EXPECT POOR CROP
 LANGTON, Ont. (CP)—Tobacco
 growers in this area of south-
 western Ontario say recent frost
 damage and earlier leaf blight
 have made it a "black" year for
 the industry. Growers in the Lan-
 gton district, 40 miles southeast of
 London, say frost has ruined about
 25,000,000 pounds.

**Girl Guides
 Enjoy Hike**

The Montague Girl Guides, un-
 der the leadership of Mrs. Ralph
 Judge and Miss Edith MacDon-
 ald, were on a hike Saturday
 through the Valleyfield district
 and vicinity. Approximately thir-
 teen Guides enjoyed the outing,
 and while en route played games
 and other contests. They also
 enjoyed a wiener roast and sing-
 song.

The Girl Guide meetings are
 once again getting under way
 for the coming season and many
 of the young girls of Montague
 are joining to make as large a
 troop as possible.

Up to the present there is yet
 no definite indication whether or
 not the Scouts will be function-
 ing this year, but every effort is be-
 ing made to get a leader for this
 group so that it also may carry
 out its good work. The Cubs are
 functioning under the capable
 leadership of Mr. Danny Murray
 and have already given evidence
 of their training this year at
 their regular camp and the man-
 ner in which they performed
 their duties. It is hoped by the
 Scout committee that a Scout
 troop will be formed this year
 and that a leader will be found
 to make the first Montague troop
 the active one it was in years
 past under the leadership of Mr.
 Eric Duvar.

A FINE COMMUNITY PROJECT

Georgetown

Miss Gertrude Fitzgerald, stu-
 dent nurse at the Charlottetown
 Hospital was the weekend guest
 of her parents, Mr. and Mrs. W.
 J. Fitzgerald.

Mr. E. B. MacLaren, who spent
 the summer at his home in Geor-
 getown, left recently for Hamilton,
 Ont., where he will spend the fall
 and winter months, with his son-
 in-law and daughter, Rev. M. E.
 and Mrs. Atkin.

Roadside table sites such as the
 one pictured above at Bell's Hill
 near Montague can be a community
 project which will attract tourists.
 This site, which was built by the
 Montague Junior Board of Trade,
 was a convenient spot for hundreds
 of tourists and Island people during
 the past summer. Many man-
 hours of volunteer labor went into
 this project but the satisfaction it
 gave the travelling public made
 the effort worthwhile.

The tables were supplied by the
 Prince Edward Island Travel Bur-
 eau and similar requests from other
 interested organizations would be
 given every consideration by the
 Travel Bureau which instituted the
 roadside table policy three years
 ago. The roadside tables were also
 supplied by the Travel Bureau
 this year for use at Brudenell
 Island and these too proved popular
 with visitors and local citizens
 alike.

**New Way Relieves Arthritic,
 Rheumatic Pain Without Pills**

Greaseless, odorless cream penetrates deep,
 speeds flow of fresh, rich blood into sore areas,
 helps drive away pain-causing pressure.

Toronto, Ont. (Special)—Science
 has now developed an odorless,
 greaseless cream that acts in a new
 way to bring hours and hours of
 relief from pains of arthritis and
 rheumatism—without the need of
 taking pills and other medicines
 that may upset the system.

Rubbed gently into painful areas,
 this cream penetrates so deep it
 actually vanishes into the skin. It
 speeds the flow of fresh, rich blood
 into sore muscles, joints. Actually
 helps drive away pain-causing pres-
 sure and congestion.

Used by doctors in England,
 France and the U.S.A., this remark-
 able cream is now available without
 prescription at drug stores every-
 where. Ask for Infrarub®. Only
 \$1.39 a large tube. Infrarub is
 guaranteed to give comforting relief
 from arthritis-rheumatism pains or
 your money back. *Reg. T.M.
