

FAST ERAS are recalled in the above photos. At the turn of the century the new Hillsborough Bridge was a main topic of conversation. Top picture shows the approach being built. Immediately above is the oil drilling setup at Governor Island.

Times May Change

But Quality Endures:

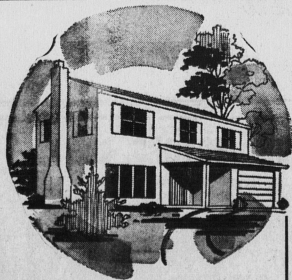

A Diamond Is Forever..

You should mix sense with sentiment about your engagement ring. It's a lifetime purchase. Choose a reputable dealer, you will get the best values from the best known store. It's because of its good values that it is the best known store. Of course there's other things too, like good selections, a wide range of prices and styles. Clarke Jewellers in Summerside won't offer you cheaper diamonds. Diamonds aren't cheap. But they will show you the best values and widest range of styles and prices. It's pleasure to do business at Clarke's.
