NOTES LOCALES

M. Sylvain J. Gaudet de Peterville a battu 100 "stooks" d'avoine qui ont produit 125 boisseaux.

Dans la nuit de samedi dernier, nous avons eu une forte gelée qui a frappé les patates et les grains verts. En certains endroits on a trouvé de la glace d'un quart de pouce d'épaisseur.

Nous sommes heureux d'apprendre que M. Prospère Pineau dont nous annoncions la maladie la semaine dernière est beaucoup mieux.

Des nouvelles récentes de Dawson City, Yukon ,vont à dire qu'une misère noire règne dans cette ville. On est en hiver là à présent. Deux magasins qui fournissaient les provisions aux mineurs ont fermé leurs portes parcequ'ils n'avaient plus rien à vendre. Ceux qui étaient à la recherche d'or doivent maintenant se chercher de quoi à manger ou mourir de faim.

The firm of J. Matheson & Co., Ltd., engineers and boiler makers, New Glasgow, Nova Scotia will please accept our thanks for the handsome desk rule forwarded us.

PIRATERIE CHINOISE.

San Francisco, 18—On mande de Singapore qu'un navire anglais, le "Pegou", qui naviguait le mois dernier, dans les mers de Malaisie, a été l'objet d'un acte de piraterie vraiment extraordinaire de la part d'une bande de pirates atchinois.

Ce navire avait pris à son bord, à la station d'Edce, entre Penang et Atchin, une douzaine d'Atchinois. que le capitaine du navire. M. Ross, négligea de faire visiter, contrairement aux réglements en usage dans ces parages, tout particulièrement dangereux.

Le soir du même jour, trois Atchinois pénétraient subitement dans la cabine du capitaine, en train de prendre son repas avec son premier lieutenant, le tuaient a coups de poignard, blessaient grièvement le lieutenant, tandis que les autres Atchinois poignardaient l'homme de bare, poursuivaient les autres passagers, au nombre de soixante, en massacraient quarante gagnaient enfin la terre avec les embarcations du bord, emportant avec eux une somme de 15.000 dollars.

Les survivants du navire, au nombre d'une vingtaine, ont débarqué, après le plus grandes difficultés, au port voisin de Taiuk Semane et ont sigalé aussitôt aux autorités hollandaises l'acte de piraterie dont ils avaient été victimes.

GUERRE AUX ANARCHISTES

Bruxeles, 18— L'autorité belge est décidée de débarrasser le territoire des anarchistes. Louise Michel et deux de ses sœurs, en anarchie, les citoyennes Charlotte Fauqel et Froursou Louise, ont été expulsées, hier. La police a aussi arrêté quinze suspects et a dispersé vigoureusement plusieurs attroupements de rues où l'on poussait des cris pour l'anarchie. Quelques-unes des bandes dispersées, se dirigeaient vers l'ambassade espagnole, lorsqu'elles ont rencontré la police.

LES SUCCES DES CUBAINS

New York, 18—Le "Harald" publie une dépêche de la Havane, disant que les insurgés cubains ne comptent aucunement sur les Etats-Unis pour leurs succès et la cessation des hostilités. Ils entendent ne redevoir rien à personne. Ils ont 3,000 hommes bien armés à Pinal del Rio, 5,000 dans la province de la Havane, sous le commandant Castillo. Le général Gomez continue la série de ses succès. Il vient de s'emparer de la ville de Placetas. Dans l'Oriente, à l'est de la Trocha de Jucaro. Morun, la contrée est pratiquement à la merci des insurgés. Calixto Garicias se promène en vainqueur partout où il passe.

The study of this famous American work is a liberal education in itself. It is the grand educator of the masses, now offered to our readers in a sumptuous style in keeping with its great value to the people. We could not offer the cheap flimsy editions.

BUT THE GREAT BOOK CHEAP

Our readers will wonder how we can make as low an offer as the following, so we will "let the cat out of the bag." The fact is the publishers are overstocked, owing to the general depression of the past year, and we have secured a limited supply at about the cost of printing and binding and can therefore make

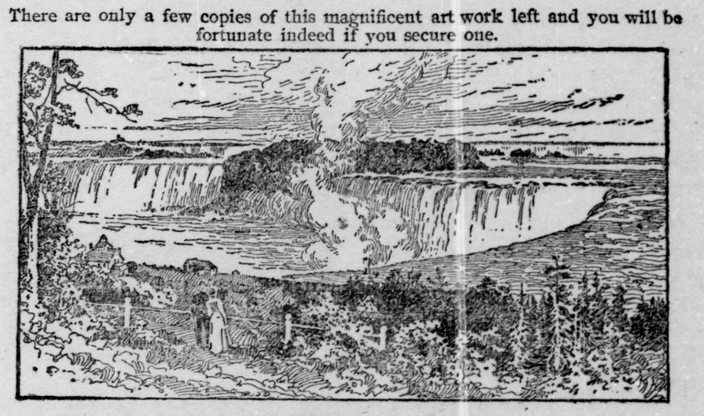
ASTOUNDING BUT TRUE!

Niagara Falls

Engraved on Steel after the Famous Painting by CHARLES GRAHAM, America's Leading Scenic Artist.

There are only a few copies of this magnificent art work left and you will be fortunate indeed if you secure one.



This cut illustrates but very faintly the magnificence of the original.

The above reproduction is less than one-fiftieth the actual size, the engraved surface being 40 x 16½ inches, printed on heavy plate paper for framing. Actual size of picture 46½ x 27 inches. The publisher's price is $25.00, unframed, and that is what a copy would cost you in the art stores. It is a work that would grace the walls of the most palatial mansion in the land.

"The subject is treated in a masterly manner, the grand curve of the Horseshoe in the foreground leading the eye up to the tumbling, raging rapids above, and the broad expanse of river beyond, with the islands in the middle distance and the face of the farther curve of the Horseshoe, as well as the great white wall of the American Fall partially obscured by the cloud of rising spray which is handled lightly with fine effect. In the great amphitheatre below the falls are seen the boiling waters, strongly and effectively depicted, and the two staunch little steamers that make their tours under the constant showers of spray. Never before has this subject been handled by any artist with equal force and impressive dignity, combined with deep, thorough feeling and delicacy of touch."—*The Railway Age.*
