Smart Hockey Battle Expected Here Tonight In Islanders-Sydney Clash

All roads will lead to the Charlottetown Forum tonight when the powerful Charlottetown Islanders, leaders of the Maritime Senior Hockey League, meet with the strong Sydney Millionaires, the top team in the Cape Breton Senior Hockey League, in an exhibition clash there at 8:30.

The forthcoming battle, which has been the talk of Maritime hockey circles for weeks is expected to produce one of the top hockey contests of the season, and will settle many controversial arguments that have been much on the "campage, as to which league sports the strongest team in the Maritimes to date.

Hayes To Be Linesman

A special attraction in tonight's contest will be the appearance of George Hayes of the National Hockey League refereeing staff, who will act as a linesman with

Art Perry, Jackie Kane will be the presiding referee. Mr. Hayes is the chief instructor at the hockey school for coaches and referees being held in this City at the present time.

But the big thing that everybody will be looking forward to tonight, will be a top-notch brand of hockey that is almost bound to be the result of the meeting by these two strong, and highly reputed hockey clubs.

Islanders will also have a special axe to grind. In an earlier exhibition meeting with the same club at Sydney this season, the Islanders lost a 3-1 verdict to the money men, and it will be their big opportunity tonight to wipe that defeat off by topping out their rivals here tonight.

Yes, it will be the Forum tonight for smart hockey, and those who like the game will be climbing aboard the band-wagon to take in the big attraction.

Hockey School Decided Success; Concludes Today

The second day's sessions of the third annual Hockey School for referees and coaches went over with much success yesterday when the two instructors, George Hayes of the National Hockey League and Leo Lamoureux, coach of the Charlottetown Islanders, really warmed up to their work and gave some 35 or more students a full day of instructive demonstrations and talks on the art of refereeing, coaching and playing hockey.

The school, a three-day affair under the sponsorship of the Department of Physical Fitness, will be concluded here today with classes in the morning and afternoon, followed by a special dinner that will bring the school to its close for another year.

Taking over his first assignment of the school, coach Lamoureux took attending candidates out on the ice at the Forum yesterday morning where he put them through a two-hour session on the fundamental skills of hockey, which included skating, stick handling, shooting and passing, as well as the many other details connected with the improving and developing of better hockey technique and ability.

It was a well conducted class that saw Lamoureux give the boys impressive and instructive pointers on how the game is played, while Mr. Hayes also was on hand to tie in a few practical demonstrations on rules, offside plays, etc.

Following up on the morning sessions classes were continued on again in the early afternoon back at the Charlottetown, where both Hayes and Lamoureux pooled their experience and knowledge of the game to cover such topics as individual techniques of defensive and offensive play, including pointers on goalkeeping, body checking, forechecking, backchecking, interception etc., and discussions of the rules and their interpretations.

Lamoureux's competent style of carrying out the practical and blackboard periods of his topics under discussion gave attending students a good idea of why he is making such a successful job of

coaching the Islanders team, while Mr. Hayes, with every rule in the book at his fingertips, left nothing to be desired in understanding and applying those rules for the purpose in which they were made, better refereeing and better hockey.

Jack Thaler Granted Release

NEW GLASGOW, N. S., Dec. 12 (CP)—Jack Thaler, controversial defenceman, has been granted his release by Glace Bay Miners of the Cape Breton Senior Hockey League, president Bryce M. Love of the Maritime Amateur Hockey Association announced.

Sam Snead Leads Golfers

CHICAGO, Dec. 12 (AP)—Unquenchable Sam Snead ran his 1930 golf winnings to an official \$35,758.83—the most swag ever bagged by a golf pro in one season.

The baldish, 36-year-old Virginian climaxed his campaign by averaging 69.23 strokes through 96 rounds to win the Vardon trophy.

For the second successive year and for the third time since 1930, the short-spoken golfing genius pulled a "double" by heading the financial list and capturing the Vardon trophy.

In 1948, Snead tapped the till for \$31,593.83 and averaged 69.37 for 73 rounds. Becoming the game's most consistent low scorer after conquering putting jitters, Snead totalled \$67,352.66 in the last two years in the biggest sweep of prize money recorded in the game.

Halifax Gains 6-3 Win Over Moncton Hawks On Three Goal First Period

MONCTON, N. B., Dec. 12 (CP)—Halifax St. Mary's maintained their mastery over Moncton Hawks tonight, scoring a 6-3 win over the Maritime major hockey league cellar dwellers.

Again it was the Santamarians first period striking power which led to Hawks downfall. St. Mary's rapped in three first period goals which paved the way for their win.

Hawks pressed the visitors in the middle frame, doing everything but put the puck in the net, and the final period saw the teams each score three goals. The smallest crowd of the season saw the Hawks go down to their 25th loss in 35 games.

Trent Anderson, who started the season with Hawks and ended up with St. Mary's after stints with Glace Bay Miners and North Sydney Victorias, started the visitors off—scoring the first two goals. Other Halifax scorers were McGregor, with a pair, Ford and Watson. McGregor also assisted on two other tallies.

Cleveland Hurlers Lead League

OHIO, Dec. 12 (AP)—Bob Lemon, Cleveland's star right-hander, was the busiest and winningest American League pitcher in 1950, a season which produced only two 20-game winners in the junior circuit.

