

Weariness.

BY JEAN BAWETT.

Broad fields of grain away with the breeze, And mingled with the reapers' song, There comes the murmur of the bees...

God gives a portion unto each; I will not lift up feeble hands, As though my Father I would teach...

Now summer's breath, the scent of flowers, Creeps softly in and breathes to me, A message from celestial bowers...

Day and Night in Egypt. The air is simply perfect—bracing, and yet not cold, except in the early morning...

Some English Statesmen. A table showing the length of service in parliament of the most eminent English statesmen now living contains the following figures...

Horsford's Acid Phosphate IN DEBILITY. Dr. W. H. Holcombe, New Orleans, La., says: "I found it an admirable remedy for debilitated state of the system, produced by the wear and tear of the nervous energies."
