## Meeting of Deceased Soldiers Next to Kin

A meeting of the parents or next of kin of the soldiers who died in the recent war was held at Wellington Station on Wednesday 13th, with the object of eventually forming a provincial organization for the purpose of placing before the Federal Government a united demand that it secure for them the same compensation that has been attained to the returned soldier.

The meeting which was largely attended was presided over by Dr. John T. Casgrove as chairman and Joseph J. Richard as secretary.

Many of the speakers present expressed themselves in convincing terms as to the justice of such a compensation among whom was the chairman who instigated the movement and whose remarks as to why such a compensation should be forthcoming to the next of kin, threw new light and interest on a subject that bids fair to become one of considerable importance to the sacrificing fathers and mothers of the heroic dead of this fair province. It was agreed that the first meeting should embrace Prince County and be held at Summerside at an early date.

The following resolutions were adopted:—

Resolved that this meeting proceed to form an association for the purpose of obtaining from the Federal Government a reasonable compensation to his next of kin for the soldier who has laid down his life for his country in the recent war.

Resolved that in the opinion of this meeting a county and afterwards a provincial organization be created to promote the purpose for which this association is organized and furthermore,

Resolved that the president and secretary of this meeting be authorized to call a public meeting to be held in Summerside at an early date to promote the purpose of this organization.

### ADDRESS AND PRESENTATION

Sunday mornnig at High Mass in Vernon River Church, Rev. W.B. McKenzie of this city ,who was recently ordained to the Priesthood, delivered a very instructive sermon to an exceptionally large congregation, This being Father McKenzie's first opportunity of addressing a congregation in Vernon River since his ordination, and it being his native parish, he delivered an excellent sermon, which was worthy of one of much more experience.

After the service The Rev. Father was presented with a purse and the following address read by Mr. Joseph McDonald:—

To Rev. Wilbert B. McKenzie.

Rev. Dear Father:—

We, the people of your native parish, take this opportunity to extend to you our sincere congratulations on your ordination to the Holy Priesthood. For several years we have regarded with kindly interests your progress towards the goal which you have now attained; and we assure you that our hearts are gladdened by the knowledge of your success. We hope we shall not offend your fine sense of modesty, dear Father, when we say that your good example has ever been an incentive to others to live good lives; while your kind disposition has never failed to win you many warm friends.

It is indeed a very great honor for us to be able to class you among the many illustrious sons of Vernon River Parish, who have been called to officiate at the Altar of the Most High. To realize at the same time the great responsibilities which you have been called upon to assume by Almighty God Himself, and we pray that He may ever give you grace and strength to bear those burdens which necessarily appertain to your exalted state life.

That the sphere of your future labors lies beyond the Diocese of Charlottetown is our only regret on this occasion, but while we fain would have you with us always we can not but admire your courage in selecting a more difficult field in the great and grownig West where many poor souls are in dire need of Spiritual Aid. It is our earnest hope, however, that you may have many opportunities of re-visiting Vernon River.

Finally, dear Father, we ask you to accept this small offering as a mark of our affection for you, and we pray The Great Father of All to store up for you gifts and treasure innumerable in His Heavenly Kingdom.

Signed on behalf of the Parishioners of Vernon River,

JOSEPH PRATT,
PATRICK MCKENNA,
D. J. CARMICHLE,
Trustees.

## Bremen Was Torpedoed

WASHINGTON, Aug. 16.—Light was shed today on the fate of the German submarine Bremen, sister of the marchant U-boat Deutschland, which mysteriously disappeared on a proposed trip from Bremen to New London, and the loss of which was recalled the other day by a report, afterwards official contradicted, that the crew of the Bremen had turned up at Hamburg Representative Edward J. King (III), who recently returned from Europe, said to-day.

Mr. King said this version of the disappearance of the German marchant submarine was told him by Lieut.-Commander Stockbridge, U.S.N., who said his information came from Lieut. Langley, of the British navy, commander of the British underwater craft that destroyed the Bremen.

"Lieut. Langley, according to the story of Lieut.-Commander Stockbridge, told me, cruised in the direction of the Kiel Canal one night. Coming to the surface at dawn, the British craft saw a huge German submarine not fifty feet away.

"It was the work of a few moments to land two torpedoes amidships, Lieut. Langley explained. He described the giant submarine as splitting in the middle as the result of the terrific explosion, with both ends rising high in the air. The British commander said he read clearly along the bow the word 'Bremen' in large letters, and then both ends plunged beneath the waves."

## Great Rush to Quebec To See Prince

QUEBEC, Aug. 17.—The visit of the Prince to Quebec has put a premium not only on vacant rooms but vacant houses in the city of Quebec over $2000 has been offered for a flat in one of the leading apartment houses while as high as $3,000 has been offered for the lease of some of the leading residents. It is impossible to accomodate the crowds arriving in the city. All rooms have already been secured. The Chateau Frontenac is receiving as many as 2,000 telegrams of inquiry per day.

The unequalled mileages which we have claimed for Goodyear Cord Tires are a matter of record. The list shown here is representative of the experience of thousands of motorists. High average mileage is rightly expected of these super-quality tires.

Such mileage unfailingly results in lower tire-cost-per-mile. You, too, can reduce your year's tire bill by equipping your car with Goodyear Cord Tires and Goodyear Heavy Tourist Tubes.

But, remember, Goodyear Cord Tires have virtues other than high mileage. Their extreme resiliency makes riding more comfortable, saves the car, reduces fuel consumption. They represent the final word in tire perfection.
