THE TREATMENT OF MANY THOUSANDS OF CASES OF those chronic weaknesses and distressing ailments peculiar to females, at the Lyallville Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of women's peculiar ailments. Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases, which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for women's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, excessive nervousness, hysterical spasms and exhaustion, prostration, hysteria, nervousness, and other distressing, nervous symptoms commonly attendant upon functional and organic diseases of the womb. It induces refreshing sleep, allays mental anxiety and depression. Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless in its morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a powerful and effective cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, female weakness, antenatal congestion, bearing-down sensations, chronic constipation, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat." As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life." "Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Peppermint Liver Pills, cures Liver, Kidney and Bladder diseases. Their combined use also removes blood poisons, and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine for women, taking drugs, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles for \$5.00, or six bottles for \$25.00. For large, illustrated Treatise on Diseases of Women (60 pages, paper-covered), send ten cents in stamps. Address, World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.
