

DOWN THE BACK STRETCH

The 2-year-old pacer that is perhaps attracting the most attention in the United States today is Fearless Way by King's Counsel 1:58, dam, Jane Azoff 1:59 1/2. In a workout last week she set a new season's mark for pacing fillies at the mile track near Ben White Raceway with a mile in 2:23, last half in 1:08, last quarter in :33. She is in the stable of Henry Thomas and Son and with her speed inheritance of 1:58 1/2, she should be worth a lot of money as she is staked in over \$200,000 worth of futures. Last fall when Mr. Gaines kindly sent us his very attractive catalogue we looked it over and took a great liking to Fearless Way and thought how much we would like to own her, but figured that she would bring anywhere from \$10,000 to \$25,000.

In the catalogue her full breeding was given and the fact that her dam was also the dam of Wayoff 3, 2:03 2/5, winner of 19 races in 1950 and over \$25,000, as well as Winsome Way 3, 2:11 and Lucky Number 2:11 1/5, showed that she was a producer of speed. Jane Azoff had taken a record of 1:59 1/2 in the hands of the late Dr. H. M. Marshall and she had a winning race record of 2:00 on a mile track and 2:03 1/4 on a half-mile track. She was the winner of 38 races and was second 30 times. Her career in the Maritimes in the ownership of Charles Horton, Murray River, and driven by Willard Kelly, was a memorable one. On several occasions Jane set up track records, one of them still stands, that of Kensington, P. E. I., and she repeatedly raced in better than 2:09 over Maritime half-mile tracks and was a winner with Willard on the Maine circuit as well.

Some years ago she was traded to William Miller at Bonnie Brae Farms, Wellington, Ohio. When Charles Gaines, after selling out his dog food interests, decided to establish a breeding farm in Kentuck, Dr. Parrish recommended him to buy Jane Azoff. There was a little irregularity in her pedigree which prevented her from being classed as Standard and in order to qualify for that registration she had to produce three foals that would take Standard records. This she has done as noted above and which was explained in the ad for Fearless Way. We have all read of the fabulous prices paid at Lexington last fall where Leonard Buck of Far Hills, N. J., tossed upwards of a couple of hundred thousand dollars for yearlings and E. J. Baker over \$100,000, well believe or not, Fearless Way was passed up by them all and purchased by a small mid-western breeder for \$15,000.

Walter Brown 2:05 1/2, the handsome chestnut son of Man-tique, died at the home of his owner, Scott Weeks, of Port Walker, N. S., last week at the age of 22 years. He started racing as a 3-year-old at Austin, Minn., in 1934 and won in 2:15 1/4. In 1935 his owner S. H. Saunders of Austin, raced him through the mid-west states. His first start that year was in the 2:24 race at Hamilton, N. S., where he won in 2:10 1/2, 2:10, 2:10, 2:10, 2:10. That season he won five three-heat races, and took a lifetime mark of 2:05 1/4 over the Hamline, Minn., mile track. In 1936 and 1937 he was owned by W. H. Bird, Revere, Mass., and was raced mostly through the State of Maine, winning a good share of the events. In the fall of 1937 he was bought by Thomas Eiter of Moncton, N. B.

He started the season of 1938 by winning at Boutouche, N. B. in 2:12 1/4, at Fredericton in 2:09 1/2, Amherst, N. S., in 2:10, Charlottetown in 2:08, 2:09 1/2, 2:09 1/2, Truro in 2:10, 2:13, 2:12. At Charlottetown in the first heat in 2:11 1/2, Walter the next two in 2:12, 2:12. He started back in the Free-For-All and won, best time 2:09 1/2. He was beaten at

Azoff, a straight heat winner in 2:08, 2:07 1/2, 2:08. She was owned by Ted Grant of Houlton, Maine, and many will remember her as an outstanding race mare. The same afternoon Josie the Great, owned by Les Bickerton of Amherst, and driven by Johnny Conroy, won the 2:15 pace with the middle heat in 2:06 1/2, which was for years the Maritime record for a Maritime bred pacer mare until June Morning supplanted it two years ago.

