

### Remanded Week For Sentence In Jail Break Case

In County Magistrate's Court yesterday in Summerside before Magistrate R. S. Hinton, Q. C., George MacDonald, convicted of jail breaking was remanded one week for sentence.

A party convicted of causing a disturbance in a dance hall in Conway, also had his case adjourned one week for sentence.

Two residents of Skinners Pond

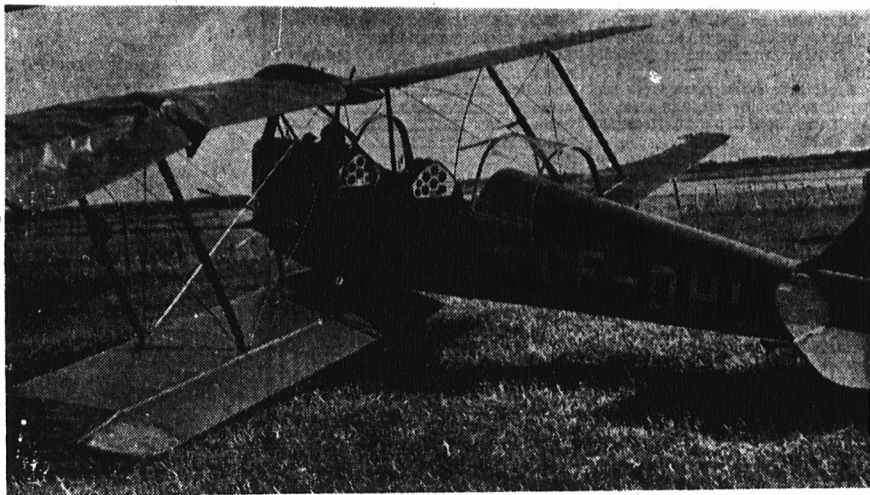

were convicted of being intoxicated in a public place and each was fined \$20 and costs or 15 days.

Three parties were charged under section six of the Highway Traffic Act. One was fined \$10 and costs. The other two were each fined \$5. A party from Kinkora was fined \$25 and costs for failing to file his income tax return in time.

A man from St. Eleanor's, charged with assault against a female, entered a plea of guilty through his counsel, and his case was adjourned for sentence.

Seven witnesses were heard in the case of a party from Mount Pleasant charged with dangerous driving. This party was convicted and fined \$25 and costs.

### Two Escape In Plane Crash

Seen, above, where it crashed at Mills Point on Friday evening, is the privately owned Tiger Moth aircraft in which two men escaped serious injury. Piloted by its owner, Flying Officer Ralph Emery, with Elwin Mills as a passenger in the forward cockpit, this twin-wing plane in taking off from a small field failed to gain sufficient altitude. One wing tip struck the top of a spruce tree and the plane crashed where it is seen, above, in an adjoining field. Mr. Mill is said to have suffered a nasty cut on the lip, but apart from this and a bad shaking up, neither man was seriously injured, although much of the front end and wing structure of the plane was wrecked beyond repair.

## NOTICE

### To The Residents Of Alberton & Vicinity

If the present emergency power system is to continue in operation it will be necessary for all electric light and power consumers to assist by cutting down consumption of power to a minimum.

C. R. PROFIT,  
Mayor.

## LIBERAL CONVENTION

A convention of the Liberal electors of Prince County will be held in the Regent Theatre, Summerside, on Tuesday, October 7th, 1952, at 1:30 p.m. for the purpose of nominating a candidate to contest the district in the next Federal election.

Each poll will select four delegates with a suitable number of alternates, to attend.

In the absence of other arrangements, poll meetings will be held in the customary places on Friday night, October 3rd at 8 p.m.

At the conclusion of the business, Honorable Douglas C. Abbott, Finance Minister in the Federal Cabinet, as well as other prominent speakers, will address the meeting.

A cordial invitation is extended to one and all to attend.

