PROFESSOR A. G. BARRY'S TRICOPHEROUS or MEDICATED SYRUP—Truth loves an incredulous audience, for if they listen, they are sure to become converts. If there is any man or woman who challenges the statement that Barry's Tricopherous is a specific for cutaneous diseases and injuries, and the best preparation for the hair extant, all that is asked is that he or she will try one twenty-five cent bottle of the fluid, and read the pamphlet in which it is enclosed. Read and make the trial. Truth will then force conviction upon the mind, that all, and more than all, that has been claimed for the preparation by the inventor, is as palpable a fact as the existence of the sun, or changes of day and night. Referring the reader to the thing itself, and the accompanying treatises for a solution of all his doubts, if he entertains any, we will here briefly state what the Tricopherous will do. It will remove scurf and dandruff; it will restore, preserve and beautify the hair; it will prevent it from becoming harsh or gray; it will dispose the hair to curl and render it glossy: it will relieve inflammation, itching and all irritation of the skin; it will cure bites and stings of insects; it will take away the pain of cuts, burns, bruises and sprains; it will allay the pain of rheumatism and cure headache. For these reasons, it ought never to be absent from the dwelling of any family, and no one should travel without it. Sold in large bottles, price 25 cents, at the principal office, 137 Broadway, New York. For sale by the principal merchants and druggists throughout the United States and Canada. Beware of the counterfeit, sold at one dollar per bottle. For sale by

Wonderful cure performed by S. P. Townsend's Sarsaparilla!!

To M. W. Skinner, Agent for S. P. Townsend's Sarsaparilla.

SIR;

This is to certify that I was, for this last 12 months, troubled with Fits; and, from their very severe attacks, thought each one would terminate my existence; and, in addition to the Fits, I was reduced to a mere skeleton, and was extremely weak and nervous. I heard a great deal about S. P. Townsend's Sarsaparilla, for which you are Agent. I was advised to try it. And strange and wonderful to relate, before using the contents of one bottle, was greatly benefited. Indeed, so rapid and effectual was the cure, that it appeared to me to be almost miraculous. And I think that, in justice to the public and suffering humanity, I am bound to make the above statement, and say, that a greater blessing, in my opinion, than S. P. Townsend's Sarsaparilla never came to this Island.

(Signed) MARY LOWE,
Bungay, New Glasgow Road.

Sworn to, before me, this 14th June, 1851,

CHARLES DEMPSEY, J. P.

The public will please bear in mind, that the above cure was made by the Sarsaparilla manufactured by J. R. Chilton, M. D., whose certificate, in green paper, is on the outside wrapper of every bottle, and be cautious not to buy any wanting this.

M. W. SKINNER.

FOR SALE, OR TO LET,

THAT valuable and well known Property, owned and occupied by the Subscriber, consisting of TWO HUNDRED AND FORTY-FOUR ACRES OF LAND, together with the Dwelling house and Out-buildings thereon.

The DWELLING HOUSE is 45 feet by 39 feet—two stories—commodious and well arranged.

The OUT-BUILDINGS comprise Two Stores, an Office, Coach House, Two Stables, Two large Barns, a Thrashing Machine, Granary, Ice House, Workshop, Blacksmith's Forge and Limekiln.

There are also TWO WELLS of excellent water, the one in the outer kitchen, the other in the Farm-yard.

Of the 244 acres, about 180 are cleared, fenced, partly with cedar, and in a high state of cultivation, large portions having been heavily manured with Muscle-mud, Lime and Compost—about 50 acres are ploughed and ready for next year's crop.

Immediately adjoining are TWO GARDENS, and an ORCHARD well stocked with a choice selection of English and American Fruit Trees in bearing.

This Property is beautifully situated on the South side of Bedeque, fronting on the Dunk River, and adjoining a Public Wharf, the main Road leading to Charlottetown, forming a boundary for a distance of nearly two miles; it affords superior advantages for carrying on a Shipbuilding or Mercantile establishment, for which purposes it has been used for the past 30 years. For Agricultural purposes it is surpassed by none on the Island, the soil being of good quality, and well watered by two never failing brooks which run across, the one in the centre, the other in the rear of the Property, while the River on which it fronts contains, within a short distance, inexhaustible quantities of muscle-mud and other valuable manures, which can be procured without difficulty. The whole is capable of being divided with advantage, there being—distant from the main residence three-quarters of a mile—a new COTTAGE, 40 feet by 30 feet, in course of erection, finished outside, the materials for its completion are on hand, and the Cottage will, if required, be completed by the Subscriber.

