down ⅝ to 59. But Trans Canada strengthened ½ at 33.

A strong tendency showed itself in the utilities, steels and papers. Quebec Telephone listed 1⅜ to 26¾ and one - point gains were made by Jamaica at 38 and Ontario Steel at 21½. The papers were led by ½-point gains by Howard Smith at 35 1-2 and St. Lawrence Corp. at 14.

Prices were generally mixed throughout the balance of the industrial list. Acadia Atlantic A gained a point at 21.

Senior mines featured a gain of 1¼ by Hollinger at 24¾.

Changes in the strong penny group were in a narrow range. But Copper Rand went up 10 cents to 2.35 as New Hosco slipped 15 cents to 3.05.

Industrial volume was 72,900 shares, mines and oils, 351,300.

Closing averages show banks changed at 52.71, utilities up 1.0 at 141.1, industrials unchanged at 275.1, combined up 0.4 at 230.5, papers up 2.9 at 385.0 and golds up 2.13 at 73.18.

Planned Community

Blue roofs are taboo in Thorncrest Village — Toronto's first planned community. All house plans have to be approved — so do the house-owners. But Thorncrest's 180 families think it's the perfect place to live. Resident Jack Dyce tells why, in our Weekend magazine section.

Gems from the Beach

Dull stones into gleaming gems is the secret of their success. Picked off the coast of the Bay of Fundy, these agates became part of the handicraft exhibit at the Brussels World's fair. Read how jewellery works-of-art have brought fame and fun — and profit too, for one Nova Scotia couple.

It wasn't all work at the 9th Lambeth Conference of Anglican bishops. Problems were discussed but so were autographs signed
