Mr. and Mrs. John MacPherson and family of Charlottetown, spent the holiday visiting friends in Valleyfield.

Mr. and Mrs. Leslie Stewart and family were Sunday visitors of Mr. and Mrs. Archie Stewart, Valleyfield.

Mr. Harry VanBuskirk is once again making his regular Saturday night trips to Montague, transporting the people for a night's shopping and pleasure enjoyed by many.

The farmers of Valleyfield and surrounding districts have started working the land in preparation for seeding and planting. However, this spring's operations were held up somewhat by late potato shipping as well as cold unfavorable weather.

Miss Marguerite MacDonald is convalescing at her home in Valleyfield after a recent operation in the Toronto hospital. Her many friends are glad to know that she was able to make the trip home and that her health is improving steadily.

With the fishing season well under way the Valleyfield stream has once again become a centre for those who follow the sport with the hope of landing the big ones that are known to be there. However the fish are choosy this season and only the experts can lure a good sized trout while the amateur must be contented to tell about the big one that got away. It is hoped the gravel washing that takes place annually further up stream will not be started this year as it has a serious effect on the sport of fishing so popular in this area.

SHALFLETT, Isle of Wight, England - (CP) - A hen here hatched more than 100 chicks at the top of a 20-foot tree.

NOW IN STOCK, at the Montague Electric Co., quality 5-heat hot plates. Only \$9.50.
