**FOR SALE,**

Valuable Freehold Farms and Building Lots,

near Winsloe Station, Malpeque Road, five miles from Charlottetown.

THE subscriber has been instructed to offer for sale that splendid Property known as Kenwith, formerly the residence of the late Hon. J. M. Hall. The Farm consists of about Six Hundred Acres of excellent land, a large portion of which is cleared and has been for several years in pasture; the rest is covered with firewood and fencing materials. The substantial stone Dwelling House commands a charming view of the country, and is surrounded by beautiful plantations and a park-like farm. It would make a delightful residence for a gentleman and being only five minutes' walk from the station, affords such an opportunity to farm—and yet be within easy distance of Ch'town—as does not often occur.

The property has frontages on the Upper and Lower Malpeque Roads, old North River Road and North River, and will be sold in lots to suit purchasers. For further particulars apply to

**THIS DISCOVERY**

is the result of a series of Scientific Experiments based upon the theory that "for the successful cure of Wasting Diseases, the nervous system must be made vigorous and healthy."

One of the first symptoms of disease affecting either the Liver, Lungs, Heart, Stomach, or Genital Organs, is a loss of nervous power. This is followed by muscular relaxation, weakness, and emaciation of all the organs which depend for health on involuntary muscular action, the weaker suffering first.

Now, as the muscles and nerves depend so much upon each other for efficient strength and action, and as the organs they control depend on both, it becomes an actual necessity to treat the nerves and muscles directly, in order to speedily and permanently cure diseases of the above named organs.

The inventor, acting upon these ideas, after months of experience, during which time he had ample opportunity for trying the effect of his discovery, became convinced that no other preparation known contained so potent and direct an effect upon the nervous system as his

**Compound Syrup of Hypo-phosphites,**

and except in cases of actual organic loss, that it would restore patients suffering from those maladies.

Amongst the diseases overcome by the use of this remedy are the following:—

Chronic Constipation,  
Chronic Dyspepsia,  
Asthma,  
Chronic Bronchitis,  
Consumption,  
Chronic Diarrhoea,  
Chronic Laryngitis,  
Melancholy,  
Nervous Debility

**FELLOWS'**

**Compound Syrup of Hypo-phosphites.**

The power of arresting diseases displayed by this preparation is honorably acknowledged by the medical faculty in every section where it has been introduced; and the large sale is the best guarantee of the estimation in which it is held by the public.

This Syrup will cure Pulmonary Consumption in the first and second stages, will give great relief and prolong life on the third. It will cure Asthma, Bronchitis, Laryngitis, and coughs. It will cure all diseases originating from want of Muscular Action and Nervous Force.

Do not be deceived by remedies bearing a similar name; no other preparation is a substitute for this under any circumstances.

Look out for the name and address, J. I. FELLOWS, St. John, N. B., on the yellow wrapper in water-mark, which is seen by holding the paper before the light.

Price, \$1.50 per Bottle; six for \$7.50. Sold by all Druggists.

CARVELL BROS.

Ch'town, June 27, 1878. pat 4in

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTERS are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind. All other plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different: the instant one is applied the patient will feel its effect.

Physicians in all ages have thoroughly tested and well know the effect of Capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered. Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniments. After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents for one, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.
