NEWS NOTES.
The Pall Mall Gazette states, as it
claims, upon authority, that the marriage
of the Czar Nicholas and Princess Alex
will take place on November 30.
Sir Thomas Wade, professor of Chinese
at Cambridge, ascribes the unprepared-
ness of China for war to the influence of
Confucius, who forbade violence and re-
sentment of injuries. The explanation is
a curious one, but it is borne out by the
testimony of other authorities, that in Chi-
na the profession of arms is despised. It
is probable, however, that the ultimate
cause is the indolence and cowardice of the
race.

WANT NO OTHER.
Dodd's Kidney Pills now Asked For by
every Sufferer from Bright's Disease
Quebec, Nov. 19.—Contemporaneous
with the publication of the letter of Dr. A.
G. McCormack, of Richmond, with respect
to his permanent cure from Bright's
disease by Dodd's Kidney Pills, every
druggist in this city ordered a generous
supply of the pills, but so great has been
the demand as the result of this testimonial
from so eminent an authority, that the
run has been in excess of the supply. All
other proprietary medicines have been re-
legated to the shelves and it would appear
from the demands made upon the drug-
gists as if every sufferer from kidney dis-
ease in the city was bound to try the re-
medy recommended by Dr. McCormack.

Cowper was all his days overshadowed
by the gloom of insanity.
The oil of the Norwegian Cod Liver is
nature's grand restorative, and is only
found in its entirety and purity in Miller's
Emulsion, "the kind that cures" colds,
coughs, bronchitis and all affections
of the throat and lungs. Every bottle
warranted. No oily taste like others.
In big bottles, 50c. and \$1.00, at
druggists.

Berlin charity hospitals receive an annual
subsidy of \$350,000.
Cause and effect; constipation is the
cause of a host of diseases. Hawker's liver
pills cure constipation, thereby preventing
its consequent ills.

A single oyster in season produces about
1,000,000 young.
A Graduate of Toronto University Says:
"My children have been treated with
Scott's Emulsion from the first year of
their life. My physician first recommended it
and now whenever a child takes cold my wife
immediately resorts to this remedy, which
always effects a cure."

THINGS TO REMEMBER.
A cold in the head is the first cause of
catarrh.
Catarrh is an unhealthy disease and is
often followed by consumption.
Hawker's catarrh cure positively cures
catarrh, cold in the head and all catarrhal
affections.

Boarder—Why in creation did you ring
the breakfast bell at four o'clock this
morning?
Cook—The missus heard it thundering,
and told me to hurry and serve break-
fast before the milk soured.

I am not sure I ever told you what a
safe and excellent, as well as palatable
cure for Coughs, Colds, Consumption and
all Wasting Diseases is made in Halifax,
Nova Scotia. If not, let me now say that
there is no other Remedy quite as good
for these ailments as PUTNER'S EMULSION.
I need not enlarge—a word to the wise is
sufficient—remember it is PUTNER'S EMULSION—
for sale in your town by a well
known Druggist, in large eight ounce
bottles for 50c.

"I think," she said, as she came into
the room, "that I will give that poll par-
rot away."
"Yes," replied the young man who was
calling, "it would be only fair. She has
been doing as much for you."

MORAL.
Use PRUSSIAN OIL, instead of drugs
and pills,
'Twill keep you healthy, save you doctor's
fees,
Relieve your pains and aches, keep you

Add to your wealth and happiness, you
see.
Then use it, prove it, and you'll say,
There's nothing like it in our day.

Lucy (single)—Do you think it is wick-
ed to smoke, dear?
Fanny (married)—No, dear, I'm sure it
isn't.
Lucy—Why are you so sure?
Fanny—Because my husband doesn't

would do it.

dren. Mothers have repeatedly told me of its
good effect upon their children."
Dr. G. C. Osmond,

"Castoria is the best remedy for children of
which I am acquainted. I hope to try it
for a distant child when I consider the great
interest of father-children, and use Castoria in-
stead of the various noxious nostrums which are
detracting their loved ones, by forcing upon
them, soothing syrup and other harmful
agents down their throats, thereby sending
them to premature graves."

Priestley's Dress Goods
A good name is more potent than thrones and king-
doms. In business a good name is vital. The name of
Priestley is a synonym for what is delicate, durable and
beautiful in Black Dress Goods. In England it is a house-
hold word. Priestley's dress fabrics are worn by the well dressed women of
Great Britain, while on this side, they have attained to general favor. Ladies
should buy no other black dress goods till they have seen Priestley's. They add
to an unequalled durability, a beautiful draping quality. Women of taste understand
what that means in the success of a costume.

SILVER WEDDING AT THE GLEN.
A happy event took place at Glenora-
dale on Wednesday night, November 14th,
when Mr. and Mrs. Isaac Mossey celebra-
ted their silver wedding. About sixty
guests were present. A grand supper was
partaken of and a pleasant evening enjoyed.
The violin music was furnished by Messrs.
James N. McDonald and Samuel McAlroy.
A large number of gifts were presented,
including a cap sent by a friend from
Mabou. A complimentary address and a
purse well filled with silver coins was
presented by Frederick Mossey, Esq. Com-
plimentary speeches were made by P.
Dunphy Paul McDonald, Thomas Carew,
Austin Grady and others. Mr. Isaac
Mossey replied in behalf of his wife and
family. The organ music furnished by
Miss Christie Mossey, accompanied by the
violin in the hands of Jimmy Neil, was
beautiful. The company dispersed at a
late hour, feeling that it was good to have
been there.

DUNDAS NOTES.
The farmers in this vicinity are hauling
their produce to the various shipping
places. The roads are in a woful condi-
tion, and show signs of being water-
logged. The people of this section are com-
plaining loudly of the injustice of Peter's
taxes, and their voices will be heard before
long.
In Lot 55, they shipped or imported a
tax-collector from Cavendish, who is very
unpopular among the people.
R. Burdette & Son are doing a flourish-
ing business this fall; also Gus Nicholson
& Co., Cross Roads.
We call the attention of the Government
to the Bridge at Upton, which is in a deplorable
condition, and unless something is
done to it speedily, we are afraid that it
will be the cause of the loss of life and prop-
erty.
We are sorry to hear that Mr. Allan
Hunter our enterprising neighbor is about
leaving us to make his home in Sumner-
side, N. Y.
The Upton blacksmith, Mr. E. Turner, is
kept very busy night and day serving his
numerous customers. They say all the
schools are flourishing around here with
the exceptions of Upton. We hear that A.
Currie has turned into an M. B.
Our village postmaster, Mr. S. McDon-
ald, is kept very busy dealing out news for
little remuneration.
Nov. 16th 1894. Tourist.

WEST RIVER NOTES.
The roads are in good condition and the
farmers are busily engaged in hauling
their produce to market, the crops being
very fair crop, while the grain crop is
light.
Our school is progressing rapidly under
the efficient management of Miss. Dutcher,
who is qualified for the position.
Building operations are carried on on an
extensive scale in this vicinity. Mr. T.
S. Stewart has completed a new barn for
one of some five hundred dollars. This
was superintended by Mr. Dominick
White.
Our enterprising farmer, Mr. Donald
Munn, is busily engaged in repairing his
buildings, that got badly damaged with
the last storm.
While Mr. Starbuck Sampson Rose was
returning home from Mr. William Macdon-
ald's on Monday, his horse took fright
and started to run, upsetting the wagon,
throwing Mr. Rose violently to the ground,
dislocating his shoulder and causing inter-
nal injuries.

ing of this aforesaid third party. Ssow.
