YACHT CLUB RECEIVES PHOTO FROM CNR

This large colored photograph showing the Charlottetown waterfront and the Charlottetown Yacht Club was presented to the club last night by J. F. Pellerin, of the Charlottetown Hotel. A similar photo has hung in the hotel for many years and this copy was made available by the public relations department of Canadian National Railways, who took the picture. Accepting the gift on behalf of the yacht club is Ron Atkinson, left. Earl MacDonald looks on as Mr. Pellerin makes the presentation.

Marked Gas Use Results In Fine

Ivan Albert Mosher, 21, of Wood Islands East received a double dose of justice in Queens County magistrate's court yesterday afternoon. Mosher was first fined $100 and costs or 30 days by Magistrate James B. Johnston, QC., for using "marked gas" in an automobile, an infraction of the Gasoline Tax Act.

Mosher was next given a one-year suspended sentence for theft of a guitar valued at less than $50, the property of Norman Gillis. He must post a $500 bond with two sureties of $250 each.

Theft of another guitar from the same person brought a similar suspended sentence to Alonzo John Acorn, Pt. Prim.

Cnst. Reginald B. Lutes, Montague RCMP. tesitified in all three counts. He said that in the case of the guitar thefts, both accused had been drinking.

SECOND CATTLE CHARGE

Appearing in court on a second charge of unlawful possession of cattle, was Charles William McQuarrie, South Rustico. He had appeared in court July 29 on a charge of theft of a red grade Shorthorn steer, and August 29 had been set as the date for preliminary hearing.

Yesterday he was charged with unlawful possession of a red grade Shorthorn heifer, the property of Irving Leard, valued at over $50. Informant on both counts was Cnst. James D. Brooks, Charlottetown RCMP.

Bert Campbell, on behalf of the accused's attorney, John P. Nicholson who could not be present in court yesterday, applied for a remand until Aug. 19. The accused was remanded by consent to Queens County Jail with bail set at $2,000 with two sureties of $1,000 each.

SPEEDER REPRIMANDED

Ronald Joseph MacDonald, of Wilmot Valley, appeared in court on a charge of speeding 45 miles per hour in a 30 mile zone, on the information of Cnst. Walter S. Pinsent, Charlottetown RCMP.

MacDonald pleaded not guilty to the charge, and testified that he had been travelling "not more than 32 miles per hour," and called to the stand three witnesses, his wife, and two other passengers of the car, Mrs. Florence Simpson, New York, and Rene Joseph Arsenault, Summerside, all of whom testified that the accused had been travelling below 40.

Cnst. Pinsent gave the evidence for the Crown, with Alan K. Scales conducting the prosecution.

Magistrate Johnston convicted the accused of travelling at 35 miles per hour. No fine was imposed but the accused was given a reprimand.

George Elliot Flynn, Monticello, was fined $25 and costs or 15 days for causing damage to public property. The accused was also ordered to pay the costs of the damage done, $20.

A man pleading guilty to possession of liquor in a place other than his residence was fined $20 and costs or 30 days.

The case of Donald Lewis Brehaut, Sherwood, was adjourned until Aug. 9, on the request of defence counsel Lester O'Donnell. The magistrate said that as far as the court was concerned, the case should have gone ahead.

The assault case, with a Victoria man, James Boulter, charged with assaulting Miss Rita Marion Keough, Victoria, "by grabbing her by the hair of the head and swinging her around", was adjourned until Aug. 14, because the accused did not appear in court.

The case of Chester Earl Whitlock Hunter River was adjourned until Aug. 9. Whitlock is charged with driving while his license was cancelled.

In traffic court yesterday, Aloysius Steele, of Marshfield was fined $50 and costs or 10 days for driving while his licence was suspended.

One other man was fined $5 and costs or two days.

Souris Bridge Said Unsafe

SOURIS — Investigation by engineers of the department of highways has revealed that closure of the Souris bridge has resulted from the splitting of one of the timber caps or main stringers. The split which occurs for about three-quarters of the length of the stringer makes the bridge unsafe for heavy loads.

The department has started readying the bridge for repairs, and it is anticipated that it will require anywhere from three days to a week before the bridge will be re-opened to traffic.

In the meantime to reach the Town of Souris, it is necessary to detour through Gowan Brae and Souris River. The greater portion of this detour is a dirt and gravel surface.

It was announced last night that a road crew will go over the route today and will treat the surface in order to eliminate the dust.

Remand Is Given On Theft Charge

Charged with the theft of a 1960 Dodge car, valued at over $50, James Garny Gormley, Charlottetown, was remanded without bail until Aug. 9, by Magistrate A.J. Haslam in city police court yesterday.

A further remand to Aug. 9 was given Everett John Irving, Charlottetown, charged with non-support of wife and family. He was released on bail of $100.

Failing to halt at a stop sign brought a fine of $10 or five days to an accused. Thomas Handrahan, Charlottetown, was fined $15 and costs for driving without due care and attention.

Two persons appeared on charges of being drunk and incapable. One was given a 20-day jail sentence, and the other was fined $20 and costs or 15 days.
