NEW TRIUMPHS OF ROGERS' MEDICINE.

Run your eye over them and tell your afflicted neighbour about it.

[From the Halifax Citizen.]

PUGWASH, August 28, 1865.

Messrs. Rogers & Co.:

GENTLEMEN—Your medicines cured my wife of a most distressing case of hip disease; and as some persons seem disposed to misrepresent the case, I give you the following facts in relation to it; to all of which I am prepared to make oath, and prove by many other witnesses, if necessary.

About three years ago she fell upon the ice, and broke or injured the bone of her hip. She was confined to her bed for upwards of three months. She then recovered and got comparatively well, and continued so for nearly twelve months, when her hip began to get painful, and swelled and broke, and discharged freely, and in great quantities. She suffered most excruciating pain; it broke in three places. The doctors were attending her, but could not cure her; in fact we gave up all hopes of her ever getting well. The doctors told me that she never could recover. We, however, thought we would try your wonderful medicine as a last effort, and she soon began to improve, and in a few months she was able to attend to her domestic duties. The sores all healed up, and she got as well as ever she was, with the exception of a little hitch or limp in her walk.

She died last fall; but there was no symptoms of the old complaint. She was entirely cured of that. She died from other causes.

ARCHIBALD DAWSON.

MAITLAND, August 17, 1865.

Messrs. Rogers & Co.:

GENTLEMEN—Your medicines have cured my wife of a Cancer of the Breast. It had existed about nine months before she began with your medicines, grew rapidly, accompanied by darting pains. No doubt it would soon have gone beyond cure; but by a few months' application of your medicine, she has got entirely well. Your preparations are invaluable, and without hesitation I recommend them to the afflicted.

Yours truly, ALEXANDER GILLIS.

WESTMORLAND, N. B., August 28, 1865.

Messrs. Rogers & Co.:

GENTLEMEN—I with much pleasure add my feeble testimony to the great healing powers of your wonderful Medicines. One of my children was sorely afflicted as follows: There first appeared blotches over her body like ringworms, they spread all over her body, limbs, head and all. She continued in this way for three months. She was really a pitiful sight. The smell from the sores was very offensive. The sores at the end of three months all disappeared, and she became very sick, and so low that no person who saw her thought she would live many hours, and the general opinion was that there was no use to try to do anything for her. We heard of your medicines, and got some, and applied it. The sores again came out as before; but she soon got well, and is now smart and cheerful. Mrs. L. and I can say of a truth this is a wonderful medicine.

Yours truly, ALFRED LAWRISON.

AMHERST, Oct 1st, 1865.

Messrs. Rogers & Co.:

GENTLEMEN—I have been for some time perfectly satisfied as to the extraordinary virtue of your medicine, but until recently have not had any occasion for the use of them. About three months ago, a member of my family was taken down with the acute rheumatism. I immediately applied the use of your medicine. The result is, a complete cure is effected. I am 63 years of age, and have been a great deal in sickness during my life; have seen many cases of acute rheumatism, some of which have resulted in lameness for life, but have never seen so speedy and so hopeful a recovery.

With the most anxious desire that the above medicines may have a world-wide circulation,

I am yours sincerely,
AMOS PAGE.

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after thirty years' experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never-failing success in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in Children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

☞ Sold by Druggists throughout the world.

THE MOST RELIABLE FRIEND!

Holloway's Ointment.

Its Searching & Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs, bad breasts, sores, wounds, and ulcers, its effect is marvellous. For ring-worm, scald-head, scrofula, and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses, in its passage, every part to which it is applied.

Glandular Swellings, Mumps, Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment, twice a day, upon the neck, chest and back. Its acts upon the very mainsprings of life; for through the glands pass all new matter required for the body's reparation and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet, if Holloway's Ointment be briskly and perseveringly rubbed upon the parts affected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon, in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed around the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrofulous Sores.

In all irritations of the skin, sores, ulcers, burns or scrofulous enlargements of any kind, Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Diseases attendant on Childhood.

Diseases incident to early life fall more under the management of the mother than the medical man. Holloway's Ointment should therefore be regarded by her as a "Household Treasure," as it never fails in bringing out the rash in measles and scarlatina; and for the removal of all skin diseases its effect is miraculous. In cases of whooping cough and croup, this invaluable Ointment should be rubbed twice a day upon the throat and chest, and the youngest invalid will derive therefrom the most soothing relief. Two or three of Holloway's famous Pills, reduced to a powder, will augment the curative powers of the Unguent.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions	Elephantiasis	Sore Throats
Bite of Moschetoes and Sand Flies	Fistulas	Skin Diseases
Coco-bay	Gout	Scurvy
Chigoe-foot	Glandular Swellings	Sore Heads
Chilblains	Lumbago	Tumours
Chapped Hands	Piles	Ulcers
		Wounds

DR. KNIGHT'S ORIENTAL HAIR RESTORER,

Is the only preparation in use which invariably CHANGES GRAY AND FADED HAIR TO ITS ORIGINAL COLOR. Its effects are so UNIFORM AND SPEEDY, as to be regarded almost MIRACULOUS.

It gives UNIVERSAL SATISFACTION, a single trial proving its superiority over all other articles offered to the public under similar names.

LIEUT. E. G. WHITE, writes from Eastport, Me., April 17, 1866: "Though but twenty-six years of age, my hair had become quite gray, when, at the suggestion of Dr. Carpenter, I gave your *Oriental Hair Restorer* a trial. In TEN DAYS from the first application my hair was dark and soft as in childhood. I believe no other preparation can boast of such remarkable effects."

REV. EDWARD ORR, writing from Alexandria, Va., February 5, 1866, says: "I am too old to regret that the frosts of winter should glint perpetually in my hair, but to gratify my daughter, I have used your *Oriental Hair Restorer*, and with the happiest results. My hair, which two weeks since was white as silver, is COMPLETELY RESTORED TO THE COLOR AND TEXTURE OF FORTY YEARS AGO. In my daughter's behalf, I thank you heartily."

CAPT. C. C. COWAN, of the "Sea Queen," dates at Bermuda, December 27, 1865: "Your *Oriental Hair Restorer* is looked upon as something miraculous by the people here. Such uniform, speedy, and satisfactory effects have never followed the use of any other preparation."

MRS. OLIVER, of Carleton, N. Y., says in her letter, dated May 9, 1866: "I won't say that I have used your *Oriental Hair Restorer*, for what use can a person of my age have for such things? But my friends have used it, and I have witnessed its wonderful effects. If I ever should get gray, I shall know what to resort to."

Columns might be filled with testimonials like the above, but their publication is not considered necessary. In the preparation of the *Oriental Hair Restorer* the most costly material is used, and no pains are spared to make it an article which shall STAND THE TEST OF ALL TIME.

The verdict of the people is in its favor.
