Richard - MacDonald Wedding

St. Dunstan's Basilica was the scene of a pretty September wedding at 8:30 a. m. on Tuesday morning, Sept 11th when Mary Ellen Catherine MacDonald, R.N., daughter of Mr. and Mrs. Alphonse MacDonald of Tracadie became the bride of Roger Joseph Richard, son of Mr. and Mrs. Gerald Richard of Dieppe, N. B.

Rev. George MacDonald, uncle of the bride, performed the marriage ceremony and celebrated the nuptial mass.

The altar was tastefully decorated with red and white gladioli. The radiant bride looked lovely as she walked down the aisle on the arm of her father, who gave her in marriage. She wore a floor-length gown of white slipper satin with fitted bodice and net yoke. A trimming of white lace formed in a fold off the shoulders and a lace pleatum was attached to the waist. Her finger-tip veil of tulle illusion was held in place with a wedding band headpiece. She carried a white prayer book with rosebuds and streamers of staphanotis.

In attendance were Miss Kathleen MacPherson, cousin of the bride, as maid of honor. She wore a floor-length gown of deep rose satin with net yoke and matching hat and gloves. She carried nosegays of yellow mums.

As bridesmaid, Miss Kay Reid, R.N., classmate of the bride wore a floor-length dress of blue satin net with yoke and matching hat and gloves. She carried nosegays of pink carnations.

John Gaudet of Charlottetown was the groomsmen and the ushers were Jimmie MacDonald and Mr. Rhael Richard.

During the mass appropriate hymns were sung by Mr. Frank McIntyre.

Following the marriage ceremony a reception was held at the Queen Hotel for approximately forty-five guests. The toast to the bride was proposed by Dr. J. A. MacMillan and responded to by the groom.

After the reception the happy young couple left by car on a honeymoon trip to the New England States.

For travelling the bride chose a grey girdling suit with navy accessories. She wore a corsage of pink carnations.

The bride is a graduate of the Charlottetown Hospital School of Nursing and has been employed on the staff of the operating room there for the past three years. The groom is employed with Maritime Central Airways at Charlottetown.

Their many friends join in wishing Mr. and Mrs. Richard many years of happy wedded bliss.

Out-of-town guests included Mrs. Joseph MacPherson and Miss Kathleen MacPherson, Rosebury, Mass., Mr. and Mrs. Gerald Richard, Rhael Richard and Florine Gallant, Dieppe, N. B., Dennis Campbell, Sydney, N. S.

IN MEMORIAM

JOHN DOUGLAS BRENNAN

The death occurred at the Muskoka Hospital, Gravenhurst, Ont., on August 26th, of John Douglas Brennan, of Souris, P. E. I., at the early age of 42 years. The deceased was a son of Mr. J. W. Brennan, and the late Mrs. Brennan, and was a commercial graduate of St. Dunstan's University. For quite a number of years he had been employed by the Ontario Gold Mining Companies, both in Northern Quebec and Northern Ontario. He was very much attached to the work and eventually became an operator of a diamond drill. Unfortunately, he fell a prey to the deadly disease dust menace, which is so prevalent in mining shafts, and as a result his lungs became filled with this dust and silicosis set in. He was then obliged to enter the Muskoka Hospital for treatment where he remained a patient for two years.

Skilled doctors and competent nurses were hopeful that a recovery would ensue, but Divine Providence had ordained otherwise, and on August 26th, he passed peacefully away. His remains were forwarded to his old home at Souris, from where the funeral took place on September 1st, to St. Mary's Church, Requiem High Mass was offered by Rt. Rev. Mgrs. Murphy, P. P., who also officiated at the grave. The pallbearers were: J. B. Fraser, Lee Paquet, Lorenzo Paquet, Michael Lavie.

Besides his sorrowing father, he leaves to mourn the following sisters and brothers: Matilda and Margaret (Mrs. Hicks) of Revere, Mass.; William D. of North Battleford, Sask., and James H. at home. The sympathy of the entire community is being extended to the family in their sad bereavement.

May his soul rest in peace.

Card Of Thanks

Mr. J. W. Brennan and family, desire to convey their sincere thanks to all kind friends who contributed Mass Cards and assisted in any other way. Special thanks are conveyed to Rt. Rev. Mgr. Murphy and Rev. Father Murnaghan for their extreme kindness on the sad occasion.

MOST REV. WALTER FOSTER BARFOOT
New primate of the Church of England in Canada

CONGRATULATIONS ARE IN ORDER FOR EIGHTH PRIMATE AND FIRST FROM WESTERN CANADA
From left, Bishop P. S. Abraham of Newfoundland, Archbishop John Lyons of Kingston, Primate, Bishop G. W. Gibson of Caledonia, Ont., Edmonton, who automatically became an archbishop after his installation, was elected to the Church's highest office by the Electoral College of the Anglican General Synod in session at Victoria, B. C.

Island Odds And Ends

Pulpwood is being moved to mainland points from all over the Province by rail and ship. From Souris alone a fully loaded ship is leaving each week for the north shore of New Brunswick. The vacant land near the Railway wharf in Souris is piled high with pulpwood and trucks are hauling more of it every day to be stacked and await shipment.

The newly introduced regulations aimed at indiscriminate cutting of this type of lumber will probably limit its export to reasonable limits. Up to the present date the income from this source has been very welcome to many Island farms and may offset poor crop returns in many parts of the Island.

Souris wants a road paved from its main street to the Railway wharf. The Provincial Government is understood to have offered to defray 60% of the cost if the town will provide the rest. The Souris Town Council has the offer under consideration. The Town's finances are none too robust, and in this respect it seems to be in the same box as most small towns and cities across the country.

