George's Gals In Upset Victory Over Andy's Aces

—George's Gals pulled the upset of the young season at the Queen Elizabeth softball diamond last evening when they downed the favored Andy's Aces by the score of 9-6. The Gorgeous Gals jumped into a 4-0 lead in the first inning, and from then on in, the play was fairly even, but the Aces couldn't get out from under. Wildness plagued both pitchers. Shirley Arsenault of the Gorgeous Gals gave up eight free tickets to first, and Marie Peters, flinger for the Aces, issued six walks. The hits were evenly distributed, George's Gals getting nine and Andy's eight.

Rose Gaudet, playing in left field for George's, led all stickers with four hits in five appearances. Wendy Chappell, who played a sparkling game around second for the winners, was next with three for four. For the Aces, Alice Kilpatrick, the new first baseman, got two for three, and Nancy MacFarlane, centrefielder, had a trio of singles in four trips. Rose Gallant of the Gals got one safety, however, with a solid 250-foot home run inside the left field foul line in the first inning, and a fine running catch in the sixth robbed Marion Rogers of a hit. Marie Peters, on the mound for the Aces, also deserves credit for her fine pitching performance. She struck out eight batters and stood up well with sparkling fielding plays at short. Rose Gaudet and Eileen Gibson each contributed doubles, Carmen Smith poled a triple and drove over seven runs with a home run in the fourth inning.

Hits for Aces: Gibson, Kilpatrick 2, Enman, Leonard Gaudet, MacFarlane; hits for Gals: R. Gaudet 4, Lee Gallant, Moore, Chappell 2, Rogers, Arsenault, Peters 2, L. Gaudet, MacFarlane, Gibson, Kilpatrick. Gals: Chappell, Delaney 2.

Sport Echoes From Prince County

Gordie MacKay, the boy whose batting average was usually at the top of the heap, is in town, and it is not known definitely whether he will be here for the baseball season or not. If he is, then jack up the Summerside Intermediates a little higher in how you think the Island League baseball teams are going to place this year. Gordie was easily the best hitter developed in Summerside over the years. Les Gaudet topped him for distance, but when it came to base hits, any kind of a base hit, Gord had Abou Ben Adhem's place on the list. In addition to this, Gordie played a fine game at short, and his spectacular running catches in the outfield added color to many a ball game.

• • •

Dee Lefurgey is home from Horton Academy, and it could be that Johnny Carroll will be depending on him to pitch the first game against MCA on Coronation Day. Dee has grown a lot since last summer, and report has is that he did some improved pitching over in Wolfville this spring. It's quite in the realm of possibility that Lefurgey will be good enough to take his regular turn on the mound this year with the Currantes. Of course, he's going to have a tough time breaking in as a regular with those beauties from south of the border throwing them in there, but Dee might make it, and his Summerside supporters would be mighty proud if he did. In any case, he should come in very handy as a fireman in the late innings.

• • •

Donnie Simmons, last year's C & B ace, is also in town. Donnie may play in the H & D League this year. He has been invited to try out with both the Kentville aggregation and the Halifax Capitals. We have mixed feelings about the situtaion. We'd like to see Donnie make good in that fast company, of course, but we're sorry he can't be in Summerside to help the Intermediates. With Joe Bernrd and Donnie Simmons available on the mound, and Gordie MacKay filling in at short, the team could be plenty dangerous. Without both Simmons and MacKay, they don't look too robust.

• • •

In the proposed Junior House League in Summerside, it is hoped that both Kensington and R.C.A.F. can muster enough players so that two teams can play under their colors. Some of the Summerside juniors could be used to complete their teams, but it would be a far more interesting league, we think, if there were three teams, representing R.C.A.F., Kensington, and Summerside. Some of the games could be played in Kensington and at the port diamond, in that event.

We want to congratulate President Hank Landry and his coworkers in their organization of an umpires' association. Two meetings have already been held, we understand, and they plan to meet at regular intervals. A lot of good can come of it if they discuss their problems, and have talks on rules and umpire procedure in general.

Pitcher Russ Meyer Fined, Suspended For Three Days

PHILADELPHIA, (AP) Pitcher Russ Meyer of Brooklyn Dodgers was fined $100 and suspended for three days by National League president Warren Giles Monday as the result of his hot dispute with umpire Augie Donatelli in Sunday's game with the Phillies here.

