CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 8 1-16 per cent in terms of Canadian funds, down ¼ from Monday's close. Pound sterling closed at $3.03⅝, down ⅝.

NEW YORK

NEW YORK (AP) — Speedy, in-and-out traders cut a stock market rally to ribbons Tuesday, grabbing quick profits and leaving the list in a ragged state. Trading was quite active.

It was the familiar recent story of a rise in the morning and a decline in the afternoon.

Volume was 4,650,000 shares compared with 7,090,000 Monday.

The Dow Jones industrial average, which at 11 a.m had been up 10.04 at 546.31, closed at 535.76 for a net loss of 1.01.

This still left it well above the general level of 520-525, the so-called "support" represented by the market peaks of five and six years ago.

The Associated Press average of 60 stocks edged off .15 to another low since November 1958 of 250.60.

Standard and Poor's 500-stock index lost .13 at 52.32.

Ford, down 1⅝, was the worst loser in its group. Chrysler lost ⅝.

Among Canadian stocks, Walker Gooderham rose 3⅜, International Nickel ¼, Distillers Seagrams ¼ and Canadian Pacific ⅝. McIntyre Porcupine lost 4⅝ and Aluminium Ltd. ¼ and Dome Mines ¼.

It was the familiar recent story of a rise in the morning and a decline in the afternoon.
