DOMESTIC ECONOMY

Said Brown unto his wife one day,
 "We've nothing left to eat;
 If things go on in this queer way,
 We can't make both ends meet."
 His wife replied in words discreet,
 "Oh, we won't be badly fed;
 If you can make but one end meat,
 I'll make the other bread?"
 Chicago News.

BUT GOOD WIFE!

You can't make good Bread, if you don't use good Flour. It's a mistake many people make in buying Flour as well as other things, in thinking they are using economy by buying a cheap grade but it generally proves the dearest in the end. When in want of Flour give us a call; we keep most of the standard brands and can quote as low prices as anyone in the trade.