### Power Plant

Continued from page 1

from O'Leary reaches Alberton. Posts for the new line have been placed in position as far as Elmsdale about four miles from the town.

Mr. V. A. Ainsworth, Provincial manager of Maritime Electric Co. Ltd., left Charlottetown shortly after noon yesterday for the stricken town. A caterpillar diesel electric unit was secured from the Charlottetown plant of the A. Pickard Machinery Company and was supplying the area affected in a matter of hours.

Mr. Ainsworth mentioned the possibility of having to ration power for a week or two but added that such action would be avoided if possible. "The first claim on production of course would be the Western Hospital which would be fully protected throughout and given continuous service," he said.

A construction gang of nine, which have been running a line from O'Leary Corner to Alberton, were augmented yesterday by ten more men, all available at present. It is hoped this line may be completed within three weeks. There are no other lines over which power may be conveyed at present.

The Alberton plant was leased by the Maritime Electric Co. from Mr. Alfred Gordon pending the completion of their own construction work into the town, and is managed by Mr. Thomas Phillips.

There was no official estimate of the damage. Unofficially it was believed it might be in the vicinity of \$20,000.

### 1,200 Attend Meeting

Continued from page 1

you cannot vote away your marketing problems."

Mr. Walter R. Shaw, Deputy Minister of Agriculture, traced the birth of the potato fund which he said was started to guard against potato diseases. He said of the collections that the amounts received in the various years were 1947, \$11,084; 1948, \$52,089; 1949, \$34,039; 1950, \$36,430; 1951, \$16,628. It has not been for this fund which was made available he could not say what might have happened to the potato industry in this Province.

The meeting was reminded of former days when potatoes sold for as little as 10 cents per bushel and all too frequently had to be hauled out and dumped. It was stated that such a condition had not existed since the Potato Board came into being.

### O'Leary and Vicinity

Mr. and Mrs. Owen F. Underwood and little daughter have returned to their home in O'Leary after an enjoyable vacation spent in Windsor, N. S., the guest of relatives.

Mr. and Mrs. Robert T. Oulton of the Brae, accompanied by Col. Ernest Harvie and Mrs. Harvie (nee Miss Fern Oulton) of Camp Gordon, Ont., left last Friday, September 26th, for Windsor, N. S., where they will be the guests of Cpl. Harvie's parents.

Mr. W. E. Brooks of Summerside, representing the P. E. I. Lay Association and also the Maritime Lay Association of the United Church of Canada, was the guest speaker at the West Devon United Church at 9:30 a.m. and at the Brae Church at 2:30 p.m. on Sunday, September 28. He was heard by large congregations who were delighted to have him with them. Mr. Brooks, who is an able speaker, is a former resident of O'Leary and a former recording steward of the O'Leary United Church pastoral charge. The minister, the Rev. W. G. Dickson, presided and cordially welcomed the guest speaker.

### The Floor Price

Mr. MacDonald said that the Board knew of contracts being offered growers calling for a price of 72-73 cents per bushel and they took action to set a floor price of \$1.10 last month. It was laughed at, at the time, Mr. MacDonald said, but he reminded the growers that it was the first time they had ever known in September what price they could expect.

He noted that last year the potato industry had contributed approximately \$15 million to the economy of this Province and believed that this year would be equally as good. He said that while the Board had some difficulty with certain dealers this had not been true of many others who were trying to give good service to the public. He said that certain ones had challenged the authority of the Board since it was first set up and last year it was necessary to take action.

The decision of the Supreme Court of Prince Edward Island, he said, had almost wiped out the authority of the Board. However, when the case was appealed to the Supreme Court of Canada the decision was reversed.

Mr. MacDonald said that in 1960-1961 the Potato Marketing Board was the only agency to make any contribution during the worst marketing conditions in the history of the country.

Of the order last month setting minimum prices for certain varieties of seed potatoes he said that the action had "the knowledge and approval of several dealers in whose integrity I have every confidence."

