FRUIT GROWERS' ASSOCIATION.

(Continued from page five.)

the inside or outside of closed packages intended for expert; and that an inspector be appointed with power to open any packages, and if found fraudulent to have the grade marks removed and to expose the offender.

Moved by Rev. Father Burke, seconded by Mr. John Johnstone:

Resolved, That a committee of three be appointed from this meeting to take steps for the placing of a permanent exhibit of Island fruit in the Provincial Building, Charlottetown; and further resolved that the Government be requested to aid in defraying the expenses of such exhibit.

The committee was appointed viz, J. H. Hill, John Johnstone and J. S. Clarke.

Moved by J. S. Clarke, seconded by J. H. Gill:

Whereas, The knowledge of fruit and fruit-culture is yet very limited in our Province, and our people are being imposed upon by unscrupulous agents who are doing continual injury to all the interests which we as an Association are endeavoring to conserve,—

Therefore Resolved, That we request our Local Legislature to so amend or add to the present law relating to travelling agents that tree agents shall be required to register, giving the names of the nurseries they represent; and that such only be allowed to register as present a recommendation from the Executive of the P. E. I. Fruit Growers' Association.

Moved by John T. Weeks, seconded by Robert Carruthers:

Resolved, that in view of the paramount importance of direct steamers with cold storage for all kinds of fruit and meat shipment from this province to the Old Country, the Honorable the Minister of Agriculture be and is hereby requested by the F. G. A. of Prince Edward Island, to procure for the coming season such shipping facilities as the trade of the country demands.

And further Resolved, that efficient inspectors be appointed at the respective ports of departure to see that the products of the dairy, the orchard or farm, sent forward shall be properly marked by the shipper's name and the grade of the article shipped; and any such shipment as in their opinion is calculated to adversely effect the market or tarnish the good name of Canadian exports, be promptly excluded.

Mr. George Vessey moved, seconded by the Rev. Dr. Chassion,—

Resolved, that the Legislature of the Province be and is hereby requested to pass the necessary legislation to cause all nursery stock imported into the Province to be either accompanied by a certificate of competent inspection or inspected on landing here, so that this province may be saved from the many pests—notably the San Jose scale—which infest orchards elsewhere.

Rev. A. E. Burke moved, seconded by Mr. Charles R. Dickey,—

Resolved, that the thanks of the F. G. A. of P. E. I. be and are hereby tendered to the press of Charlottetown, in particular, and the whole Island in general, for the cheerful and generous assistance given during the past year to its work,—especially for speaking so kindly of our present meeting and reporting our proceedings so much in detail.

Mr. Sharp moved that a telegram of thanks for his message be sent to ex-Governor Howlan.

Father Burke moved that the thanks of the Association be given Mr. Patriquin for the information afforded by him.

ENTERTAINMENT IN EVENING.

The meeting of the Fruit-Growers Association in Charlottetown was brought to a close with a literary and musical entertainment in Kindergarten Hall last evening. The attendance was very good. His Honor Lieutenant-Governor McIntyre presided, and in a brief speech formally welcomed the fruit-growers to the city. The programme was as follows:

Piano duet	The Misses Carroll
Address	Mayor Warburton
Vocal solo	Mrs Watts
Address	Bishop McDonald
Address	Geo E Hughes
Cornet solo	William Brown
Address	Mr Patriquin
Recitation	Miss Enid McLean
Address	Horace Haszard
Vocal solo	Miss Earle
Address	Senator Ferguson
Violin solo	Miss Coady
Vocal solo	Charles Earle
Address	John Newson
Recitation	Thos A McLean

All the vocal and instrumental selections were well given and heartily applauded. The recitations were also cleverly rendered, and greatly appreciated. The addresses had a special bearing upon the fruit-growing industry in this province, the future of which looks exceedingly bright.

The rear of the stage was artistically decorated with bunting, and the military and naval arms of the British service were well represented by the two sons of Mayor Warburton.

Before the meeting closed Father Burke thanked the citizens for the hearty reception given the fruit-growers, and expressed the association's appreciation of the entertainment provided by Mr. L. W. Watson and the other gentlemen of the committee.

The proceedings closed with the National Anthem.

A FIRESIDE SPAT

"You don't appear to be very amiable tonight," said Mrs. Dawson.

"I don't see that I have any immediate reason to," retorted Mr. Dawson.

"It seems to me that one should be amiable naturally, without a reason," said Mrs. Dawson.

"Is that so?" growled her lord and master.

"Of course if one has any cause to be unamiable, it would be a different matter."

"You're getting quite philosophic as your years grow on you," said the amiable Mr. Dawson.

"You're getting awfully bad tempered, I know that. What's the matter with you tonight?"

"Oh a man's liable to feel cheerful coming home, after working in an office all day, to find cold beef and fried potatoes served up to him for dinner, isn't he?" exclaimed Mr. Dawson with the greatest bitterness.

Mrs. Dawson burst out laughing.

"So that's what is bothering you."

"Funny, isn't it?" said Mr. Dawson.

"A man is never above his stomach."

"A sage remark," observed Mr. Dawson.

"I remember the time when you used to eat cold beef with positive voracity."

"Times have changed."

"Yes, and so have you. You have become a bad-tempered misanthrope, and I can account for it in only one way."

"And what's that?" demanded Mr. Dawson, scornfully.

"The fact that you always had a tendency to dyspepsia. You have developed into a regular dyspeptic crank, and I recommend Dodd's Dyspepsia Tablets to you."

"I have you and your cooking to thank for it then," said Mr. Dawson.

"You know that is untrue," said Mrs Dawson.

"I know nothing of the kind," said Mr. Dawson.

"Well I don't lose my temper over it," said Mrs. Dawson. "I am not a dyspeptic and I have eaten the same meals as you have for the last fifteen years," she added as the last word.

A tendency to Dyspepsia is often inherited. Dodd's Dyspepsia Tablets will cure dyspepsia in any case.

Startling Confessions

Show that 25 per cent. of men and women suffer the tortures of itching piles. Investigation proves that Dr. A. W. Chase's Ointment has never yet failed to cure itching piles, and all of these men and women could end the sufferings at once by using it. Scores of thousands have been cured by this treatment. Every body can be cured in the same way.
