

Don't Neglect Your Watch

If you allow your watch to run too long without cleaning, or with damaged parts it may be worn so badly as to destroy its usefulness as a timepiece; better have it examined by your Watch Doctor and if in need of repairs he will advise you accordingly and perhaps save your watch.

WE BOAST on our repair department turning out first-class work only. WE GUARANTEE ALL OUR WORK; if you have not given us a trial it will pay you to do so and we will be pleased to see you at GREAT GEORGE STREET.

HEART DISEASE

A Toronto Physician Says it Never Exists Without the Presence of Some Kidney Disease.

Toronto, June 11.—The number of sudden deaths due to heart disease is appalling. The medical profession is devoting more attention to the heart and its ailments at the present time than ever before, and many physicians are making a specialty of diseases of this organ. A Toronto doctor, who devotes much attention to this branch of his practice, says to your reporter to-day, "I have yet to learn of a single case where heart disease caused death, in which a post mortem examination did not show the existence of Bright's Disease, Diabetes, or some other kidney disease." Dodd's Kidney Pills will cure all disease of the kidneys and thus ward off the danger of heart disease.

OBITUARY.

PASSED AWAY FROM EARTHLY SCENES IN CALIFORNIA.

Samuel McDonald, brother of Mr. Allan McDonald, Cardigan, and Malcolm McDonald, Rustico, Mrs. Ralph Carr, Stanhope, Mrs. Joshua Crossman, Wellington, died on 22nd of March. Speaking of the funeral of the late Samuel McDonald, of St. Helena, California, the Star of that city says: the Methodist Church was crowded on Sunday afternoon with friends assembled to pay their last tribute of respect to the late Samuel McDonald. The news of Mr. McDonald's death was a shock to the community, for while he had been sick a long time the end seemed sudden, for it removed from our midst an honored citizen. Floral offerings were profuse and almost hid the casket from view. The funeral services were held at 2 o'clock, and were conducted by Rev. J. W. Robinson assisted by Rev. H. C. Fallman. The former preached the sermon, eulogizing in eloquent terms the deceased, and the latter offered a fervent prayer in which reference was made to the noble Christian character of the departed.

The long procession of carriages was preceded by thirty members of Pluto Lodge, No 130, Knights of Pythias, to which order deceased had for years belonged. At the grave, Mr. E. L. Cane read the Pythian funeral services. Rev. J. W. Robins offered prayers and all that was mortal of one whom all respected was laid to rest.

Brief reference was made in last week's Star to the life of deceased. He was born in Prince Edward Island and had reached the age of 60 years. He came to this country in 1873 and for more than twenty years had made his home in St. Helena. He leaves a widow and two children, a son, Oswald McDonald, of Fresno County, and a daughter, Mrs. Beatrice Neely, of San Diego. The sorrowing relatives have the sympathy of a large circle of friends who always admired the many noble qualities of him who has gone to his reward.

Torpid Liver Headache

And Biliousness Made Life Miserable for Three Years—Health Restored by Dr. Chase's Kidney-Liver Pills.

Having a direct action on the liver, Dr. Chase's Kidney-Liver Pills are invariably successful in curing liver complaint, torpid liver, and the headaches and stomach troubles resulting therefrom.

Mrs. Faulkner, 8 Gildersleeve place, Toronto, says:—"After doctoring without success for biliousness, liver complaint, and sick headaches for over three years, I am glad to testify to my appreciation of Dr. Chase's Kidney-Liver Pills. At first they seemed a little strong, but being both searching and thorough in their action, amply repay any inconvenience by their results. I am feeling better in every way, and my headaches have entirely disappeared. Dr. Chase's Kidney-Liver Pills are certainly the best I have ever used, and I freely recommend them."

The liver is responsible for very many ills of the human body. It is always made healthy, active, and vigorous by using Dr. Chase's Kidney-Liver Pills. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates and Co., Toronto.

CANADIAN SOLDIERS

Winning the Admiration of Lord Roberts.

Lord Roberts in his reports to the War Office has on more than one occasion alluded to the brilliant dashes of the Canadian troops. "Bobs" evidently thinks the Canadians are the right kind of men, for he keeps them right at the front with him and they are prominent factors in the successful march to Pretoria. The Canadian Boys seem to be in love with their great commander too, for every letter from the boys shows the confidence they have in him and their determination to fight under him. Lord Roberts' tributes to the Canadian soldiers have made him dear to the hearts of all Canadians, for there are few who have not some friend, relative, or acquaintance, fighting with him. Bobs would get a great welcome if he ever should visit Canada.

Our readers will be glad of the opportunity to secure a really handsome portrait of the great general, and we are glad to be able to present such an opportunity. The Family Herald and Weekly Star of Montreal have had painted by one of the World's best artists a truly handsome picture, acknowledged by Military authorities to be the most life-like portrait of Lord Roberts yet produced. It is 17x22 inches, on excellent paper. This picture should be in every Canadian home. In years to come it will be the pride of many a Canadian to say, "My father fought under that man!" Canadian children now growing up will never forget "Bobs," the pride of the nation. This picture is placed within the reach of all. They would sell at one dollar each in any store, but we have made exceptionally favourable terms with the Family Herald by which all our readers can secure it. We offer THE WEEKLY EXAMINER and THE FAMILY HERALD and Weekly Star for the balance of 1900, including Lord Roberts' picture, for the small sum of eighty cents. To our present subscribers whose subscriptions for the year are paid we offer the Family Herald for the balance of 1900 and Lord Roberts' picture for only 60c. If after receiving the picture subscribers who do not think it worth more than the money paid for paper and picture they have the right to demand a refund of the amount. The offer is open for a limited time only.

Atex Surprised Them.

Alexander MacArthur, author of a successful study of life in the Latin quarter of Paris, which brought to the writer both popularity and profit, is also the pupil and biographer of Rubinstein. The author lived for two years in St. Petersburg, corresponding for the London press and taking part in some thrilling adventures, but the most singular of the writer's experiences happened in Chicago after the novel had been brought out by a publisher of that city. The book had been so successful that the publisher decided to give the author a dinner, to which a dozen of the leading men of letters in the lake city were invited. The guests had assembled when the author was announced.

Through the blue haze of smoke there appeared a handsome young woman attired in evening dress.

"We are expecting Mr. MacArthur," said the host, "Mr. Alexander MacArthur, the novelist."

"So I understand," returned the unexpected guest. "I am Alexander MacArthur."

"You?" gasped the publisher.

"Yes. Didn't you know? I am Lilian MacArthur, at your service. I have been writing over the name of Alexander ever since I left my home in Dublin."

It was only the work of a minute to rearrange matters, and the dinner was a great success.—Saturday Evening Post.