Regarding the necessity for raising funds the speaker admitted that direct taxation was never popular here, but the best legal advice obtained was to the effect that the only course open was to set fees on all aspects of the industry. "If you want the Board to do what you want done the money must be provided."

### Expect Good Market

The remarks made by speakers relative to the expectancy of a good potato market this year were based on the fact that the United States crop will not be sufficient for that country's own requirements, it was stated. While it will produce an expected 337 million bushels, it will need large imports. At the same time this country will likely need all the potatoes Canada can grow to feed its own people.

Though the meeting last night was kept under control at all times by the chairman, Mr. Yeo, there were frequent interruptions from the floor in the form of questions directed at the speakers.

In response to one question Mr. MacDonald said that there were approximately 3,600 growers of seed potatoes in the Province and was doubtful that there would be more than 5,000 growers with more than one acre under cultivation.

### R.C.A.F. Social News From S'side

The Teen Age Club of R.C.A.F. Station Summerside, held their organizational meeting at the Air Marshal G. O. Johnston school on the 15th of September.

At this meeting the following officers were elected: President, Shirley Burns; secretary, Patsy Burns; treasurer, Robin Kent.

This club which was organized approximately two and a half years ago by the teen agers of the station, offers membership to all "teen-agers" between 12 and 19 years of age.

Miss McMullin and Miss Logan of the teaching staff were convivial chaperones at the first two meetings. The first meeting featured modern dancing and a jolly sing-song. At the second meeting held a week later square dancing gave rise to much hilarity. Refreshments were provided by Gail Blair, Robin Kent and Jackie Stevenson. The program for the next meeting will take the form of a debate among the members on the merits of modern as opposed to "old-time" dancing. Mrs. Campbell will be the chaperon for this meeting.

The teen agers deserve a great deal of credit for having done so well in their efforts to keep the club going despite the fact that so many of the original members have been posted. They welcome any new members and would greatly appreciate offers from the parents to chaperon their gatherings. They realize that it is only with proper guidance and encouragement that their club will meet its members' expectations.

### S'side Cadet Sqdn. Awarded Trophy

Mr. Greg Mulholland, chairman of the sponsoring committee of the R.C.A.F. Wing Association, Summerside, has been advised that, as a result of the annual inspection, the Air Cadet Squadron which is sponsored by the local Wing, has again been awarded the Group Captain Lewis Trophy for general proficiency. This squadron took top honors last year and also two years ago, this being the third time it has won the trophy since it was placed in competition. — S.

### Sport Echoes From Prince County

Bob Clark and his track and field team representing Summerside High School are to be congratulated on their splendid showing at the interscholastic school meet in Charlottetown Saturday. The boys carried off first honors, and the girls also gave a very good account of themselves. Point scorers were as follows: Boys—David Weale, 6; Kaye Hansen, 5; Harry Baglole, 3; Gordon DesRoches, 1; Grant Grady, 6; Wilfred Barlow, 1; Johnny Whalen, 9; relay, 2; total, 32 points. Girls—Gail Morrison, 3; Nancy Clark, 5; Sheila Baglole, 3; Barbara Taylor, 3; Audrey Woodside, 5; Marie Peters, 1; total, 20 points.

Johnny Whalen's victory in the half-mile was a thing of beauty. The second sacker of the junior baseball champs paced himself well and didn't start his drive until rounding the final turn. He had a fine burst of speed left, and when he turned it on, there was no one ahead who could give him a successful challenge.

The Summerside relay team did well to place third considering the handicap they were under. Johnny Whalen, Summerside's starter, started on the outside even with all the other competitors, and there was a wide sweep in the track in the 110 yards he had to race. He was told that he could cross over as soon as he got far enough in front so as not to interfere with a competitor, and Johnny promptly secured the lead, and did just that. But as his relay partner was also on the outside of the track, there was nothing for Johnny to do but cut back towards the outside, and he lost his initial advantage in doing this.

