

Yankees Defeat Tigers, Phillies Down Chicago

NEW YORK (AP)—Little Bobby Shantz, a longtime menace for Detroit, cut the Tigers' winning streak at five games Tuesday striking out six for a 2-1 New York Yankee victory.

It was Shantz' eighth victory of the season, and the seventh in a row for the 31-year-old southpaw who hasn't lost to Detroit since 1953.

Bobby Richardson, whose play at second base set up Billy Martin's trade to Kansas City, drove in both runs for the Yankees, who now have won five in a row.

CHICAGO (AP)—Two homers, a grand slam by rookie Harry Anderson and a three-run blast by Rip Repulski, Tuesday gave Philadelphia Phillies a 7-6 victory over Chicago Cubs.

Both drives, the first off loser Dae Hillman, sailed out of the park. Anderson leveled on a pitch by Dick Littlefield after the Phillies had loaded the bases against Hillman via Jack Sanford's lead-off double and walks to Richie Ashburn and Gran Hamner.

Jim Hearn worked the final four and one-third innings in relief for the sidelined starter Sanford and yielded a home run and two singles. After scoring a fourth-inning run on Ernie Banks' singl and Moose Moryn's double, the Cubs finally kayced Sanford in the fifth.

Chuck Tanner hit a bases-full double for the first three runs, and Jim Bolger followed with a pinch home run. Chicago's last run was Bobby Morgan's first homer of the year off Hearn with one out in the seventh.

WASHINGTON (AP)—Virgil Trucks fanned Art Schult with the bases loaded and two out in the ninth Tuesday night to preserve a 2-0 victory over Washington Senators for Ralph Terry, ex-Yankee making his debut with Kansas

Yankees Not To Reimburse Players Until Discussion

NEW YORK (AP)—New York Yankees said Tuesday night the club would not reimburse three players fined by the American League last week until co-owner Dan Topping discusses the matter with league president Will Harridge.

In a one sentence statement made prior to the Yanks-Detroit game at Yankee Stadium, the club neither confirmed nor denied that it planned to pay the fines, assessed for a free-for-all during last Thursday's game at Chicago.

It was disclosed, however, that pitcher Art Ditmar, fined 100, had mailed a cheque to league headquarters Monday night and Enos Slaughter, fined 150, had forwarded his cheque Tuesday.

The third Yankee player involved, Billy Martin, since has been traded to Kansas City Athletics. Martin was fined \$150. Two

His Shoes Went Into The Baseball Hall Of Fame First

NEW YORK (AP)—First Stan Musial's shoes went into the hall of fame museum for some obscure reason, making him the first player in history to enter the baseball shrine feet first.

Then the bat with which he hit five home runs in a doubleheader with the Giants one May day in 1954 was sent to Cooperstown, N.Y. The amiable guy is being inducted into immortality, and when he finally arrives in person he'll have to sneak in after dark.

We don't know what they'll send to the museum to represent his new National League consecutive game record, set last Wednesday when he played in his 823rd consecutive contest.

Musial certainly rates a bow. He refused to beg out of the lineup because of painful, if minor, injuries.

In fact, there may have been times when his condition was such it might have been better if he had stayed out of action. Still it's probably true that a Musial hitting on one leg or playing first base or the outfield wearing blinkers would be more valuable than a lot of other players in perfect health.

There probably aren't too many business men who have made it to the office 823 times in a row when all they had to do when they got there was sink into an overstuffed chair.

It's the more remarkable because Musial is built along the lines of a thoroughbred race horse, trim and slim.

He's as graceful an athlete as we ever saw.

His popularity among fans and fellow players probably is unsurpassed. Can you think of another player who would prompt the fans to take out a newspaper ad apologizing for booing him when he had a particularly bad day? St. Louis

Dodgers Defeat The Flyers 3-1

The Dodgers led by Vern Handrahan who struck out five batters in the third inning on a MacLeod's first pitch, defeated the Flyers last evening at Memorial Field in a game that was cut short by the threat of rain, and darkness.

Handrahan held the Flyers to four hits and one run in pitching seven innings, he gave up just one walk to Pineau in the second inning. MacLeod on the other hand was just a bit wild in the first inning. He walked Lund and MacDonald who later came in to score the first two runs of the game.

Joe Coyle was the leading hitter in the game getting two hits in three times at bat, he reached base all three times, having got an error in the first inning.

Handrahan held the Flyers scoreless until the sixth inning when Coyle led with his second single of the night. Reade then singled moving Coyle up. He scored on a passed ball by Forbie Kennedy to

The Dodgers scored their last run in the third inning on a MacLeod single, an error, a passed ball and a walk. They came close to scoring in the sixth when Kennedy singled to start of the inning, he moved to second on a passed ball, LeClair then grounded out. Handrahan came up next and tried to bunt but popped up to the first baseman, Kennedy was coming in on the play and was doubled off of the bag by Reade who threw to third baseman Pineau to end the inning.

The prize winners for the competition held at the Summerside Golf and Country Club on June 15 was Miss Marion Howat.

This Saturday, June 22, the Ladies' Division will play a ball sweepstakes (monthly handicap). All lady members are urged to participate in this C.L.G.U. match for the June handicap. Play will start at 2 p.m.

Daredevils Show Stuff At Ch'town Track Tonight

Charlottetown will become a scene of calculated calamity tonight when the Cavalcade of Canadian Hell Drivers takes over for two hours of what one national magazine describes as "automotive fury and motorcycling insanity."

The show, Canada's contribution to the thrill world, will feature two, three, four and six car precision driving and motorcycling stunts performed by the best known names in thrilldom. These drivers have earned the title of world Champions with their exhibitions of skill and steel nerves, both in Canada and the United States, and intend to live up to that title during their current tour.

Fisherman Saved By U. S. Destroyer

MONTREY, Calif. (AP)—"Two lousy fishermen" saved a commercial fisherman from the Pacific after five days adrift in his disabled salmon trawler.

"I was down to two lousy matches," said Jack Coats, of Eureka, Calif., when rescued before dawn Sunday. "But I was ready."

After drifting 200 miles through fog and heavy seas, Coats, 32, soaked his shirt in gasoline and waved it for a flare early Sunday morning when he saw the lights of the U.S. destroyer George Anderson bearing down on him miles off Monterey.

Even though he had eaten only raw fish, a bit of mouldy bread, five vitamin pills and two quarts of brackish water left over from last season, Coats refused to leave his boat, the GoJoe. A coast guard cutter towed him to port.

NO MALADIES
Coats was in good condition and drove back to Eureka Sunday with his wife.

He vanished last Tuesday afternoon off Arena Cove more than 100 miles north of San Francisco when he took his 36-foot boat out for a test. His battery failed, the engine wouldn't start, his radio was dead and a fog closed in.

He scudded rapidly southward before a strong wind though heavy seas and fog.
