Problem Faces Harvey; Hockey-Private Business

NEW YORK (AP)—A couple of kids and 38-year-old legs. English spelling, the French language, skating facilities and arithmetic.

Those are the principal factors — in no particular order—that may end the career of one of professional hockey's great defencemen.

Doug Harvey, player-coach of the New York Rangers and 1962 winner of the Norris Trophy as the outstanding defenceman in the National Hockey League, is wrestling with the question of whether to end his hockey career and enter private business.

"It's a problem," Harvey admitted by telephone from his home in Montreal Friday after learning he had won the Norris Trophy for the seventh time in nine years.

The children are putting a little pressure on me, even if they don't know it," Harvey said. Harvey, a long-time star with Montreal, came to the Rangers last season and established his family in a home on Long Island. When the season ended, they returned to Montreal.

"This moving back and forth, it's no good for the children. They just get adjusted in one school, then they go to another.

"For example, we find they're ahead in spelling (in New York) but behind in arithmetic.

"And they get away from the French language in New York. They'd lost some when we moved back. Also, I've always wanted my little boy to play hockey. They don't have the skating facilities there that we have in Montreal."

In winning the Norris Trophy, Harvey polled 102 points in the voting by sportswriters and broadcasters in the six league cities. Pierre Pilote of Chicago was second with 47 points, one more than Jean Guy Talbot of Montreal.

Track Meets Coming Soon

THE division of physical education and the interscholastic athletic association have announced the dates of both county and provincial interscholastic track and field meets.

All three counties will hold their meets on the same day, Saturday, May 26. The provincial get-together is scheduled for the following Saturday, June 2.

TO compete in these events, competitors must be entered by schools and must be regular attendance at said schools. Each school is limited to two entries in each event in their county meet. Only the first and second place finishers from the county meets will be elegible to go again in the provincial gathering. A contestant can compete only in his or her own age race and in open events.

Promoters of the meet urge that each school conduct their own eliminations before sending pupils to the county meets. Entries must be submitted not later than May 23 for the county meets and May 30 for the provincial one.

Inquiries concerning the meets should be directed to John Mullally, Souris and Robert Mills, Montague (King's County); Charles Ballem, Summerside (Prince County; Dave Boswell, Charlottetown (Queen's County).

Become More Popular

THE idea of the county meets prior to the provincial is a great one and came into effect last year.

Dave Boswell, after one year of operating under the one-day meet system, wisely decided to adopt the present system and to have the meets in the spring rather than in the fall. We think both moves were most prudent and all connected with track and field seem to agree. Fans and athletes have shivered and shook in the cold autum winds in years gone by and the move to the more cheerful spring weather surely must have been welcomed by everyone.

The idea to stage county meets appears to have greatly increased interest among the school athletes and all three county meets and the provincial one are keenly contested these days.

DAVE Boswell has warked hard and long to increase interest in those meets. He has surrounded himself with a capable band of helpers who seem to thrive on this kind of work. Dave knows there are still several kinks to be ironed out but he is working daily on more improvements.

We sincerely hope that this year's meets will be outstanding successes. A little extra effort now on the part of teachers and pupils will certainly insure such success.

Go at it in a big way and make these evnts of 1962 by far the greatest in the history of interscholastic track and field meets.

Big Series Opens

THE Cleveland Indians — New York Yankees four game series got underway last night and it surely should be the most interesting feud of this young season.

The suprising Indians started the series trailing by one and one-half games and naturally they had ambitions of replacing the New Yorkers as league leaders by the time the series is concluded. It will be a great test of strength for the Tribe who are playing a mighty consistent brand of baseball thus far.

Yankees are not treating the series lightly. Although they are world champions and strong favorites to repeat as American League pennant winners, they have been strongly advised by Ralph Houk, their manager, that these Indians are not pushovers. Whether Houk meant all he said when talking about the Indians, we don't know. But we do know that his recent utterances regarding the Cleveland team were those of commendation. Houk maintains he likes this Tribe outfit and he has insisted they must be considered a pennant threat.

Undoubtedly this series will attract the greatest attention on the weekend although National Leaguers will be keeping a close eye on the doings of their favorites. San Francisco has a chance to widen its lead when they tangle with Houston. Runnerup St. Louis does some entertaining for ambitious Los Angeles Dodgers.

Giants should gain ground in the next few days.

Loop Winner Won't Enter Mar. Playoffs

The team capturing the Kings County Baseball League title this year won't enter Maritime playdowns, it was decided at a meeting of the executive presided by Jerry McCormack of Souris, league president, at Morell last night.

However the door was left open to any team wishing to independently advance on the playdown trail. One suggestion was that the league enter an all-star team in the three-province playoffs but this decision wouldn't be made until George Smith of Peakes attends a meeting in Charlottetown on May 21st and finds out if this is possible.

The schedule was drawn up and approved last night and will be released shortly. Charlie Ryan of Charlottetown will conduct an umpires' school on May 15th and 16th.

Two new trophies have been donated to the league, the Confederation Life trophy to the top batter and the Goodspeeds of P.E.I. trophy to the team finishing in first place.

The next meeting is slated for June 15 which is also the registration date.

The 8-team league comprising Souris, St. Peters, Morell, Mt. Stewart, Cardigan, Georgetown, Peakes and Iona gets underway Sunday, May 20 with four games slated for that date.

14 Players Register Fri.

City Baseball League president George Francis said last evening that an additional 14 players registered yesterday to bring the total of registrants to 76.

It is expected when registration closes at noon today that there will be 90 or more candidates available for the four teams making up this year's City Baseball Loop.