Official statistics released today certified Lemon as most victorious hurler with his 23-11 record, and also credited him with most strikeouts, 170; most innings pitched, 288; and facing most batsmen, 1,098.

Bob also tied Ned Garver of St. Louis Browns at 22 for most complete games pitched, permitted most hits, 281, and was 10th in earned run average with 3.84.

The only other 20-game winner was Vic Raschi of the champion New York Yankees, who won 21 and lost eight to finish as the best percentage pitcher with .724.

The best 1950 earned run average for 10 or more complete games was 3.20 notched by Early Wynn, another Cleveland flinger. Wynn, in his best season since 1943, had an 18-8 record. One-time king of A. L. hurlers, Cleveland's Bob Feller (18-11) was third in E.R.A. with 3.43.

"Sugar Ray" Wins Neil Trophy

NEW YORK, Dec. 2 (AP)—Welterweight champion Ray Robinson, considered by many expert observers the greatest fighter of the generation, today was named winner of the Edward J. Nell memorial plaque by the New York Boxing Writers Association.

This is the award that Sugar Ray probably will prize above all others. It is given to the man who has done the most for boxing during the year and is named in honor of Neil, the former Associated Press boxing writer who was killed in 1937 while serving as a war correspondent in Spain.

A superb boxer with a magnificent fight record, the 30-year old New Yorker joins a select company of ring standouts and succeeds Edward Charles, the heavyweight champion who was picked last year.

INGLEWOOD, Calif., Dec. 11 (AP)—Assault heads back to Texas next week—through with the races. So says his veteran trainer, Buddy Hirsch, going through with plans to retire the veteran stakes campaigner to his native King Ranch. This appearance means Assault won't run in Saturday's \$50,000 Sunset Handicap.

Garner 3-1 Verdict Over Visiting Saint John Club In Wide Open Contest

Coach Leo Lamoureux sent his Charlottetown Islanders into their fifth victory in as many games when they decisively Saint John Beavers 3-1 here last night in a wide-open Maritime Senior Hockey League contest that combined rugged body checks and sparkling plays at times that gave a mediocre crowd of fans their full money's worth of fast action.

The win still leaves the Islanders on the top of the League standing, nine points over Halifax Saint Mary's who also improved their standing with a win over Moncton Hawks last night. Saint John remains in third place nine points behind Halifax and Hawks in the cellar seven points behind Beavers.

Goals by Walter Pawlyshyn and Mac Beaton in the first period and another by Beaton in the final session gave Islanders their winning margin.

Buck Whitlock garnered Beaver's lone tally in the second period with assists from Nick Nicolle and Vic Jackson.

Although the game was plenty rough in spots with occasional flare-ups between players, referee Casey Bradshaw and linesmen Art Perry and Jackie Kane kept the game well under control, with only five penalties being handed out for minor infractions. Manny McIntyre of Beavers was put out of the game during the opening period when he suffered a sprained wrist as the result of a body check.

Denris Brodeur handled 32 shots during the game and Hal Gordon of Islanders turned aside 24, with both coming coming up with some sensational saves at times that proved to be one of the highlight features of the game.

With both teams breaking fast, the game went wide open from the opening whistle. Pawlyshyn getting Islanders first marker at the 4:20 mark on a tricky two man attack from centre ice with Bruno "Red" Favero, while at the 12:47 distance in the frame Beaton got the only other tally of the frame.

Beaton tipped in a hard screened shot fired by Larry Travis from just inside the opposing blueline, when Phil Vitale set up the play with a well-directed pass from the opposite side of the rink, also from a position just inside the blueline.

Brodeur and Gordon both looked awfully good on lone breakaways by Favero and Buck Whitlock in the early part of the frame. Favero, who had just gotten back on the ice after serving a minor penalty for boarding, picked up a loose puck at centre ice to race right in on Brodeur all alone, only to have the latter outguess him with a brilliant save. Only a mat-

ter of minutes later, Whitlock intercepted a pass at Islanders blueline to break in on Gordon right in the clear, with Gordon repeating Brodeur's feat of a few minutes earlier to rob Whitlock of an almost certain goal with a startling piece of net tending.

The Islanders held the edge on the play in the second frame, although not by a very wide margin, with Beavers nevertheless striking home with the only goal of the frame, the goal coming off the stick of Whitlock. It was scored at the 5:59 mark, on an aggressive three man attack with Nicolle and Jackson that started from just outside the Islanders' blueline. Whitlock flipping in shot from close in. It had been the first shot on Gordon up to that point in the period.

Beaton's third period tally, which was the final one of the game, was made on a three-way attack from centre ice with Marcel Clements and Hub Beaudry at the 4:40 point of the frame. Clements carried in over the opposing blueline, passing to Beaudry who drilled a hard, high shot at Brodeur who caught it on his chest but let it slip to the ice. Beaton slapping home the rebound.

Phil Vitale, making his first appearance since his recent three-game suspension, came up with a solid performance as the Islanders' back at the blueline, which earned him the best player award for the night, a new hat donated by Henderson and Cudmore, well-known local men's wear establishment.

Lineups:—
Charlottetown—Goal, Gordon; defence, Vitale, Travis; centre, Clements; wings, J. Horeck, D. Horeck; subs, Duchak, McLagan, Trainor, Pawlyshyn, Favero, Beaudry, Beaton, Clements.