After arguing over several ball-and-strike decisions by the plate umpire, Meyer tossed the resin bag into the air and was banished from the game. The pitcher continued to berate the umpire from the bench, and some television fans protested that he made a gesture which they found objectionable.

Cardinals Formidable As Stan Musial Begins To Hit Stride At Plate

By The Canadian Press

Every spring the experts start writing off St. Louis Cardinals, pause, remember Stan Musial still plays for them and pick them for a first-division finish in the National League. And they are almost always right.

Stan, the Man is probably the most consistent hitter in the game today. He hasn't had a batting average under .300 in his 11 years in the majors. He practically owns the league batting title and has led almost every offensive department at one time or another. He even won 18 games as a pitcher in the minors when he was 18.

The remarkable thing about this spring is that the Cardinals got off to a fast start, even though Musial was in one of his rare hitting slumps. And now that Stan is beginning to behave normally at the plate, the Red Birds are a truly formidable threat.

Any lingering doubts that Musial is in form were dispelled Monday as he hit two homers and a single, walked twice and drove in six runs to lead his club to a 14-3 victory.

Also in evidence were the two men that have kept the club going during Stan's early-season miseries, Red Schoendienst and Steve Bilko.

Schoendienst, current batting leader of the league, had four safeties and Bilko drove in four runs with a homer and two singles.

Another of the league's ranking sluggers, Ralph Kiner, slammed the 300th home run of his career with two teammates on base, but it was in a losing cause as New York Giants mauled three Pittsburgh pitchers for a dozen hits and handed the lowly Pirates a 6-3 setback.

Sonny Stull Hurls Softball One-Hitter

"Sonny" Stull, the strong-armed righthander of the Basilica Youth Club almost became the second pitcher to hurl a softball no-hitter within a week when he tossed a one-hitter at the City Slickers in a brilliant pitching performance yesterday evening.

Stull gave a terrific pitching display in his first start of the season. He struck out 17 men over the seven inning stretch and fanned the first nine batters he faced.

Coach John Haughey of the City Slickers spoiled Stull's bid for a no-hitter. Haughey connected for a hoop-back single over third base in the fifth inning.

The one-hitter was the second stand-out pitching exhibition to be given within the past few days. Last week Dick Doyle of the Guardian Angels fired a no-hit, no-run game at the Jaycees.

The B. Y. C. clubbed the City Slickers 30-6 and by virtue of their win move into a first place tie with the Liguorian Youth Club. The L. Y.C. disposed of the Junior Chamber of Commerce by a 22-7 score.

Canada Packers, the surprise package of the league, upset the highly rated Sunshine Island Dairy 18-17. The Packers are tied for second place with the Guardian Angels.

Stull was almost as brilliant at the plate as he was on the mound for the B.Y.C. he connected for three doubles and a single in six trips. Outfielder Eddy Kays homered for the B.Y.C. in the fifth while Noel Wilson of the same team walked six times in seven trips.

Cliff Peters of the Liguorian Youth Club became the first pitcher in the league to win two games as he hurled the L.Y.C. to victory over the Jaycees. Peters also hit a home run to aid his cause.

The L.Y.C. raced into a 4-0 lead in the first inning and were never threatened. Peters held the Jaycees off the score sheet until the fifth.

Canada Packers proved once more they play best when they are far behind. Yesterday they spotted the Sunshine Island Dairy a 10-2 lead and then fought their way back to win the encounter by one run.

Frank Gormley made his first start as a pitcher and went all the way for the victory. Ced Ballem started for the Dairymen. He was relieved by Garth Crockett in the fourth who in turn gave way to Art Ballem.

Shortstop Peter MacIntyre hit a triple, double and single for Canada Packers while John MacLeod connected for two doubles.

"Buck" White handled the B.Y. C.-City game while Gene Ward officiated at the Packers-Sunshine contest.

Pitchers Disagree On Sophomore Jinx

NEW YORK, (AP)—Sophomore jinx?

"Nothing to it," scoffs New York Giant relief ace Hoyt Wilhelm.

"Oh yeah?" asks a puzzled and worried Joe Black, who carried Brooklyn Dodgers to a 1952 National League pennant as a freshman.

Wilhelm, of course, has picked up where he left off last year.

Besides his 3-1 won-and-lost record, the 29-year-old knuckleball artist has saved eight other games while appearing in 21 of the Giants' 34.