Walter Brown and owner Eiter were also victorious at Union, Maine. At Fredericton Jeanne Trux had the best summary with Walter 2-1-2, time, 2:09, 2:08 1/4, 2:07 1/4. Walter was a straight heat winner his last race of the season at Fryburg, Me., Oct. 6, best time 2:10 1/4. In 1939 he was a winner at Truro, Moncton, Amherst, Charlottetown, St. Stephen, South Paris, Me., and only twice that year did he fail to win. He was campaigned that season under the ownership of Brunswick M. Steeves, Moncton, N. B. Lameness prevented his racing in 1940 and he never again fully recovered from that trouble although he did make a few starts in 1941-2-3. His best showing in 1941 was at St. Stephen where he was 2-3-3 in the Free-For-All, won by Jane Azoff with best time 2:07. All Grattan having the next best summary of 3-2-2. After his retirement from the race track Walter was used as a matinee horse at the races in Halifax, where he was very popular and up until a couple of years ago was well up among the leaders. As we mentioned before, he was a handsome horse with perfect manners and in the hands of Tommy Eiter was a perfect racing tool. We know our friend Tom will remember with the deepest regret, this gallant horse.

We are delighted to welcome back to this column Dr. L. Roy Johnston of Greenfield, Mass., son of the late esteemed Dr. J. A. Johnston of Timish. Roy enclosed a clipping on the Brockton training colony which is the largest in recent years and in which we notice that "Billy Hood, the horse man and humorist from Nova Scotia is assisting Harry Coleman with Roy Morgan's Cedar Crest Farm stable". Billy has traded Frank Adams, the three-year-old son of Watchin 2:06 to Harold C. Ralph, Waldoboro, Me., for Victory Mich and cash consideration. Our comment is that Billy and Harry Coleman should make a great combination. In our opinion there is no better fitter and trainer than our friend Billy Hood. That has been proven by the career of Watchin and other horses that were handled by them.

Here's an item that will please Dr. J. E. Corrigan—"All the members of the Chris O'Donnell stable are in the pink of condition and have been trained regularly on the jogging track at his Foxboro farm. Chris is particularly high on Bay State Jim, a home-bred 2-year-old son of Lill Lee Direct and Little Frisky by Frisco Dale. Chris says he is the finest prospect of his age he has ever owned and if he turns out as fast as he appears to be his famous grandfathers will be proud of him also."

Roger Duncan, who retired a few years ago as Vice-President of the United States Trotting Association because of ill health, is now wintering at St. Petersburg, Florida. As a boy of sixteen he went to work with the National Trotting Association whose president was W. H. Gocher, a Canadian. That was in the 1880's and Mr. Duncan knew every horseman member of the Association and could remember most of the great racing events during his regime. He visited at Truro and Charifax Viking when the first heat in 2:11 1/2, Walter the next two in 2:12, 2:12. He started back in the Free-For-All and won, best time 2:09 1/2. He was beaten at

Moncton Bruins Defeat Amherst

MONCTON, N.B., Feb. 29—(CP) Moncton Bruins defeated Amherst Ramblers 4-0 tonight to win the New Brunswick Junior Hockey championship. Ramblers won the first two games of the best-of-five series.

Bruins now advance to the Maritime semi-finals against the Prince Edward Island champions.

Saints Defeat U. N. B. Hoop Team 56-48

The Saint Dunstan's University basketball team (above) came within two points of winning the N. B. P. E. I. Intercollegiate basketball title last night when they defeated the University of New Brunswick quintet 56-48.

The result of the game leaves the Saints and U. N. B. on even footing with two losses each. The

U. N. B. team plays at Mount A this afternoon and if they win the game they win the title. If the Mounties win the Saints will take the two-province crown.

The University of New Brunswick team defeated the Saints by nine points in a previous game this year. In order to win the title last night the Saints would have had to win by ten points.

Millionaires And Beavers Play To Three-All Tie

SYDNEY, N.S., Feb. 29—(CP)—Cliff Roach's goal with two minutes and 24 seconds left to play gave Sydney Millionaires a 3-3 tie against league-leading Saint John Beavers here tonight in a Maritime Major Hockey League game.

Roach, covered by two Beaver defencemen 10 feet in front of the Saint John goal, scored the ace on a bouncing pass from Dunc MacIntyre. A high stick on the same play pashed the Sydney playing coach inside the mouth.

The tally climaxed Millionaires' night-long probe against Beaver defences and at that, the law of averages failed to lean with statistics.

Millionaires got their three goals out of 40 shots piled at Hal Gordon while Beavers, never to flub their opportunities, got the same record out of the 19 shots they had at Cliff Hicks.

Beavers, arriving here by train and delayed a half hour reaching the ice, spotted the home club a mid-first period goal by Bruce Gallagher and roared back to gain a 2-1 advantage before the first stanza was over.

