

Youth.

Youth is nothing more than health. A prominent Montreal physician says: "I have found Abbey's Effervescent Salt particularly beneficial in the treatment of derangements of the liver and digestive organs, and consider that the regular use of a preparation of this nature has a decided tendency to prolong life."

ADDRESS AND PRESENTATION.

On the 4th inst., Rev. W. H. Spencer of Montague, was presented with an autograph quilt by the ladies of his congregation. The quilt contains upwards of 750 names, neatly arranged, traced and interwoven, and is an ornamental heirloom of many associations.

The following address accompanied the gift:
DEAR PASTOR,—The undersigned on behalf of the Ladies of St. Andrew's Church, beg leave to offer you the accompanying autograph quilt as a slight token of their affection and regard as well as their appreciation of your devoted and successful services as pastor of the church. It affords us much pleasure to be the means of conveying to you the expression of our united love. What we offer you is but a poor symbol of our feelings, but we know you will receive it kindly as a simple indication of the attachment which we cherish for you in our hearts. As we have just entered on the New Year we would tender to you and your amiable partner, Mrs. Spencer, the compliments of the season, and pray that the blessings of Heaven may attend your services of love and that you may long be spared to work in the vineyard of the Master.

Signed by 18 ladies on behalf of selves and others.

Startling Confessions

Show that 25 per cent. of men and women suffer the tortures of itching piles. Investigation proves that Dr. A. W. Chase's Ointment has never yet failed to cure itching piles, and all of these men and women could end their sufferings at once by using it. Scores of thousands have been cured by this treatment. Everybody can be cured in the same way.

You can buy a suit of woolen underwear this evening at D. A. Bruce's for 25c; this is extraordinary value. D. A. Bruce.

NOTES AND COMMENTS.

—Mr. L. P. Tanton will be a candidate for the representation of Ward 5 in the City Council.

—One of the party papers has discovered that during the campaign of 1896 there was a Conservative campaign song which said:

If Laurier should win the day,
Then things will go to rack;
The wheels of industry will stop,
And men will get the sack.

Despite the political prediction things have not gone to rack and men have not got the sack; therefore the Conservative campaign song was untruthful.

It would not be surprising if this prophecy was indulged in in the belief that the Liberal politicians who threatened us with free trade as they have it in England, were telling the truth. At all events this is a very good answer to a Liberal campaign production to wit:

Joined together heart and hand,
Liberals for free trade will stand,
From our fair Canadian land
Banish the N. P.

It is a feather in the caps of the Conservatives and a splendid tribute to their statesmanship that the men who came in to undo their work were afraid seriously to touch it.

Spanish Volunteers.

LONDON, Jan. 11.—The Gibraltar correspondent of the Daily Telegraph says: "Three thousand time-expired Spanish soldiers from the Cuban war have offered to Great Britain in South Africa. The Governor here has informed their agent that he is not authorized to enlist foreigners."

Catarrh

Statistics prove that 97 per cent of our population is affected with some form of Catarrh, but since Catarrhazone, the new medicated air treatment for Catarrh and kindred diseases, has been introduced, this percentage has decreased. Catarrhazone never fails to cure Catarrh, Bronchitis, Asthma and Hay Fever, and is warranted to come the most chronic cases of these diseases, even after all else has failed. It cures by inhalation. No danger, no risk, pleasant to use. For sale at all druggists or direct by mail, price \$1.00. For trial outfit send 10c in stamps to N. C. POLSON & CO., Box 546 Kingston Ont.
