Chappell - Dawson Wedding

Bouquets of mixed spring flowers, against a background of ferns, formed the floral setting for an April wedding in First Baptist Church, Summerside, on the afternoon of April 25th, at three o'clock, at which Florence Ethelbert (Bertie), daughter of Mr. and Mrs. Rex L. Dawson of North Tryon exchanged marriage vows with Prowse Gorrill Chappell, only son of Mr. and Mrs. Alexander Chappell of Sherbrooke. Rev. W. A. Harper performed the double ring ceremony. The wedding music was played by Mr. James Peach. Mrs. L. M. Callbeck sang "O Perfect Love" prior to the entry of the bridal party and "Through The Years" during the signing of the register.

The bride, who was given in marriage by her father was lovely in her floor-length wedding gown of white satin, lily point sleeves, fitted bodice with peplum of brocaded satin, this same material being repeated in a front and back yoke and stand up collar. Her finger-tip veil was held in place with lilies of the valley. She carried a bouquet of Better Time roses.

Miss Margaret Dawson was her sister's bridesmaid and was gowned in ice blue taffeta with net collar and peplum. Her headdress was a pink lace halo and blue veil and matching mitts Her bouquet was of Pink Delight roses.

Mr. Earl Clark of St. Eleanors was groomsman and Messrs. Donal Darby and Royden Dyment were the ushers.

Mrs. Dawson chose for her daughter's wedding a gown of light blue sheer with navy accessories and a corsage of Pink Delight roses. The groom's mother was attired in aqua with black accessories and a corsage of Pink Delight roses.

Following the ceremony a reception for forty-five guests was held at Birch Hill Tourist Home. The bride's table, with its artistic floral decoration was centered with a three-tier wedding cake, topped with a miniature bride and groom.

Mr. and Mrs. Chappell left on a honeymoon trip throughout the Maritimes and New York, the bride travelling in a suit of light blue gabardine with white hat and gloves, navy pocket book and shoes. On return they will reside in Sherbrooke where the groom is a successful farmer. The bride, previous to her marriage was on the staff of Sheen and McInnis, Summerside.—S.

Attempted Break At Summerside

Summerside police, up to last evening, had not discovered the identity of the party who made an attempt to break into the combined dwelling and grocery store of Mr. Ted Perry on Convent Street about three o'clock Tuesday morning.

Mr. and Mrs. Perry were awakened by hearing a noise of some one on the roof of the bungalow type house and Mrs. Perry got to the window in time to see a man scrambling down with what appeared to be a pair of pliers in his hand. The impression was that he was a young man, possibly a youth.

Investigation showed that he had scrambled up the sides of the verandah on to the roof where it was found that the telephone wires leading into the premises had been severed.

Further investigation showed footmarks in the backyard where an attempt had been made to open a cellar hatch door.—S

CANADIAN CREWS

Continued from page 1

The Canadian squadron that will use the Pattons was raised last summer as part of the special force and mustered at Camp Borden, Ont. It was stated then that they would train with the M10s.

It was pointed out in the Commons that self-propelled tank destroyers or anti-tank guns such as the M10s were manned by artilleryman in the last war and it was a departure to have armored corps men enter that field. Defence Minister Claxton, an old artilleryman, said he couldn't see that it made much difference.

Shortly before the squadron sailed it was redesignated as "C" Squadron of the Lord Strathcona's Horse, 2nd Armored Regiment, one of two tank regiments in the regular army. The switch to Pattons would complete the changeover to full armored status both in name and in duties.

The Patton, the tank the U.S. army has been using in Korea for months, packs a stiff wallop in its 90 mm. high velocity gun.