Player Seizes Tourney Lead

FORT WORTH, Tex. (AP)—Gary Player, singing the praises of a hot putter, seized the lead Friday in the $40,400 Colonial National Invitational Golf Tournament with a 36-hole total of 138.

Player put togethr a 33-37—70 to go with his opening round 68 to move one stroke ahead of Arnold Palmer and Johnny Pott.

Palmer, the first-round leader with a 67, lost two strokes to the 7,112-yard par-70 course and bemoaned a putter that suddenly turned cold. He one-putted only one green Friday.

Pott, still breathing fire from his victory last week at the Waco Turner Open, tacked a 70 to Thursday's 69 to get his 139 total.

Phillies Crush Cubs 12-2 In 1962 Debut At Chicago

By THE ASSOCIATED PRESS

Don Demeter batted in six runs with a grand slam homer, single, and sacrifice fly, as Philadelphia Phillies pounded Chicago Cubs, 12-2 before a Wrigley Field crowd of 1,004 Friday.

The Phillies celebrated their successful Chicago 1962 debut with a brand new seasonal high total of 16 hits as well as tying their previous high total of 12 runs. They had not scored as many runs since opening day at Cincinnati. This made it easy for rookie right - hander Jack Hamilton to coast to his third triumph among five decisions.

Hamilton scattered eight hits, and fanned 10, another seasonal high for the Phillies. His route-going performance was the first by a Philadelphia pitcher in the past 20 games.

Philadelphia, winning its sixth of the past eight games, kayoed starter Dick Ellsworth during a four run third when Demeter delivered his slam—the second of his National career as well as his second against the Cubs.

HAD FOUR HITS

Outfielders Johnny Callison and Ted Savage of the Phils got four hits each, a feat matched by the Cubs' Billy Williams.

The loss was charged to Ellsworth, his fourth in six decisions, as head coach Lou Klein poured five pitchers into the game. It was the Cubs' fifth loss in seven games under Klein's direction.

Night action in the National had Milwaukee at New York, Pittsburgh at Cincinnati, Los Angeles at St. Louis and San Francisco at Houston.

In the American, Washington played at Baltimore in one of five night games. The others had New York at Cleveland, Boston at Detroit, Kansas City at Minnesota and Chicago at Los Angeles.

Bowler Breaks Mark At Souris

SOURIS — Edward McGaugh of the Beatniks, an entry in the Souris Mixed Bowling League broke the high single record for Souris Bowling Alleys when he rolled a 403 total here. The previous record was 390 established seven years ago by Hudson Longaphie.

Tigers Down Red Sox 5-1

DETROIT (AP)—Norm Cash cracked a roof - clearing home run and Paul Foytack stopped Boston Red Sox on five hits Friday night in a 5-1 victory for Detroit Tigers.

Cash's clout that sent Detroit ahead 3-0 in the sixth was only the sixth fair ball ever hit out of Tiger Stadium. It cleared the 94-foot high third deck at the 350-foot mark.

Chico Fernandez joined Cash in leading the Tigers' 11 - hit attack. He touched loser Don Schwall for a two - run homer in the second.

The championship is to be held this year at Toronto's Mississauga Golf and Country Club Aug. 23-25.

Johnson Fights For More Gold, Glory Than Ever

PHILADELPHIA (AP) — Harold Johnson, the National Boxing Association's light-heavyweight champion, fights for more gold and glory than the ring veteran of 16-years has ever known when he defends his crown tonight against young Doug Jones of New York.

Johnson of Philadelphia has done almost as much fighting out of the ring as he has in it during his career. He's clashed with boxing commissioners, lawyers, managers and courts.

His latest out-of-arena combat ended Thursday with the kind of victory he hopes to score over Jones in their scheduled 15 - round nationally televised bout—a clear cut triumph.

The 33-year-old Negro is embattled with his manager, Pat Olivieri, over money and contract. Olivieri tried to tie up the fighter's purse for the Jones fight pending court action in the legal entanglement. Johnson protested.

"I won't fight if I don't get my money," he **threatened.**

Racer Promises To Show Crowd 1st 150 MPH Lap

INDIANAPOLIS (AP)—Eddie Sachs, who talks faster and sometimes runs faster than anybody else in auto racing, promised to show a potential crowd of 100,000 the first official 150-mile-an-hour lap at the Indianapolis Motor Speedway today.

His attempt will feature first time trials for the 46th 500-mile race May 30.

The bouncing 34 - year - old Coopersburg, Pa., veteran said he intends to ignore a new collection of scars on the old retaining walls and win the 500-mile race pole position for an unprecedented third straight year.

There had been 12 accidents in 14 days of practice for the first of four qualifying sessions but no drivers had been badly hurt.

The fastest car on the first qualifying day holds the pole position regardless of performances in subsequent trials.

Possibly a dozen drivers may challenge Sachs for the pole and as many as 30 may try to hit speeds good enough to make the 33-car starting lineup May 30. There are 72 entries.

Sachs' 147.481 qualifying average last year was a first-day record.

SIX ARE FASTER

A half - dozen drivers have been faster than Sachs in practice this year but he has easily done almost 148 miles an hour.

Parnelli Jones of Torrence, Calif., the national spring car champion last year, has been up to 149.7. Rodger Ward of Indianapolis, 1959 Memorial Day winner and one of the first three finishers for three straight years, has done 149.6.

Bobby Marshman, a second-generation racer from Pottstown, Pa., had been up to 149.7. He was the youngest starter last year in his first 500, started 33rd and finished seventh. A. J. Foyt Jr. of Houston, who finished first, did 149.3 Friday.

Dan Gurney of Costa Mesa, Calif., a European grand prix driver, did an amazing 148 in his first day in a Mickey Thompson Special with a Buick stock block.
