Montague Curlers Consider Enlarging Rink's Clubrooms

MONTAGUE — The feasibility of enlarging the clubrooms at the Montague Curling Club was the main topic of discussion at the annual meeting held Friday night. A committee of three comprising Douglas MacGowan, A. A. Fraser and George Nicholson were appointed to fully investigate this matter.

This discussion followed the election of officers, who for the next term will be Athol "Red" Robertson, president; Homer Moar, 1st vice-president; J. S. DesRoches, 2nd vice-president and H.M. Smith, secretary-treasurer, who will be filling this office for the eighth consecutive year.

It was reported by the chairman of the various committees that the club had a good year financially and had the largest membership in its history with 91 active members.

In provincial competitions, a local Legion team again represented the province in the Dominion finals and also a second local team held the runner-up spot. The physical fitness team representing the province was also from the Montague club.

The retiring president, R. R. Beck, presided over the meeting.