Gallagher cracked his through after two tries at Gordon's crease while Beavers' Peanuts O'Flaherty was off for charging.

Tom Smelle got the tie back at 12:33 with a sudden weave from the backboards behind the Sydney net.

A long looming shot from the blue-line, far off corner veered off Ken Watson's stick waist-high two minutes later.

Greatly outpressed in the first period and again in the second Saint John lightened their defence in the middle frame.

Beavers umped the count 3-1 at 12:18 when Nick Nicol's pass from the back fence was rapped back into the net by the uncovered Ken Watson.

Bruce Gallagher brought the visitors' advantage down four minutes later with his second goal roaring in to left of a face-off drop both centres missed inside the Beaver zone.

St. F. X. Defeat Beavers 5-4

SAINT JOHN, N.B., Feb. 29—A solo effort by defenceman Duke MacDonald at 8:58 of an overtime period finally broke down the barrier that was Sonny MacDonald's miraculous goaling and gave St. Francis Xavier University a 5-4 overtime victory over Saint John Senior Beavers in the opening game of an Allan-Cup playoff series tonight at the Forum.

The young St. F. X. team took a 2-0 lead in the first period and then fell behind 4-2 as Saint John shot four consecutive goals through the opening and middle periods. The youthful tide from Antigonish took over in the third, however, and rode through the tiring veterans for 19 shots at MacDonald. Two of them connecting to send the game into overtime.

Sandy's Defeat York 4-2

Sandy's Ramblers defeated the York Rangers 4-2 last night to win the best two of three semi-final series and thereby won the right to enter the finals.

Last night's game, played at North River rink was clean and fast. Cedric Bailem scored two goals for the winners while Ken Ellis and Will Thompson fired one each. Em. Ling and Dean Watts scored for York.

TOURIST REVENUE HALIFAX—(CP)—Official reports just released here showed nearly 338,000 tourists visited Nova Scotia in 1950, bringing an estimated revenue of \$25,000,000 to the province. The Department of Information estimated the tourists spent an average of 10 1/2 days in Nova Scotia.

NEW GLASGOW, N. S., Feb. 29—(CP)—Truro Bearcats bounced back to defeat New Glasgow Rangers 4-2 tonight and remain in the lead of the A. F. C. Senior Hockey League finals. Rangers lead the best-of-seven series 3-2 with the next game scheduled for Truro tomorrow.

Moncton Moves Closer To Fourth Place With 7-3 Win Over Miners

MONCTON, N.B., Feb. 29—(CP)—Moncton Hawks moved to within two points of a Maritime Major Hockey League playoff position tonight by defeating fourth place Glace Bay Miners 7-3 in a fast-moving game.

Big Tom Rocky, playing his third game with the Hawks after a seven week absence, paced the Moncton attack with three goals. Rocky returned to the club last week from Carmen, Man., where he had been called by an illness in his family.

The big defenceman proved a tower of strength to the locals both offensively and defensively. Glace Bay took an early lead at the three minute mark when Anderson rapped in a pass from Windley. Hawks roared back with three tallies to take a 3-1 edge and were never headed the rest of the way.

Hawks scored two more goals in the second period, while Miners were getting one, and came up with another pair in the final period while holding the Miners to a single tally.

Rocky was easily the outstanding player on the ice, but for the visitors playing coach Bud Poile and defenceman Johnny Myketyk played brilliantly in a losing cause.

Ray Marshall started Hawks on the victory path. Obbles and in addition to Rocky were Burman, Marshall, Scholes, Clements, Filion, Burman, Robinson, Kennedy, Rowe.

Officials—Mathieu, Sanford.

Summary:

Charlottetown Abbies Play Moncton Tonight

The first game in the N. B. P. E. I. Junior hockey finals between the Charlottetown Abbies and the Moncton Bruins will be played at the Forum tonight with the game getting underway at nine o'clock.

The Bruins won the right to play-off with the Abbies by defeating the Amherst Bruins 4-0 last night. Tonight's game was scheduled early this morning when officials of the junior clubs received word from the M. A. H. A. that the N. B. P. E. I. playdowns must commence immediately.

The Department of Physical Fitness co-operated by letting the Abbies have the use of the Forum during the time regularly used for minor league hockey. In view of the fact that there was no time in which to have an advance sale of tickets and since the Abbies have to play a return game with Moncton on Monday night there will be a silver collection.

Club officials this morning expressed the hope that as many as possible would turn out to aid the team which gave the province its only Maritime title last season.