The Woods and Marshes in the vicinity abound with game, and the River with abundance of superior Salmon, Trout and Oysters.

—ALSO—

THREE HUNDRED AND FIFTY ACRES situate on Township No. 27, three miles from Bedeque, 200 of which have a front of 10 chains on the Charlottetown Road; 80 acres are cleared, fenced with cedar, and in excellent condition, having been in pasture for several years past.

A large SPRING of excellent water takes its rise upon, and runs across the Property. The remaining 150 acres are bounded in front by the Strait of Northumberland, and in the rear by the Road leading from Bedeque to Seven Mile Bay and Cape Traverse. Of this tract several acres are Salt Marsh. It is partially cleared, and there is an abundant supply of Seaweed for manure on the shore.

ALSO—All that old and valuable FARM, late the Property of Mr. WILLIAM MURRAY, fronting on the Northside of Dunk River, and bounded on the rear by the Road leading to St. Eleanor's; it contains 90 acres of Upland, and 10 acres of superior Marsh; a stream of fresh water runs through the whole length of the Farm, 50 or 60 acres are cleared and in good cultivation; there is a new COTTAGE and BARN on the premises.

ALSO—3 acres of Marsh Land, adjoining Dunk River Bridge.
115 in Miscouche Settlement, Township No. 17.
100 - - - " " 19
250 - - - - " " 25

On the latter tract there is an excellent Mill site.

The whole of the above LANDS are held in *fee simple*, are o good quality, more or less improved, and front on the main Roads leading through the Island.

ALSO—160 acres, situate on Township No. 27, held under Lease for 999 years, and subject to an annual Rent equivalent to 4d. British Sterling per acre.

ALSO—1000 acres of Wilderness Land, on Township No. 11.

To the whole of the above Property an indisputable Title will be given, and one half of the Purchase Money may remain secured thereon.

The whole or any part of the STOCK, CROP or IMPLEMENTS now on the Property, may be taken at a valuation, or will be sold cheap by private sale.

Bliss' Compound Cod Liver Oil Candy,

A new and effectual remedy for Coughs, Common Colds, Cold in the Head, Hoarseness, Bronchitis, Asthma, Tickling in the Throat, Catarrh, Diseases of the Lungs and Bronchal Affections.

This favorite remedy is composed of *Pure Cod Liver Oil*, combined with other valuable ingredients, which completely disguise the repulsive taste of the Oil, without detracting from its medicinal virtues, presenting it in a form by which it can be administered to the most delicate invalid, without inconvenience. The medicinal influence of this Candy pursues the exact tract of the inflammatory action, causing cough. First, soothing the organs of the voice, its sedatative influence, passes along the mucous lining of the windpipe into the bronci, and allaying pulmonary irritation, giving ease and comfort to the chest, restoring the voice to its accustomed clearness and powers; *Congealed Phlegm, Acrimony in the Fluids, and Obstructions in the Glands*, are gently and safely discharged by easy expectoration. It never disagrees with the stomach, a common cold yields to its benign influence in a few hours, and when resorted to, before the complaint is far advanced, all danger of CONSUMPTION is entirely prevented.

Blake's Metallic Fire Proof Paint, OR, ARTIFICIAL SLATE.

THIS admirable article has been tested for some years and proved very valuable, becoming a perfect slate, as hard as marble in a few months, completely protecting whatever is coated with it from the action of the *weather* and *fire*—a better *fire-proof* than tin or zinc. Several Insurance Companies certify they will insure buildings covered with it at a cheaper rate, than if covered with those metals. It is of two colors, the black is best for roofing—the chocolate the best thing ever discovered for sides of either brick or wood, forming a perfect stone coating of a handsome stone or chocolate color, can be easily changed by a little white lead or other coloring matter to suit the taste. There is nothing equal to it for steamboat and car decks, and all kinds of iron as it forms a coating nearly as hard as the iron itself, and never cleaves off.

BEWARE OF WORTHLESS COUNTERFEITS.

As the popularity of my paint has induced scores of unprincipled individuals to grind up, and offer as fire-proof paint, all kinds of worthless stuff, much of it nothing but rotten stone that has no cohesive attraction, is held on only by the oil with which it is applied; consequently as soon as the action of the atmosphere destroys the oil, it will wash or rub off like Chalk or Whiting, nothing can yet be known of its lasting qualities, as it is but little over a year since they got them up, whereas mine has been tested about seven, and where first applied is now like a stone.

The original and genuine article can be obtained of PATRICK STEVENS, Orwell, my authorized Agent for the Island.