Hoyt was in 71 games last year and led the National League in winning percentage and earned-run average.

Black on the other hand, has had tough going this season. His 2-2 record does not give a true picture of his sub-par performances in eight of the 10 games in which he has been called upon.

The 29-year-old rookie standout of 1952 has been knocked from the mound in both of his starts. He has given up 24 hits in 23 2-3 innings, has walked 13 and struck out only 10. He has saved but one game. Black had a 15-4 record and saved 15 others in '52.

The sophomore jinx also has hit Eddie Yuhas, the other member of the last year's brilliant rookie relief pitching trio. The St. Louis Cardinal righthander, who won his last 10 decisions in '52, is on the disabled list due to a lame arm. He has pitched only two innings this year.

Other victims of the sophomore jinx appear to be Clint Courtney and Jim Dyck, St. Louis Browns; Toby Atwell, Chicago Cubs; Stu Miller, Cardinals and Ted Lepcio, Boston Red Sox.

Miller, who broke in sensationally last August by hurling a shutout in his big league debut and coming within one out of another in his second start, has yet to win a game this season. He was batted out of the box in his only start. Courtney, Dyck, Atwell and Lepcio all are hitting well below last year's marks.

The sophomore jinx, however, hasn't been able to make any headway with such performers as Vinegar Bend Mizell, Cardinals; Jim Greengrass, Cincinnati Redlegs; Eddie Matthews, Milwaukee Braves; Billy Hoeft and Bob Nieman, Detroit Tigers; and Sam White, Dick Gernert and Jimmy Piersall, Red Sox.

Mizell has won four out of five decisions. Hoeft, despite Detroit's shabby record, owns a 3-2 mark. Nieman is batting .305. Greengrass, who hit .307 in 18 games, has been the Reds' biggest surprise. He's hitting at a .352 pace, has socked five home runs and has driven in 21 runs. Mattrews, who batted only .242 but hit 25 homers in '52, is hitting .327 and has eight home runs. White, Gernert and Piersall all have been playing top-brand ball all season.

U. S. Court To Probe Baseball's Reserve Clause

WASHINGTON, (AP) — The Supreme Court decided Monday that it will look into the legality of baseball's long-disputed reserve clause. The entire future of professional sports rests on the outcome.

The high court hearing will be held some time in the fall. It will mark the first time since 1922 that the Supreme Court has examined the legality of the national sport. Baseball won the last time.

If it loses this case the game as it is played now will be destroyed. Here's why:

Baseball contracts — and those in other professional sports — contain a clause which puts the player under control of the club that owns him. This is the reserve clause.

Under it, a player may not quit his club and sign with another one willing to pay him more money. His services may be disposed of only by the club that owns him—either by trading, selling or releasing him.

If this clause is thrown out, a player would be permitted to sell his services to the hizhest bidder. He could resign from the club that owns him whenever he decided to make the move.

The challenge to the reserve clause comes under the country's anti-trust laws, which prohibit illegal monopolies and combinations in restraint of trade.

Ask Report On Citadelles' Status

TORONTO, (CP—The Canadian Amateur Hockey Association will not recognize the right of any team to take over the franchise of the Quebec Citadelles in the Quebec Junior Amateur Hockey Association.

George Dudley of Midland, Ont., secretary-manager of the CAHA, in a telephone interview Monday said his association had asked its Quebec branch for a full report on the situation there. He declined to elaborate.

A new team was admitted to the JAHA May 18 to take the place of Citadelles. The league announced that as far as it was concerned, the new club will have the right to all Citadelles players.

Leg Injury Ends Racing Career Of Dark Star

NEW YORK, (AP)—Dark Star, surprise winner over Native Dancer in the Kentucky Derby, has turned up with a leg injury which has ended his racing career, owner Harry F. Guggenheim announced Monday.

Guggenheim, master of the Coin Hoy Stable, said his prize runner turned up after the Preakness last Saturday with a bowed tendon.

The colt will be turned out at Port Washington this summer, the owner added, and then will be retired to stud in Kentucky in 1954.

Goggenheim, in a specially prepared statement, said:

"Jockey Henry Moreno reported that while the horse was running with great ease in the Preakness at the head of the stretch he suddenly stopped.

"After cooling out, his leg filled and the injury to a main tendon become apparent."

Dr. Star finished fifth in the Preakness, won by Native Dancer, after setting the pace for most of the mile and three-sixteenths route.
