**MEN OF MARK.**

Martin H. Glynn of Albany is the youngest member of the Fifty-sixth congress, being only 26 years old.

Alexander Henderson of Syracuse has acted as pallbearer at the funeral of 172 of his friends during the last 50 years.

Thomas A. Edison works in overalls and blouse, and visitors to his laboratory usually mistake him for one of the workmen.

Sir Robert Rawlinson, K. C. B., is the only man who was ever knocked out of the saddle by a cannon ball without being killed.

General Miles' seal ring, which is shown in all his half length portraits upon the third finger of his left hand, is of a black onyx stone bearing in monogram the initials "N. A. M."

Emanuel Lasker, the chess champion of the world, is but 31 years old. He comes of a family of players, and his brother, a Berlin physician, is one of the strongest in Germany.

Ex-Senator George F. Hamlin of Kansas is the son of Europe Hamlin and had three uncles whose names were Asia, Africa and America. Vice President Hannibal Hamlin was the son of Africa.

Collis P. Huntington always wears when at work an ordinary black silk traveling cap. This he dons at once upon removing his hat, and his clerks have a story that no man in his employ has ever seen him bareheaded.

The Rev. Herman Augustus Gerdson, to whose unremitting efforts is largely due the success of the Pennsylvania Chautauqua has held the position of chancellor for three years. Under his guidance the Chautauqua work has greatly developed.

William L. Elkins, who is at the head of the great syndicate controlling the street railway and gas privileges of a large number of cities, began life as an errand boy in a grocery store. Mr. Elkins is a native of West Virginia and was born in 1832.

Ex-Secretary John G. Carlisle when preparing a case or a speech mechanically plays solitaire. He will begin sometimes early in the evening and be at the game until long after midnight. Although his mind is on the more serious matter, he rarely makes a misplay.

The terrible scar on the cheek of General Guy V. Henry was received in the Sioux uprising of 1873. "When I was fighting the Indians," he explains, "I was wounded and fell from my horse. The savages didn't seem to think much of my scalp, and so they took my cheek."

Hogarth and Wringe, the Shamrock's skippers, are men just a little over 30 years old, and yet both men have been sailing in class matches for several years. Hogarth has had charge of most of Fairlie's successful boats, and Wringe made another boat of the Ailsa when he took her over from Jay.

Samuel M. Jones, better known as "the golden rule mayor of Toledo," is a native of Wales, born at Ty Mawr on Aug. 3, 1846. His parents came to this country when he was only 3 years old. When a boy of 18, he drifted to the oil regions of Pennsylvania, and in 1893 he made a fortune out of a patent sucker rod.

**A Jury of Women**

Who have tested the merits of Dr. A. W. Chase's Kidney, Liver Pills return the verdict that for backache and kidney disorders there is no preparation in any way equal to this great discovery of Dr. A. W. Chase, America's greatest physician. This great kidney cure is sold by all dealers at 25 cents a box, and has proved most effectual as a remedy for the many ills to which woman is subject.

**POULTRY POINTERS.**

Oats make a good feed for the molting hens.

Peking ducks develop early and are good market fowls.

Fowls on the farm will eat much waste grain and rid the farm of weed seeds and insects.

If there are pullets or cockerels in some of the broods that grow faster than the rest, select them out to keep.

It is well enough to give hens oily food when they are in a low condition or are debilitated from the attacks of lice.

The heavy sitters should have shallow nest boxes and rather flat nests; otherwise there will be many broken eggs.

Generally the pullet that begins to lay earliest in life is the one that will lay the largest number of eggs through life.

If a hen does not hatch until late, it will, as a rule, be better to market her, as late molting hens are rarely profitable.

When good wheat is low in price, the economy of buying screenings is, to say the least, doubtful. They contain but a small per cent of nutriment, while good wheat is a valuable food.

Early hatched pullets always begin to lay in the fall and early winter. They will soon pay for themselves when eggs are scarce and high. Never sell the best of the early pullets.

**Degenerate Cockney.**

The language of the lower Londoner is changing:

"Getch trine?"

"Now. Trine gawn, ent it?"

Translated:

"Get your train?"

"No. Train gone, hasn't it?"

Ent (the old ain't) seems to cover isn't, wasn't, weren't has, hasn't, have, haven't, had, hadn't.—Notes and Queries.

**A Brilliant Finish.**

"I saw him kiss you just before he was leaving," said the sour visaged aunt, and she said it in a regular dull thud tone.

"Yes, auntie."

"Well, I can realize that it would be the last thing he would think of." And she sallied out as though she had scored every possible point.—Detroit Free Press.

**Did Not Dispute It.**

"Your honor," protested the burglar, "I am as honest as the day is long."

"I don't doubt," replied the magistrate. "I understand you fellows transact all your business at night."—Philadelphia Record.

Among every 1,000 bachelors there are 38 criminals. Among married men the ratio is only 18 per thousand.

Force meat is a corruption of farce meat, from the French farce, stuffing—i. e. meat for stuffing.

**Only One More Month**

Our celery will only hold out about one month. Some of the wise ones are ordering a quantity to be kept in reserve for them. We have held on to the best for the last (the famous English Red Celery). In this respect we resemble children who keep the most dainty part of their lunch to the last and as the rate it is going the time will soon come when there will not even be a last. The moral to the above is quite plain; no need to read between the lines it is enjoy it while it lasts.

We also have Hubbard Squash, Cape Cod and Island Cranberries, Spanish & Canadian onions, Brussels sprouts, red & white cabbage, carrots, beets, parsnips, turnips, beans, peas, parsley, etc.

Lettuce and mushroom in a few days at Gays Stalls Market.
