EXHIBITION ASSOCIATION MEETING.

There was a good attendance at the annual meeting of the Charlottetown Driving Park and Provincial Exhibition Association in Masonic Temple last night.

The report of the directors and a financial statement showing the position of the Association were submitted. The financial statement was published in THE EXAMINER several days ago, and need not be repeated.

The directors in their report stated that during every effort made to minimize the expenditure of the objects for which the Association was particularly formed, it has been found impossible to do so without making the receipts an expenditure balance.

Reviewing the results of operations for the last five years are of opinion that the average annual income during that period is not likely to be larger during coming years, and they can hold out no well-grounded hope for improvement in this respect.

Under that contract for a term of five years, the Provincial Government at the time of the Association's formation has expired by lapse of time. Under that contract the Government agreed to pay \$2000 a year towards the prize list for the annual Provincial Exhibition, which amount was to be supplemented to the extent of \$1000 a year, while the Exhibition was to be managed by the Association.

In the interests of the shareholders, the directors could not recommend a renewal of the contract on the old terms, and said they did not think the Association should be called upon to pay any part of the prize list. They recommended that prompt action be taken in this matter.

The exhibition of 1894, the Directors pointed out, was a very good one. Under the management of the Association, there has been yearly in the most important departments a steady and marked improvement. This has been particularly the case in several classes of live stock and in dairy products.

The directors also showed that they endeavored to get a midsummer race meeting on Dominion Day. But the classes did not fill, and the meeting had to be cancelled. The autumn races, however, were fairly successful, there being competition in all the classes.

As to the Halifax Association having appropriated the Charlottetown race, a matter of horses which would otherwise have taken part in our races were not so many starters, or as interesting races as there would have been but for the action of that Association.

In this matter the directors have taken steps by entering into correspondence with Associations in the other Provinces, to prevent for the future the closing of races, and for the formation of a Maritime Circuit for next season, as whether there is an Exhibition or not, the directors are of opinion that the race can be held with a fair prospect of financial success.

A good deal of discussion took place on the report, that of it touching the necessity of renewing the contract with the Government coming in for special attention. The report was adopted.

A resolution was carried to the effect that seven members be appointed to confer with the Government in conjunction with the directors as to future exhibition.

The following were appointed: Thomas Handran, Charles Palmer, L. L. Beer, John Richards, John Newson, T. H. Hayward, and W. D. Coffin.

The balloting for directors for 1895 resulted as follows: Judge B. R. Fitzgerald, P. Blake, F. L. Haszard, J. J. Davies, B. Rogers, F. H. Beer and Hector McLod.

W. C. T. U. ANNIVERSARY.

The Women's Christian Temperance Union anniversary meeting in the Baptist Church, last evening, was a decided success in every respect.

The church was filled with a deeply interested audience. Rev. W. Haszard occupied the chair, and with him on the platform were a number of clergymen and ladies.

The proceedings were opened by the choir singing "For God and Home and Native Land." Mr. Haszard presided at the organ. Then the chairman made a brief address, in which he referred to the good work being done by the women of the Union.

Rev. D. Sutherland followed. He spoke of the progress of temperance reform, and in this connection pointed to the good work being done by the ladies. He thought that if the men observed the teachings of the W. C. T. U., Charlottetown would become a ideal city, the town would be purified, and the sun of prosperity would shine over the whole Province.

After Miss Josie Steinfeld had read "The Wine Cup," Mrs. Matheson, secretary of the Union, read her report. The report was very interesting. It showed that the society was reorganized here in 1890 with twenty members; but now there are fifty members, and about twenty-two thousand pages of literature have been distributed.

The daily papers have afforded space for Union literature; and a set of temperance textbooks has been placed in each of the lectures have been held under the auspices of the Society during the year.

Rev. G. M. Campbell followed, speaking in approval of the Society, after which the meeting closed with singing and benediction.

"THE VENERABLE BEDE."

This was the subject of the lecture delivered by Rev. Father McMillan, of St. Theresa, last evening, before the A. O. H. It is needless to say that the subject is a deeply interesting one.

Father McMillan took his hearers in imagination to the fountain head of the great stream of English literature. He graphically described the times and some of the great men contemporaneous with the Venerable Bede. The tone of the lecture was earnest and religious. There was a large audience, and a hearty vote of thanks was unanimously voted and conveyed to the learned lecturer by President O'Keilly.

THE HOCKEY MATCH.

This match game of hockey played in the rink last night between the Victorias and Charlottetown was witnessed by a large number of spectators.

This match was played according to the latest Canadian League rules, the goal posts being placed six feet apart, instead of three, and the "puck" being "skilled" in a different manner. The six-foot goal is an improvement, as both sides score often, thus making it more exciting for the onlookers.

The match was particularly exciting, the goal posts being placed six feet apart, instead of three, and the "puck" being "skilled" in a different manner. The six-foot goal is an improvement, as both sides score often, thus making it more exciting for the onlookers.

The next half was very exciting. Like a "thing possessed" the puck skimmed over the smooth ice, the players dodging, falling and twisting themselves in a manner that would put to shame many professional acrobats, while the crowd yelled and cheered "to beat the land."

By goal play Wheat shot a goal and tied the score. But in a few minutes the Victorias scored again, and during the rest of the game outplayed their rivals four to one. The goals were made by the following:—

Victorias—Brehant, 4; Pickard, 3; and Haszard, 2.—9.

Charlottetown—Wheat, 2; Johnson, 2; and Large, 1.—5.

Carroll Weeks refereed the match to the satisfaction of all, and Messrs. D. McDonald and F. McLean, made capital umpires. The Citizen's Band rendered excellent music.

A SCOTTISH OBJECTION.

St.—In regard to the W. C. T. U. anniversary held in the Baptist Church last evening, as quoted in the Guardian this morning, I take exception to a remark made by the Rev. D. Sutherland in regard to Scotland. He says, "Less than a hundred years ago in Scotland, the land of Knox and the Covenanters, &c., &c., was thought disrespectful to rise from the maner table in a sober condition."

Where did the rev. gentleman get this information? Will he kindly explain whether his remarks were applied to all Scotland, or only to his limited circle? If Scotland as a whole, then he is entirely wrong, and he has allowed his imagination to run away with his usual good sense, and really is not worthy of a denial. If to his limited circle, as a matter of charity, he ought to have kept his knowledge to himself. As a Scotchman, I object emphatically to our country being held up by any public speaker, be he Rev. or not, as an object of approbrium in this matter.

It is a foul bird that defiles its own nest, and no true Scotchman would hold up to ridicule "that proud country with its noble history." Scot.

AN ENJOYABLE TIME.

Among the many enjoyable evenings, spent by the young people of Hazel Brook and Mount Allison, that of Jan. 24th will be long remembered. A basket social and musical entertainment under the auspices of the Mount Allison "Glee Club," took place at Mr. George Myers, Miss Cassie Wood assisted by Miss Hettie Ballen, presided at the organ, and in a very commendable manner played some choice pieces.

The most laughable part of the entertainment was a solo, entitled "Biddy's Courtship," by Mr. H. Carver and played on the violin by Mr. W. Chandler. After the party of a very sumptuous repast the happy crowd returned to their respective homes; the president of the above named club, Mr. S. Chandler, singing "Jingle Bells."

CHRISTIAN ENDEAVOR.

Hamlyn, President of Maritime Union.
