Campbell's Cathartic Compound

Cures Chronic Constipation, Costiveness, and all Complaints arising from a disordered state of the Liver, Stomach and Bowels.

Dr. Pierce's Favorite Prescription is unequalled and invaluable in allaying and subduing nervous excitability, irritability, excitation and obstinate cases which but for their skill, prove to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all" but as a most perfect specific for woman's peculiar ailments.

As a powerful and invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, worn-out, run-down, delicate teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

It is a powerful and invigorating tonic, and a powerful and invigorating tonic, and a powerful and invigorating tonic.

Dr. Pierce's Favorite Prescription is legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, female weakness, anteversion, retroversion, bearing-down sensations, chronic inflammation, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied by "internal heat."
