New School Planned For Murray River

Murray River is to have a new school, it was learned yesterday. Final plans are now being completed. However, the site has not been definitely determined, nor was it known immediately when construction would begin.

The new building will contain possibly five rooms. The present building has three.

The present school was built some fifty odd years ago at the crossroads of Murray Harbour South and Abney. At that time it was a one-room school when later it was moved to Murray River one additional room was added. This proved to be insufficient, so at a later date one more room was added.

It is approximately 26 years ago since was hauled to Murray River and within next few months it is hoped construction work will be well under way on the new school.

At the present time approximately 115 pupils are attending.

Teachers are: Mr. Louis Herring, principal, Mrs. C. O. White-way, and Mrs. Robert Munn.

The trustees are: Mr. E. K. Johnston, Mr. D. K. Hume, and Mr. Sydney Munn.

At the last meeting of the Murray River Home and School Association, a building committee consisting of the following was appointed: Mr. Ellsworth Ferguson, Mrs. Malcolm Mackinnon, and Mr. John Clarey.

SPRINGTIME IS SARNAK TIME

after a long Winter your resistance is low, old troublesome symptoms are apt to bother you

Rheumatic, arthritic, neuritic pains, sciatica, backache, bilious dizzy spells, some kidney and liver and stomach upsets, indigestion, heartburn, bloating, getting up nights, lack of energy, nutritional anemia and nervousness and sleeplessness due to these symptoms.

READ BELOW WHAT SARNAK IS DOING FOR OTHERS

Mrs. Phil Anweiler, 225 Avenue E. South Saskatchewan, Sask., writes - "For the last fifteen years I have suffered greatly with Rheumatic pain and pain rising from a Gall Bladder condition. Although I have taken many forms of analgesic, nothing I took seemed to help me. Just recently I read about Sarnak and bought my first bottle. I am thankful to say that Sarnak has been a great help to me right from the very first. It relieve my pain as nothing else I have taken.

Mrs. George Weston, Selkirk, Man., writes - "I must thank you for what Sarnak has done for me. I am now starting my fifth bottle. I have suffered with the pain of Varicose Veins for a long time and Sarnak certainly has relieved my pain. The pain was so bad that I was unable to do my housework, but since taking Sarnak I am able to get about as usual."

Mr. M. R. Sereda of Beaverdale, Saskatchewan, writes - "For quite some time I suffered with Neuritic and Arthritic pains in my left leg and shoulder. I couldn't move my leg or walk during my last attack for the pain. I started taking Sarnak and after my first bottle the pain was relieved and I can now get around and do some work. I am going to continue with Sarnak for I know it will benefit me."

Mr. Gustav Roemer, 138 Aherns St. W., Kitchener, Ontario, is over 70 years of age and is an engineer who suffered on and off for 16 long years with upset stomach, bilious dizzy spells and indigestion. Mr. Roemer started taking SARNAK and wrote us as follows: "SARNAK brought me relief within a few days. My poor health had made me nervous and almost afraid to eat. I can truly say now that SARNAK relieved my stomach upset and nervousness. I'm grateful for what SARNAK has done for me."

Mrs. F. Plouffe, Point St. Charles, Montreal, Quebec, is 60 years of age and had suffered with rheumatic pain in the knee and sharp pain in the small of the back. After Mrs. Plouffe had used just one bottle of SARNAK she wrote: "I was in such pain I could hardly do my work and had trouble getting my proper rest. The first bottle of SARNAK relieved my pain; allowed me to do my housework. I don't know how to thank you for what SARNAK has done for me."

Mr. Stanley P. Dexter, Deep Cove, B.C. is a retired locomotive engineer and 64 years of age. Mr. Dexter had suffered from arthritic pain in both knees and his left hip for seven years until he started to take SARNAK, but here's what Mr. Dexter says: "I tried many different kinds of medicine to relieve my pain but nothing helped until I started taking SARNAK. I got relief from the first day with SARNAK and continued taking it because of the good it did me."

Mrs. C. E. Lyons, Burdett, Alberta, is now 74 years of age and has enjoyed good health, but a few months ago Mrs. Lyons started to suffer from rheumatic and arthritic pain in her knees and legs. Mrs. Lyons tried several things but nothing helped. Here is what she wrote after taking SARNAK: "After taking SARNAK for two months I am free of stabbing arthritic pain. Right from the first two or three doses SARNAK helped me. Now, of course, I wouldn't be without it."
