How to Atiain Health and Happiness

The latter half of the 19th century will pass into history as one in which is crowded more inventions and discoveries for the benefit of mankind than in all the centuries that have preceded it. Among these discoveries none will take higher rank than those in medicine calculated to relieve the ills that flesh is heir to," restore vitality and prolong life. Ladies everywhere will rejoice at the discovery of Dr. Williams Pink Pills, undoubtedly the greatest remedy for their peculiar ailments yet discovered. These pills are the result of an almost life study, and are a certain nerve tonic and blood builder, supplying the elements necessary to enrich the blood and transform pale, sallow, or greenish complexions to the pink and glow of perfect health. These pills are an unfailing cure for nervous debility, palpitation of the heart, loss of appetite, headache and all the irregularities of the female system that entail so much misery and distress. Every suffering woman should give them a trial. For sale by all dealers, or will be sent, post paid, on receipt of price—50 cents a box—by addressing The Dr. Williams Medicine Co, Brockville, Ont. Beware of immitations.

CARD.

To the Electors of Charlottetown, Common and Royalty:

GENTLEMEN,—Mr. Blake having resigned his seat in the House of Assembly, I beg to offer myself as a candidate to fill the vacancy thus created.

Believing, as I do, that the business of the country should be the first consideration, and not to be made subservient to party politics, I hold myself free to support that party whose management of the finances I consider most in accordance with the interests of the people.

My policy is to cut down all unnecessary expenditure, and to expend freely where public requirements demand it. To that end I will, if elected, strive to effect an amalgamation of the two branches of the Legislature, largely reducing the number of members, at present out of all proportion to the duties performed.

The working of the Land Office, I think requires a searching Parliamentary enquiry with a view to its abrogation at the earliest period compatible with public interests.

I will advocate the immediate permanent improvement (by macadamizing) of the main roads leading to the city, thus affording farmers every access with their produce, and benefitting town and country alike.

Should you do me the honor, for the third time, of electing me as your representative, you may rely on my best efforts being used to promote your interests.

I am, Gentlemen,
Your Obedient Servant,
T. JENKINS.
