

Quints Said Doing Well

LISBON (Reuters) — The quintuplets of Zavala, Mozambique, now almost five months old, are making good progress, the Portuguese Lusitania news agency reported Sunday.

Three still were in incubator but were expected to leave them soon.

Doctors and nurses at Miguel Bombarda Maternity Hospital, in Mozambique, are giving close attention to the quintuplets, who were born Aug. 14, 1964.

The babies have not yet been named.

The first two boys left the incubator more than a week ago and had no problems in their adaptation to normal life.

PATIENT HAS MONEY HOARD

NEW YORK (AP) — Mrs. Victor Leone, 86, recently committed to King's Park state mental hospital, had complained for two weeks that somebody should check on the large amounts of money hidden in her apartment.

Friday night the hospital finally sent a social worker, accompanied by a police officer, to the small set of rooms behind the shabby little grocery store where Mrs. Leone and her late husband had lived until two months ago.

There they found \$57,000—nearly \$14,000 of it in cash—along with an undetermined amount of rings, watches, trinkets and other jewelry wrapped in paper and cloth and stuffed into old roll-your-own tobacco bags.

The jewelry, money and securities were taken to police headquarters while police tried to determine next of kin.

Mrs. Leone and her husband ran the grocery store up until the time both were committed to separate mental hospitals. Her husband died last week at Kings county hospital, run by the city. He was 81.

U-2 Plane Shot Down

PEKING (Reuters) — The Chinese air force shot down a U.S. built U-2 reconnaissance plane over northern China Sunday night, the New China news agency reported.

The agency said the high-altitude plane "of the Chiang Kai-shek gang" was the fourth U-2 shot down by the air force.

China claimed to have shot down the first Formosan U-2 in September 1962, the second in November 1963 and the third last July.
