Kinsmen Pace Goes Tonight

By JIM CULLEN

The Kinsmen Pace will be the main attraction at the Charlottetown Driving Park when the local raceway stages its second program of the season, tonight.

This will be the first free-for-all at the CDP and six of the top harness racing horses in the Maritimes will leave the wire in an effort to lead the way to the wire.

The winner of the main event will collect the lion's share of the $2,100 purse and the Kinsmen Pace cooler to be presented by Kinsmen President, Bud MacDonald.

Leaving the wire in the main event will be: Just Gary, Eloise Wick, Peter On Top, Dominion Byrd, June Byrd and Hurrah.

Hurrah and Peter on Top as well as June Byrd and Eloise Wick will be racing as stables. This columnist thinks that Peter On Top with John Ferguson up on the bike will be the horse to watch and will likely have some stiff competition from the little mare June Byrd, owned by the Greenbrier Farms, Charlottetown.

Several of the 'wise ones' are saying Just Gary owned by Rankine McLaine, Charlottetown will be tough in this race. The McLaine owned entry has been racing out of Halifax and going great, but we don't think the McLaine owned gelding has the speed to lead the way in this event.

The proceeds from this Kinsmen venture will go to aid Kinsmen Children's Playground and the Kinsmen Senior Citizens Centre.

Seven other well filled dashes on the eight dash card are set to leave the wire. In the curtain raiser the following will be leaving the wire: Miss Jo Jo, Rushaway Chief, Highland Rogue, Lord Adios, Nimble Knight, Lady Lakeburn, Dennis Herbert and White Lady.

White Lady and Miss Jo Jo will probably be well liked by the patrons of the pari-mutuel in this event.

Tid Bits From Here And There

Majors Two Maritimers Combine For 2-1 Victory was the way a headline read giving an account between Thornton and Orillia Majors.

Summerside's Ed Boates and Charlottetown's George 'Lefty' Dunn are teammates on the Orillia squad and the win gave the Majors their third win of the season.

Ed Boates provided the firepower with a two run blast in the very first inning to give Orillia all the runs they needed. George "Lefty' Dunn then took over and twirled an impressive four hitter to best burly Don Johnston in a classy mound duel which was in doubt right down to the last of the game.

How close the game was could be seen from the box score. Johnston also gave up only four hits and struck out seven while Dunn matched that exactly.

Both team's scoring came as a result of the home-run blast, the only difference being that Boates' poke was preceded by a single off the bat of Nick Owen while Thornton's run was the result of a lead-off homer in the fourth by shortstop Ted Laycock.

Bill Crothers performed quite a feat Thursday night when he defeated Peter Snell in the 880 yard run at the Toronto international track meet Thursday night. It was the first time in five attempts that Snell was able to turn back the New Zealand world record holder. Crothers' was timed in 1.48:4 which was nowhere near Snell's world mark of 1.45:1 set in 1962. Snell has announced he plans to retire after this season and we would imagine he would like to go out as a winner.

The qualifying round for the Club Championship will hold the spotlight this weekend at the Belvedere Golf and Winter Club.

1965 Kart Season Opens With Maritime Competition

Racing teams from Halifax, N. S. and Saint John, N.B., will be invading the province during the weekend, and indications point to the possibile best racing ever.

The Islands leading drivers will be out to defend last year's honors as winner in major classes, and some new faces and machines will be in evidence.

Don's main competition locally will be the karts of Merrill MacLean, 1965 Maritime champ and George Scantlebury, veteran local driver.

The big Nova Scotia man, could be Doug Lively, who will be sporting a complete new machine, and Island fans can watch this kart with interest.

For new fans of this sport, a complete commentary from the judges stand during the program, will help to explain the make-up of the various races and the team standings compiled by a complete point system.

The program will proceed rain or shine and canteen service is available.

During the intermission, spectators are invited to enter the pit area to interview drivers and to inspect the powerful little machines . . . this is especially thrilling for the youngsters.

Racing will begin at 8.00 p.m.

Huge Horseracing Park Rebuilt In York, England

By JIM CONWAY

LONDON (CP) — British horseracing has taken several hard knocks this season, including the closing of the Manchester track and the threat to the future of Aintree, the Liverpool home of the Grand National which may become a housing development.

But there is one bright spot in York, the industrial capital of Yorkshire, where a glamorous track rebuilt on North American lines was opened recently.

The man behind the project is energetic Maj. Leslie Petch, who set out to make York a serious rival for Ascot, site of the glittering annual Royal Ascot attended by the Royal Family.

Petch, former senior judge of the Jockey Club, governing body of British racing, has made spectacular improvements at York since he became manager there. He also signed a 99-year lease with York corporation, owners of the land.

Before building a new £100,000 grandstand, rated the best in Britain, the managing board consulted architects in Britain and North America. On a tour of Canada and the United States, Petch was particularly impressed by Toronto's Woodbine track.

SEVEN STOREYS HIGH

What impressed Petch most was the way Woodbine concentrates as many spectators as possible in a multi-storey stand at the finish line, and this design was generally copied at York.

Petch also got a grant from the Betting Levy Board, which takes a percentage from all racetrack betting and puts it back into racing. The York scheme, costing a total £600,000, was completed this spring.

The new grandstand is seven storeys high, with 10 escalators, private and public seating, several bars and a restaurant. As one writer put it, this building puts the royal enclosure at Ascot in the economy class.

In the eight years Petch has been with York, entries, prize money and—most important of all—attendance, have all risen.

WILY TROUT GETS REVENGE

A Charlottetown fisherman was treated in hospital Friday when the big one got away and the fly used to hook him met its mark.

The mishap occurred when Terence 'Babs" Fitzgerald, an ardent fisherman from Charlottetown, hooked into a fighting trout near Peake's Station Friday morning.

The wily fish, in despiration to get away, broke water with a great surge of its speckled body and practically spit out the fly in mid air. The fly was whipped by the wind into the face of the angler and penetrated his skin.

Wes Trainor, his fishing companion, drove the wounded fisherman to hospital in Charlottetown where a minor operation, with local anesthetics, was performed before the barb was ejected.

Tryouts For PEI Ball Team

Tryouts for the P.E.I. Junior Baseball team which will represent the Island in the Canadian Junior Baseball Championships at Winnipeg have been announced by Mr. John Kane.

The first will be held this afternoon in Summerside and this practice will be for all players of the Summerside district and for all players from centers west of Summerside. The tryouts will begin at 2:00 p.m.

On Monday evening at 6:30 there will be a tryout for all players of the Charlottetown and Kings County districts at Memorial Field.

All players of Juvenile or Junior age are invited to attend these tryouts.

CROTHERS HITS THE TAPE

Bill Crothers of the East York Track Club hits the tape to win the men's 880-yard run with a meet record of 1:48.4 at the Toronto International track meet Thursday night. World record holder Peter Snell of New Zealand was second.

Charlie Hodge Speaks In Truro

TRURO (CP) — About 500 wildly cheering youngsters greeted goaltender Charlie Hodge of the Montreal Canadiens here Friday as he made a one-day visit.

Hodge told the youngsters at Colchester Legion Stadium he would have picked teammate Gilles Tremblay as the all-star left winger.

His other selections: right winger Gordie Howe of Detroit, centre Jean Belliveau of Montreal, goaltender Johnny Bower of Toronto, and Defenseman Tim Horton of Toronto, Jacques LaPerriere of Montreal or Pierre Pilote of Chicago.
