THE WORLD-WIDE NEED FOR BIBLES

We believe that we can have
Peace and Justice and a
Stable Order in Europe,
Asia and throughout the
World only upon the prin-
ciples that are laid down in
the Bible.

If you really love your
Bible, will you make it your
aim to enable us to put the
Scriptures into the hands of
all who wish to read them?
There is a famine of Bibles
in the world like the famine
for bread, and we must try
to meet it.
