

Senior Class Report

The last general meeting of the Class of '77 was held on Thursday March 10 in the Panther Lounge. There were 30 students present. There are still a dozen jackets left in the bookstore so get yours soon. The price is only \$9.50. Grad rings ordered in the fall will be here around the end of March. Grad pictures should also be here at the end of March. Watch the Cadre and signs for further information. Ken Doiron was chosen as the senior student to present citation for Hon. John Diefenbaker during convocation exercises.

Nominations were taken at the meeting for Class of '77 Valedictorian and for the life class executive. Watch your mailbox for more information. It was decided that an election would be held to choose the valedictorian, life executive and also to nominate people for the: Owen MacDonald Memorial Award, Senior Class Spirit Award, and the "Crescan Serviendo" Service Award.

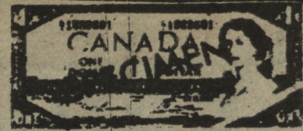

It is very important that you vote for those people who you feel are deserving of the various awards and positions. The election will be held on Wednesday, March 23/77 in the library from 9-5PM. If you do not receive a list of nominees you can get one at the poll Wednesday.

Plans for Senior Week will be discussed in detail at a meeting (dealing with Senior Week Schedule) to be held Monday March 21 at 8:30 in Rm 315, Blanchard Hall. If you have any suggestions about Senior Week please come, or relay your suggestions to a member of the executive.

Best of luck in your midterms and please show up to vote on March 25. Class of '77

McMaster University now has a third option for students interested in proceeding to a Master of Business Administration degree: a co-operative option, whereby students alternate four-month periods of study and relevant work experience. A limited number of applications will be accepted for the semester beginning in September, 1977.

An MBA degree from McMaster could help you to achieve your career objectives in the areas of management, administration, and education because the McMaster MBA program offers a wide range of optional courses (that can be selected to your needs) as well as providing a core of basic knowledge and skills. Although admission is restricted to those who have proven that they have the potential and commitment required to complete a demanding program, graduates in any discipline may be accepted.

Academic standing is not the only entry criterion but, as a general rule, you can have a reasonable expectation of completing the McMaster MBA program if you have maintained at least a second-class standing in the last two years of your undergraduate program and if you can achieve a satisfactory test score in the Graduate Management Admission Test.

Applicants for the McMaster MBA who have taken relevant course work may be granted advanced standing in our program. If you are interested in exploring this challenging opportunity further, fill in and mail this form.

EVERYONE WELCOME

A LENTEN WORD FROM ACT

God has created me

to do Him some definite service.
He has committed some work to me
which He has not committed to another.

I HAVE MY MISSION

I may never know it in this life,
but I shall be told it in the next.

I AM A LINK IN A CHAIN

a bond of connection between persons.
He has not created me for naught.
I shall do good - I shall do His work.

I shall be an angel of peace,
a preacher of truth in my own place,
while not intending it,

if I do but keep His commandments.
THEREFORE, I WILL TRUST HIM

whatever I am, I can never be thrown away,
if I am in sickness, my sickness may serve Him;
in perplexity, my perplexity may serve Him;
if I am in sorrow, my sorrow may serve Him.

HE DOES NOTHING IN VAIN

He knows what He is about.
He may take away my friends.
He may throw me among strangers,
He may make me feel desolate-
make my spirits sink,
hide my future from me - still
HE KNOWS WHAT HE IS ABOUT