"Bill" Gillespie, the very capable secretary of the Prince Edward Island Harness Racing Club is watching the weather with approval these sunny days. The club is holding its annual Futurities on Wednesday and Thursday afternoons of this week with a record-breaking number of two, three and four year olds entered for the pacing and trotting stakes.

This will be the nineteenth renewal of the Futurities, and the interest and cooperation of breeders, trainers, owners and everybody who loves horseflesh grows keener every year. The Charlottetown Exhibition Association, for instance, turns its plant over to the Harness Racing Club free of charge, and the Provincial Government makes an annual grant.

Yet it is the breeders who really make the Futurities a going concern. Here and there all over the Island colts are being raised, trained and conditioned with no other incentive than the love of good horses, good racing, and clean competition. The purses to be won never do cover the feed bills, the cost of sulks and rigging and the time devoted to getting a colt ready for starting day.

The biggest winner is the public which sees a great meet for a very small outlay.

Saturday coming is the final day of the open season on trout fishing. Plecting together confirmed facts, and giving due allowance for traditional overstatements, the season has been a good one, with more and bigger trout caught than a year ago.

Some favored spots have not been up to expectations but other streams and ponds have been surprisingly beyond anything anticipated. Two places where in recent weeks five runs of sea trout have appeared are Vernon River and Sturgeon.

For more than two weeks many anglers did well at Vernon, hooking many silver bright run-run fish. More recently fly fishermen were landing fifteen or twenty trout per trip to Sturgeon. The Sturgeon fish are classed as possibly the best flavored in the province.

City of Charlottetown officials have been having quite a wrestle with the job of paving School and Orlebar Streets. The days of continuous rain made the diggers' sewer trenches a tough proposition and when this task was ended, the few intervals of sunshine did not

LITTLE HOUSE EMBLEM

A Child Nurse Course is commencing on Thursday 20th, at 4 p.m., Rev. Cross House, Prince St. and will be conducted by Mrs. MacCallum. Be sure to take notes and pencils. If you wish to complete this course before the Royal visit be sure to enrol on the 20th.

If this is the only badge required to complete your Little House Emblem be certain that you take it as it is possible that Princess Elizabeth will present Emblems to those eligible. To obtain the award you must have passed, Needlework, Cooks, Hostess, Homemakers, Laundress and Child Nurse badges. Do you know the story of the Little House Emblem? It was really a Little House that was presented to the Princesses, fully furnished by the people of Wales, and erected in the beautiful grounds surrounding Windsor Castle, England.

The Princesses actually learned housekeeping in the house and cared for it all themselves, and so all the badges for good housekeeping came into being for the Girl Guides all over the world and the whole was called the Little House Emblem. We hope that some Guides here will have completed the work for that highest of awards "The Gold Cord" and will receive them from Princess Elizabeth. I know that many of you will say "Oh, I wish I had done more work in Guides last year". Well, it is not too late, who knows what opportunities may arise during the next few years, so just decide to work all the harder.

Something is always popping up in the Guide world. Many Guides have been inquiring if it is possible for them to complete work for the Gold Cord; well, here are the requirements:

1. A Guide must have First Class Badge.
2. Little House Emblem (six badges).
3. Woodcraft Emblem (4 outdoor badges).
4. Be recommended by Commissioner and Leader.
5. Hold Pioneer, Handywoman, Swimmers, Empire or World Knowledge and two other badges of own choice.
6. Have read Scouting for boys and completed all tests before 17th birthday.

That is what you have to do to qualify and if you are only one or two badges short it may be possible for you to qualify. We have more First Class Guides now than ever we had, how about some more Gold Cords?

ST. ANN'S LOT 65 C. W. L.

The monthly meeting of St. Ann's Lot 65 sub-division of the C. W. L. was held at the home of the president, Mrs. Matthias Murray, on Monday, Aug. 27, with an attendance of thirty-seven members and several visitors.

The meeting opened with the League Prayer and the president occupied the chair. The minutes of the previous meeting were read by the secretary and adopted as read. The president gave a very interesting and detailed report of the Diocesan Convention, the theme of which was, "Peace in the World Through Family Prayer".

Mrs. F. J. Trainor who also attended the convention gave a brief account of the things which most impressed her at the different sessions. The treasurer then gave her report.

A letter received from the Diocesan president, requesting articles for the bazaar in aid of the Charlottetown Hospital was read, and after some discussion it was decided to take four dollars out of the funds and buy cotton to make aprons. Several women volunteered to make these aprons. It was also decided to send five dollars to the Diocesan Treasurer for the Sanitarium Fund.

Twenty women volunteered to clean the Parish Hall at a later date. Mrs. Margaret McCloskey was appointed delegate to attend the scholarship meeting to be held in Charlottetown.

Conveners were appointed to canvass the parish for new members for the C. W. L.

Some discussion took place on having a bingo party in the hall and prizes were requested. Plans were made for the regular series of card parties to be held during the fall and winter months. It was decided that each person having the card party should also supply the prizes, and that a lunch committee be arranged.

It was moved and seconded that the secretary send for copies of the C.W.L. by-laws for each member, also a Primer of Procedure. The meeting was adjourned for refreshments of ice-cream and cake, served by the hostess, assisted by several of the members.

After the refreshments, Rev. Fr. McCormack addressed the meeting. He thanked the members for attending, and asked them to make a special effort to attend all the meetings, and to take an interest in the proceedings. He stated that as all were members of the Mystical Body of Christ, they should be interested in everything that concerns church and country. He asked that Religious Study Clubs be arranged in different parts of the parish, with a special meeting of all the Study Clubs to be held once a month.

A vote of thanks was moved by