There was one Summerside runner who didn't gain any points. Nevertheless, this boy impressed us with his fighting heart. We refer to Donnie Cameron who was leading the pack in the mile race about two hundred yards from the finish line. But Donnie had shot his bolt, and the other runners started to go by him. He let two of them go, but apparently sensing that his chance to place was slipping away, he fought the third runner's bid until he stumbled and fell exhausted on the track. If ever we saw a youngster who had had, and then just a little bit more, it was Donnie Cameron in that mile race.

Again congratulations to Bob Clark, and to Art MacKinnon, his assistant, for the fine job they did with the Summerside boys and girls. And we should not forget Jimmie Hogan, who also did a lot of work to make Summerside's participation in the meet the success it was. Jimmie is in there pitching all the time, in all sports, and sometimes we are inclined to take him for granted.

It is definite now that Paul Schurman and Ron MacArthur will line up with the North Sydney Juniors in the Cape Breton League if they make the grade. The boys are expected to leave for North Sydney sometime in October to try out with the Juniors from the Cape Breton town.

### WESTERN GUARDIAN

—HEAR Rev. E. M. B. Wheelock, District Secretary Bible Society in Alberton Presbyterian Church tonight, Springfield West United Church, Thursday, Bloomfield United Church, Friday. All services at 8 o'clock.

### CONVENTION POSTPONED

—A Liberal Party convention, announced for Alberton Institute Hall last night to nominate two candidates to represent the party in the First District of Prince at the next provincial election, was postponed. It was understood the postponement was made to permit prospective delegates to attend the potato growers meeting last night at Charlottetown.

### F.O. Robert Sharp and Mrs. Sharp

(nee Helen Stewart) arrived home from Saskatoon, Sask., where he has been stationed since last March. They arrived home by way of the U.S.A. and after spending a week's holidays with Mrs. Sharp's parents in Summerside, Mr. and Mrs. Leigh Stewart and with Mr. and Mrs. Foster Sharn at Bideford, they left for Greenwood, N.S., where F.O. Sharp has now been posted. — S.

### WHITSTABLE, England—(CP)

Many persons attended a special service on the beach of this Kent resort to open the oyster season. The clergy went in procession to the beach and asked God's blessing on the oyster and fishing industries and the men who go to sea.

### S/L and Mrs. Garret

are spending their holidays in Oshawa Ontario.

Cpl. D'Eon's former residence.

### Cpl. Garnet Shields, who has been a resident of Summerside

Airport for the last three years, is now on the transient list, having departed on transfer. Mrs. Shields and children are remaining behind until Cpl. Shields secures accommodation.

### The first monthly meeting of the Home and School Club will be held on Tuesday evening.

Brian Elliot, son of Cpl. and Mrs. J. B. Elliot celebrated his fourth birthday on September 25.

## NEW LOW PRICES

EXCELLENT COMEDY AT THE CAPITOL

—Paramount's "Rhubarb," which opens today at the Capitol Theatre, is a fresh, imaginative, off-beat comedy that mixes a wide assortment of uproarious situations with crisp dialogue and a score of really funny performances.

Based on the best-selling novel by famous humorist H. Allen Smith, and starring Ray Milland and dynamic Jan Sterling, this high-powered howler loses no time in tracing the outlandish consequences when Rhubarb, a battle-scarred, trouble-loving alley cat, inherits \$30,000,000 and the Brooklyn baseball club from an eccentric curmudgeon.

Ray Milland, team press agent draws the dubious honor of playing guardian and nursemaid to the well-heeled tabby, soon finds his love life curtailed because of girl friend Jan Sterling's allergy to feline fur. When the ball players refuse to go to bat for the tomcat tycoon, he sells them the idea of using Rhubarb as a lucky mascot, and the team is soon on its way to the pennant.

A legal suit contending that the cat is an imposter is no sooner settled than a gambling syndicate puts the snatch on Rhubarb as the World Series gets under way. With
